Investigative Services Bureau

*Investigative Services Bureau
Captain Lars Aspelin
August 2022*

Fireboat/BOE DOT Random Testing

One (1) Random test was performed by Energetix for this Quarter. Results negative.

Random Alcohol and Drug Testing Program

3 (Three) members were randomly selected and tested; results were negative (Captain Aspelin on vacation through September). Reviewed current Contracts with CDT to streamline testing and cut costs. Working with Physician's office on new proposal. Lt. Tibbits has provided assistance with field testing.

Post-Accident Alcohol and Drug Testing Program

One (1) Post-Accident Alcohol and Drug test were administered this month, results negative.

Conditional Offer, Promotional and End-of-Probation Alcohol and Drug Testing Program

Cpt. Aspelin provided supply materials to Physician's office.

Breathalyzers

All breathalyzers have now been re-certified and returned to the field.

California Driver Licenses (CDL)

Cpt. Aspelin continued to monitor members' driver licenses and updating tracking software. Currently, there are Three (3) members with a suspended license and 1 (one) expired. We are also looking at switching to the DMV monitoring portal and leaving our 3rd party provider. This will save the Department an estimated 20,000\$ annually. This is now moving forward. Captain Cavellini assisted in updating Licenses throughout September for the spot bids.

Training

Captain Aspelin has been providing training to ISB2 Lt. Tibbits to provide coverage for ISB1 and background investigation assistance.

COVID-19 Response

Cpt. Aspelin did not track any personnel as the Documentation Unit Leader.

Background Investigations

No Backgrounds have been requested at this time.

REVOLVING MONTHLY OUTREACH

- Multiple Public Safety announcements were provided throughout the month.
- Engine companies continue to pass fire prevention and education material on calls to the public. This material is now available on our website in multiple languages. To download, visit: www.sf-fire.org
- Coastal Rescue companies continue to give Surf Hazard Education to the community while on calls or while out in public (Targeted to Ocean Beach Area)
- Cliff Rescue units provide cliff rescue and animal safety community outreach in areas such as Fort Funston.
- Sign up for emergency notifications by texting "**ALERTSF**" to this number: 888777
- Recruitment efforts continue.
- "See the Red Lights Pull to the Right" campaign for yielding to emergency vehicles is striking comments from the public regarding what to do when they see an emergency vehicle.
- Bicycle safety messages on social media and in public areas promote safe riding habits, wear your helmets, follow the traffic laws, yield to pedestrians and emergency vehicles, and more. These efforts are to help reduce bicycle-related accidents and injuries.
- Pedestrian Safety and distracted driver safety messages on social media: "Look don't like" (referring to texting), yield to pedestrians, share the road with a bicyclist, to name a few.
- P.E.T. safety tips for fire and environment-related issues are placed on social media and shared with media outlets. Examples would be: Do not forget your pets when making a home or work escape or disaster plan.

- Cliff and hiking safety messaging on social media help reduce falls, entrapments, and rescue incidents.
- Information on the station rebuilds and the ESER 2014 BONDS has been posted on social media to help keep the community informed.
- The Department has joined a national fire Service campaign: "**Close your Door before you Doze.**" These efforts encourage closing bedroom doors at sleep to increase your chances of survival or saving during a fire. The temperature outside a door can be 1000 degrees, and in the bedroom with a closed door, 100 degrees.
- The Department has teamed up with D.E.M. promoting: "When to Call 911" campaign to help reduce non-emergency calls to 911.
- The Department worked with SF-Environment to promote fire extinguisher disposal.
- The Department assisted SF-Environment with battery safety information and disposed of them properly. When improperly disposed of, old batteries can cause fires. To learn more, visit: www.sfbatterysafe.org
