On Monday, October 17, 2016, the San Francisco Fire Department will hold a Commissioning Ceremony for Fireboat #3. Fireboat #3 will join Fireboats Phoenix and Guardian in protecting our City. San Francisco's first Fireboats were put into service in 1879 and assisted following the 1906 Great Earthquake and Fire.

Fireboat #3's name will also be unveiled at the Ceremony. As you may recall, a naming contest was open to San Francisco school-aged children early this year. The child that submitted the winning name, along with their family, will join us for this memorable event.
