

The background of the slide is a large, semi-transparent seal of the United States Coast Guard. The seal features an eagle with wings spread at the top, a central shield depicting a landscape with mountains and a ship, and two figures on either side: a sailor on the left and a surveyor on the right. The entire seal is surrounded by a laurel wreath.

OPERATIONS UPDATE
JANUARY 2023
DEPUTY CHIEF
ROBERT POSTEL

OPERATIONS REPORT

January 1 – January 31, 2023

GREATER ALARMS:

There were two Greater Alarm fires during this reporting period.

2nd Alarm – (1/13/23) 1858 hours, 3017 20th Street, cross streets Florida and Alabama streets. There were no injuries. The cause of this fire is under investigation. (A/Assistant Chief Dustin Winn)

Division 3 was the first company in on scene and gave the initial report of the working fire on 20th and Florida streets. The fire presented as either an attic fire or heavy fire from the rear, Charlie side of the building. A working fire was immediately declared adding an additional Engine Company as the RIC team and a Rescue Captain to the box.

There was no delay in any units responding to 3017 20th Street. Fortunately, the first due responding units were only 4 blocks away. The first on scene company arrived at the front of the fire building in 1 minute and 25 seconds and established command. Per Dispatch, there was no delay in reporting the fire. The caller reported a building/structure fire at 1859 hours.

The main fire building was a multi-residential type 5 structure that was not required to have any additional fire protection system (i.e., fire sprinklers or dry/wet standpipes). The Bravo exposure was equipped with sprinklers, which assisted in suppressing the fire in that building.

Upon arrival, there was heavy fire and smoke venting out of the 2nd and 3rd floors of the Charlie side of the fire building. Once a truck company made it to the roof of the Delta exposure, it was clear that fire was running both lightwells on the Bravo and Delta sides of the building and was present in the attic space.

The main obstacle encountered was the number of bicycles found in the main fire building on the 2nd floor. The bicycles made it very difficult to access the rear of the building to the seat of the fire. Companies prevailed and made a very difficult lead onto the fire floor in order to search and extinguish the fire. The fire had already spread to 3 of the 4 floors in the main fire building, and 2 floors in the exposure building prior to arrival of the first due companies. The Department of Building Inspections red tagged the building.

The strategy of this fire was to make very aggressive hose leads to the seat of the fire in the rear of the building, followed by extinguishing the fire that had already taken hold of the attic space in the main fire building. Simultaneously, crews worked on each exposure building in order to limit horizontal fire spread.

Operationally, assigning chief officers to supervise companies in each of the fire buildings worked well. Battalion 2 was assigned as Fire Attack in the main fire building and supervised E7, E29, E6, T9 and T6. B6 was assigned Bravo and supervised E37, E36 and T11. B6 was assigned to the Charlie side of the building and supervised E8 and coordinated with the companies assigned to Delta E11. Truck 7 was assigned to the roof and worked with E1. RS2 supervised and conducted their own primary and secondary searches of the Fire Buildings. The whole operation was extremely successful resulting in 27 occupants and 2 cats evacuating the building safely. Multiple ladders provided access and egress to the roofs, and multiple hose lines were put into play in order to extinguish the fire.

The crews worked in a professional and diligent manner, putting themselves in harms way in order to protect the citizens, residents and visitors of our great city. It was a pleasure and honor to be the incident commander at this fire.

2nd Alarm – (1/22/23) 0139 hours, 1312 Hayes Street, cross streets Divisadero and Broderick streets. There was one injury. The cause of this fire is under investigation. (Assistant Chief William Storti)

On January 22, 2023, a full box was dispatched at approximately 0138 hours at 1310 Hayes Street. E21 was first on-scene and reported a working fire in a four-story type 5 residential building. Fire was venting from the roof on the Bravo side, and E21 took the front of the building and proceeded to take the 150' ready line to the second floor. B5 arrived on-scene and took command calling for an immediate 2nd alarm for heavy fire between the fire building and Bravo exposure. T6 threw an aerial to the Bravo exposure roof and took crews to the roof performing ventilation operations, opening skylights, and cutting holes into both the roofs of the fire building and Bravo exposure. E10 backed down supplying E21 and took 200' ready line to 2nd floor of Bravo exposure. E06 also backed down, giving a second supply to E21 and took a large line wye to front of the fire building bringing a small line led to the 3rd floor. B2 was assigned fire attack in the fire building with E21. T05 arrived and threw a 50' ladder to the delta exposure. D2 arrived and assigned B5 as Bravo Division. T05, E05, E10, and E38 led lines to 2nd through 4th floors of Bravo exposure. Companies also used lines and attic extensions to fight fire in the attic. E36, E3, and T10 were assigned to Fire Attack and led lines from 2nd to 4th floors and to fight fire in attic. RS1 split crew and performed a primary search of both buildings; E12 was assigned RIC and B4 Safety.

Both buildings received extensive damage mostly in the apartments on the shared side of each building. The fire started in the 2nd floor Bravo side apartment and spread through the lightwell to the upper floors and the Bravo exposure extending to the attic of both buildings. Twenty-five individuals were displaced.

Initial strategy was containing the fire as there was already significant extension between the buildings and up the lightwell. Companies with hose lines were assigned to each floor in both buildings and Truck companies were assigned to the top floor with attic extension ladders.

The fire building's attic was built with plywood flooring slowing operations to extinguish the fire there. The fire was given plenty of time to grow and spread between the buildings and into the lightwell up to the attic. Companies efficiently led several hose-leads to 3 floors in each building supporting difficult overhaul and attic operations.

The background of the slide features a large, semi-transparent seal of the U.S. Department of Justice, Bureau of Fire Prevention and Investigation. The seal is circular and contains an eagle with spread wings at the top. Below the eagle is a shield with a landscape scene. On either side of the shield are two figures: a man in a hat and a man in a uniform. At the bottom of the seal is a banner with the Latin motto "EN GUERRA ORO EN PAZ FIERRO".

SFMTA - TASC, SDAT, DPW, BART, MUNI, Cruise and SFFD Fire Access

SFMTA: Transportation Advisory Safety Committee (TASC) Summary

- All streetscape modification proposals impacting Fire Access reviewed bi-monthly. COVID-19 TASC review for Street Closures for Food Banks, COVID-19 Testing, Vaccination Sites, Shared Spaces and Safe Sleeping Sites.

SDAT (Street Design Advisory Team)

- Weekly meetings with SF Planning Department and City Agencies to review and provide comments on streetscape plans/proposals for building/ development projects.

DPW

- SFFD conducts plan review to ensure SFFD apparatus has fire access to buildings, hydrants, fire department connections, fire escapes, etc.

BART/MUNI

- SFFD Liaison to BART/MUNI for Fire and Life Safety Annual Inspections. Continuing to work with the SFFD Transit Committee, the SFMTA Central Subway.

CRUISE

- SFFD Liaison to the implementation of Autonomous Vehicles in San Francisco. Working with the Mayor’s Office of Transportation and other City Agencies regarding Emergency Responder training, minimum requirements prior to fully activating Autonomous vehicles. Cruise created a training video in conjunction with SFFD Division of Training. These videos have been completed and currently working with the SFMTA and Waymo AV to follow a similar plan of orientation and training for Suppression.

SFFD

- Contact Fire Stations regarding Traffic Calming proposals in their response area. Work with SFPD, DPW, SF Parks and Rec and the Presidio regarding the SFMTA Slow Streets and Shared Spaces ensuring Fire Access. Now collaborating with BFP Permits ISCOTT with Shared Spaces temporary street closures (ISCOTT) as there is some overlap of Shared Spaces Street Closures and ISCOTT as we emerge from the Pandemic.

Fire Investigation (Arson Unit)

The number of Open/Active Fire Investigation Reports for January 2023 is 47. The reports include the following types of fires:

- 21 Structure Fires
- 18 Vehicle Fires
- 7 Outside Fires
- 1 Other

The background of the slide features a large, semi-transparent seal of the U.S. Army Corps of Engineers. The seal is circular and contains an eagle with wings spread at the top, a shield in the center, and two figures (a soldier and a sailor) on either side. The shield depicts a landscape with a bridge and a ship. At the bottom, a banner reads "EN GUERRA ORO EN PAZ FIERRO". The seal is rendered in a light blue/white color against a dark grey background.

Robert Postel
Report to the Commission

Airport Division

SFFD Airport Division Recent Activities
Division Update January 1 to January 31, 2023
ADC Patrick D'Arcy

- Attended SFFD-SFO Monthly Budget Meeting
- Attended weekly Check-in meetings with SFIA Safety and Security Director Ralf Ruckelshausen
- Attended Airfield Operations Meeting (virtually)
- Attended SFO Emergency Operations Group Management Team meeting (virtually)
- Attended weekly SOG Meetings with SFIA Director of Security/Emergency Management Rob Forester
- Attended SFFD monthly Staff Meeting
- Attended SFIA bi-weekly Management Meetings (virtually)
- Met with Airport Division Battalion Chiefs, Rescue Captains, Training, and Prevention personnel
- Met with Ryan Jamison & Craig Gordon regarding Narcotics management at SFO
- Held Logistics & Supply Meeting in-person and virtually
- Attended Martin Luther King, Jr. Day Parade & March
- Attended SFO LRSAT & Ramp Safety Meeting regarding Runway & Ramp Safety
- Taught Aircraft Familiarization to an ARFF class
- Attended meetings regarding MOU negotiations
- Attended January Firescope Task Force Meeting in Santa Barbara and Goleta
- Met with EOC regarding Firehouse Security Enhancements
- Met with San Mateo County EMS Agency
- Meeting RE: Commercial aviation conversion to Fluorine-free foam concentrate
- Attended SFFD/AMR meeting

Operations/Training – Captain Robinson and Specialist Hoaglin

- Attended Runway Safety Meeting via TEAMS
- Attended Monthly EOC Emergency Planning Meeting
- Continued Daily Alert Communications Drills
- Attended Red Cap Planning
- Held 40-Hour ARFF Training Class for 15 new members
- Created and handed out Training Task Booklets to new members
- Conducted multiple meetings with Training Staff
- Completed January 2023 Travis Air Force Base Live Burn
- Procured and tracked equipment from Grainger
- Met with SFO Compliance Department regarding FAA training records
- Maintained FAA training records

- Coordinated new Live Burn Site Hayward Airport
- Trained on ARFF driving simulator
- Participated in SFIA Runway/Ramp Safety meeting (virtually)
- Participated in weekly Airfield Operations Briefing
- Attended Monthly Red Cap planned for January 25th
- Planned upcoming ARFF Driver Course
- Researched procuring vehicles for Vehicle Extrication Drill
- Coordinated with Chief Arteseros to ensure Marine/Rescue Swimmer compliance
- Conducted ongoing individualized training for AOA Familiarization, Communications, and AOA Driving with Training Specialists

Battalion 65 Kasper, Chan, and Francois

- Attended Red Cap Drill
- Attended Airside Ops Meeting
- Attended LRSAT and Ramp Meeting
- Conducted Alert 2 and 3 drills
- Participated in Dry Salutes
- Participated in Live Runway Crossings on Saturday and Wednesday mornings.
- Prepared for King Tides
- Participated in Live Burn
- Taught ARFF and FAA 139 classes to new recruits
- Standby provided by Rescue 99 as repairs performed on pier East of 28R
- Attended Safety meet and greet luncheon at the EOC

Rescue Captains Anderson, Beckwith, and Morley

- Responded medical calls 45 to assist/observe paramedics on emergency calls
- Reviewed and graded written PCRs.
- Taught American Heart BLS (CPR) to Airport Division
- Worked with Health Safety & Wellness to expand AED program.
- Attended Daily 1715 ADM meeting via conference calls.
- Attended Daily EMS conference calls.
- Attended Live Burn (Beckwith) at Travis Air Force Base
- Participated in San Mateo County MCI Workgroup
- Conducted bladder cancer screenings at SFO
- Supervised Bike Program monitoring and scheduling.
- Maintained PPE readiness.
- Maintained social distancing and deep cleaning of firehouse daily.
- Trained new members in MCI and San Mateo County EMS protocols.
- Conducted Refresher training for Zoll Lucas Device

Report to the Commission

Division of Training

SFFD Division of Training

Division Update January 1 to January 31, 2023

ADC Shayne Kaialoa

Meetings/Exercises/Training Attended:

- Participated in the regular Fire Commission, CD1 Staff, FIREScope Operations Team meetings.
- Participated in the pre-storm sandbag distribution meeting to discuss satellite distribution sites, sandbag counts, needs, and procurement options.
- Attended the Emergency Operations Center briefing in preparation for storm related incidents throughout the City and County.
- Attended several CAL OES Severe Weather Briefings
- Coordinated with CAL OES to staff a SFFD Type 6 engine strike team to pre-position in the City and County of San Francisco for storm-related response. This team responded to over 100 emergency responses during their three-day deployment.
- Conducted a SFFD DetecTogether, Cancer Foundation, Health, and Safety meeting to coordinate a cancer training initiative.
- Conducted a meeting with vendors and instructors to deliver Fire Investigator, Inspector, and Planning courses for the SFFD.
- Delivered an address to the 131st Academy Family Orientation and the first day of the academy.
- Represented the Department as the Operations Section Chief within the Emergency Operations Center along with chiefs Arteseros, Luttrup, and Rabbit.
- Participated in several Fire Training Facility Planning meetings with Chief Luttrup, project manager, design, construction, and DPH teams.
- Attended a Financial Wellness meeting to discuss collaboration and training for our members in financial wellness with Health and Safety Chief Alba, Captain Buren and Labor.
- Participated in a Battalion Chief development meeting with Model Netics and chiefs Postel, and Buford.
- Attended the UASI Training and Exercise Work Group to discuss training throughout the region and to advocate for the SFFD training needs.
- Attended the Chinese NY Mini Procession Parade, Chinese New Year Day and Choy Sun Doe Day Ceremony, Dr. Martin Luther King, Jr. March, and The Mayors Lunar New Year Celebration.
- Participated in a third planning meeting with Lt. John Silva, director of the Cancer Foundation, Capt. Heather Buren of the United Fire Service Women (UFSW), and Heather Maykel of DetecTogether to discuss the upcoming Gallery cancer screening, DetecTogether, and 30-in-30-out initiatives and prepare a message to the field. A video message was sent on 1/31/2023.

Recruit Training

- Enrolled 53 recruits in the 131st Recruit Class
- Held 131st Recruit Class Orientation and Family day on January 7, 2023.
- Held meeting between Diversity Inclusion and Equity Office (DEI) and academy instructor; DEI to assist any recruits struggling during the Academy
- Assigned an Instructor mentor to each Recruit; each instructor has 4-5 recruits
- Began physical training with a 2-mile run and exercises.
- Distributed weekly Physical Training Plan to Recruits.
- Held 2 Saturday practices; 90% attendance rate.
- Conducted practice of Suppression and EMS skills available (before and after hours)

131st Academy began the TOWER on January 18

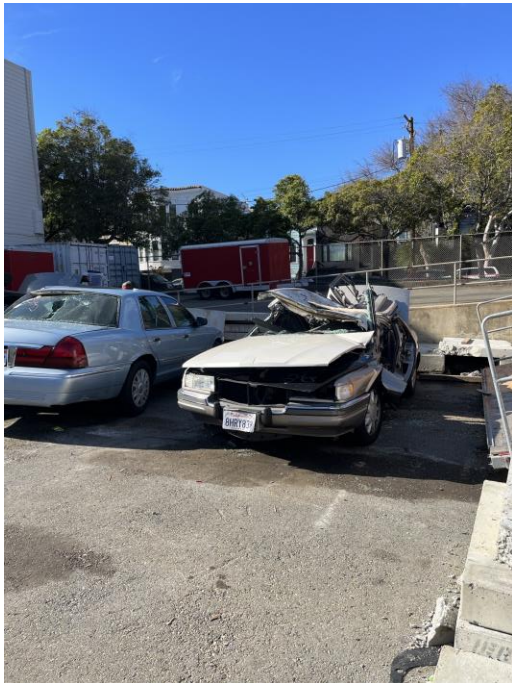

- Structural PPE Donning and Doffing
- SCBA Donning and Doffing
- SCBA Daily Operational Check
- 22'ft Straight Ladder (Flat raise)
- 24'ft Straight Ladder (Beam raise)
- Extinguishers
- Basic Knots
- High Rise bundle

Auto Extrication Drills

- General Order 20 A-83 states that every Saturday one Truck Company and one Rescue Squad must report to the Division of Training for a Saturday Auto Extrication Drills. There is a schedule of which companies are due.
- There were 4 scheduled training days in the month of January 2023 at the Folsom Street Campus
- The following Companies were due to attend training this month with modifications and social distancing measures in place:
 - 1/7/23 Truck 10, Rescue Squad 1
 - 1/9/23 Truck 11, Rescue Squad 2
 - 1/21/23 Truck 12, Rescue Squad 1
 - 1/28/23 Truck 13, Rescue Squad 1
- Extrication vehicles will be designated with Truck identifier and date of scheduled training. Each Truck gets half a vehicle leaving one vehicle for impromptu training on a first come first serve basis.

Suppression In-Service Drills and Instruction

| DRILLS AND INSTRUCTION | MEMBERS TRAINED | TRAINING HOURS RECEIVED* |
|------------------------|-----------------|--------------------------|
| Live Fire/Module | 22 | 66 |
| Peaked Roof Operations | 25 | 50 |
| SCBA Test | 5 | 1 |
| Ladder Drill | 25 | 50 |
| Hose Lead Drills | 32 | 94 |
| Hazmat | 20 | 320 |
| TOTAL | 129 | 581 |

Online Suppression Training: 1851 hours

Additional Work Performed

- Conducted five “Return to Duty” evaluations
- Constructed/repaired Flat roof Rotary Saw Evolution
- Constructed overhaul prop
- Utilized site for single company ladder, hose and forcible entry drills
- Cleaned and maintained facility
- Conducted module planning

DOT/EMS Academy Drills and Instruction

| OCTOBER DRILLS AND INSTRUCTION | MEMBERS TRAINED | TRAINING HOURS RECEIVED |
|---|------------------------|--------------------------------|
| Basic Life Support (CPR) Provider Recertification Course & Restraint training | 503 | 2012 |
| 131 st H2 Academy EMS Training | 55 | 715 |
| EMS Probationary Testing | 34 | 127 |
| Target Solutions | 2065 | 3594 |
| TOTAL | 2657 | 6448 |

Additional Work Performed

- MMS Division Video work (filming, editing and voice overs)
- EMS Return to Duty Training (8 members)
- Certification/Accreditation Tracking, ALS Licensure Audit
- EMS10 In service
- 9910 Admin & In-Service training
- TEMS training

Probationary Training

- 130th Class began probation on November 18, 2022
 - PX members have been all scheduled for practice drills for aerial, pump, and cones
- 129th Class began probation on June 3, 2022
 - PX members have been all scheduled for practice drills for aerial, pump, and cones

- most members completed six-month testing and began second house assignments; 2 members delayed due to DP
- 128th Recruit Class began probation on December 23, 2021
 - most members completed 1-year testing and re-assigned to VR spots; 3 members delayed due to DP
- Oversaw practice and testing of PX firefighters for Pump/Aerial tests, pre-trip inspections, and hose leads
 - 115 PX members

- Vector Solutions
 - Created assignments for probationary members including Drills and Readings.
 - Created assignments for 131st Recruit Class on a digital platform
 - Reviewed Evaluations platform from Vector to assess its training benefits.

Neighborhood Response Team (NERT)

NERT is a free training program for individuals, neighborhood groups and community-based organizations in San Francisco. Through this program, individuals will learn the basics of personal preparedness and prevention. The training also includes hands-on disaster skills that will help individuals respond to a personal emergency as well as act as members of a neighborhood response team.

San Francisco is made up of many neighborhoods. NERT trains San Francisco residents to be one ready community when it counts. Together NERT can create a lifeline between your family and neighbors, and the City's emergency responders.

1/11/23, 1/18/23, and 1/25/23: NERT Training Classes 1, 2, 3 for 38 community members.

1/14/23: HAM Training Day for 50 people.

1/17/23: Monthly NERT Advisory Board Meeting

1/21/23: Advanced NERT Training Day

1/23/23: NERT Instructor – Train The Trainer

1/24/23: SF Ready Class

1/25/23: National CERT Conference -Planning Committee

Projects and Short-Term Plans

- NERT Classes 4, 5, and 6
- NERT Recertification Class
- NERT Advanced Training Day with PG&E

Projects and Short-Term Plans

- Create a scaled down NERT train-the trainer class for DOT Instructors who want to teach Classes 1-6.

- Schedule a meeting with NERT Staff, FD Information Technology and the NERT SQL Database architect from Oracle. Goal is to transfer our 20-year-old Microsoft Access Database to a more stable and robust database.
- Maintain ACS equipment at Battalion Stations.
- Clean and reorganize NERT Office.
- Continue updating NERT website and build graduate resources.
- Begin planning for April Citywide Drill

Challenges

- Civilian position not yet filled
- NERT CPR Instructors need to be recertified through SFFD (expiring September 2021 onward)
- Shortage of NERT Instructors; need existing members to teach

San Francisco Fire Auxiliary Reserve Monthly Report
