

The background of the slide is a large, semi-transparent seal of the United States Environmental Protection Agency. The seal features an eagle with wings spread, perched atop a shield. The shield is divided into four quadrants: the top-left shows a plow, the top-right shows a ship, the bottom-left shows a landscape with mountains and a river, and the bottom-right shows a factory. The shield is flanked by two figures: on the left, a farmer in a hat and overalls holding a pitchfork; on the right, a scientist in a lab coat and cap holding a flask. The entire seal is encircled by a laurel wreath.

Neighborhood Response Team (NERT)

NERT is a free training program for individuals, neighborhood groups and community-based organizations in San Francisco. Through this program, individuals will learn the basics of personal preparedness and prevention. The training also includes hands-on disaster skills that will help individuals respond to a personal emergency as well as act as members of a neighborhood response team.

San Francisco is made up of many neighborhoods. We are training San Francisco residents to be one ready community when it counts. Together we can create a lifeline between your family and neighbors, and the City's emergency responders.

Captain Brandon Tom has returned to the NERT office in a light-duty capacity.

9/6/22 and 9/7/22: Classes 5 and 6 of the New NERT Training that began on 8/23. This training was advertised only to the people who preregistered to be notified about New NERT trainings and filled up in hours. 35 participants completed the program and are now certified NERTs.

9/12/22: Pre-Fleet Week Exercise Support: This exercise was advertised to a select group of experienced NERTs. The drill brought NERT, ACS, city, state, and federal partners together to prepare a landing zone.

9/17/22: 20 NERTs attended Office Hours. Captain Patricia Yuen taught a review of NERT ICS via Zoom. This served as preparation for the October 15th Drill and was attended by 23 NERTs.

9/19/22: NERT Advisory Board Meeting

9/20/22: Auxiliary Communications System meeting at DOT.

9/21/22: 35 NERT Graduates completed a refresher of Classes 5 and 6, covering ICS, Disaster Medicine, Cribbing, Triage and Extinguishers. Their NERT Certification was renewed.
