

Volunteer for the 2016 SFO Annual Emergency Exercise

SFO's first priority is safety and security. In accordance with the Airport's core values, a full-scale emergency exercise is conducted annually, above and beyond the FAA requirement of once every three years. This year's Annual Full-Scale Emergency Exercise will take place on Wednesday, October 12, 2016, from 9am to 1pm. An air crash will be simulated and volunteers are needed to play the parts of Air Crash Victims, and Family & Friends of Air Crash Victims. Register today to take part in this important and exciting event.

All Volunteers must:

- Be 16 years of age or older
- Sign a waiver form to participate. Those under the age of 18 need parental/guardian consent
- Be able to simulate injury, shock, concern, emotion, confusion etc. as assigned
- Be prepared to be treated by emergency response personnel simulating a rescue, evacuation and treatment of injuries as appropriate

Requests to have moulage (mock injuries) applied will be granted on a first-come-first-served basis. Individuals playing the role of Air Crash Victims should plan to report to the Airport as early as 6:00 AM. Individuals playing the role of Family & Friends of Air Crash Victims will report to the Terminal by 8:00 AM for briefing and role assignments.

To register, or for more information, please e-mail SFO-AEMExercise@flysfo.com no later than Friday, October 7, 2016. Exercise activity is expected to conclude by 1pm, with lunch provided afterwards. Further instructions and reporting locations will be provided after registering.
