

NERT Neighborhood Team Directory

This directory is for the **private use of NERT members only**. Any other use is strictly prohibited. List includes volunteer coordinator contact information, and staging area. If your neighborhood has no team coordinator, call the NERT office to find out how you can help. The BATTALION is the Emergency District Coordination Center - it is the command in your District Battalion Station. In a disaster, report to your neighborhood staging area, not a Fire Station.
