San Francisco Fire Stations Open House Day
Saturday, October 14th, 2017

In recognition of *National Fire Prevention Week*, every fire station in San Francisco will be open to the public on Saturday, October 14, 2017, from 1:00PM through 5:00PM. This year's theme is "Every Second Counts: Plan 2 Ways Out!"

Visitors and residents of San Francisco are encouraged to stop by a local fire station where Firefighters will be providing fire safety and prevention information, giving tours of the public areas of the fire stations and performing community blood pressure screening.
