

San Francisco Fire Department

**Deputy Chief of Administration
Shayne Kaialoa**

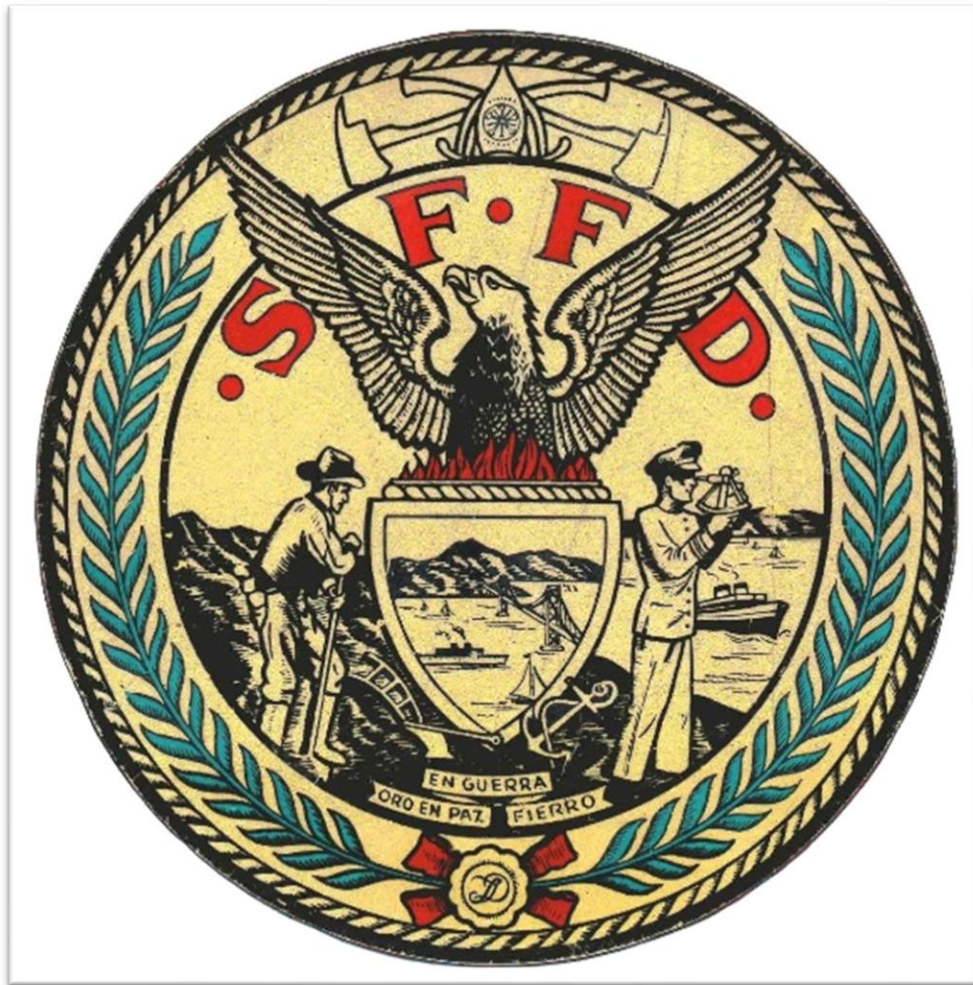

**Fire Commission Report
November/December 2023**

Glossary of Terms

5/5	Out of service/Out of order
300A Form	OSHA Summary of Work-Related Injuries and Illnesses
3807 Event	Injury Report - did not require medical treatment
5020 Event	Injury Report - required medical treatment
ACLS	Advanced Cardiac Life Support
ACS	Auxiliary Communications Service
ADF	Ambulance Deployment Facility
AHIMT	All Hazards Incident Management Team
AOA	Airfield Operating Area (secured airfield area)
APEC	Asia-Pacific Economic Cooperation
ARFF	Aircraft Rescue Firefighting (airport apparatus used on the airfield for fighting aircraft incidents)
AWSS	Auxiliary Water Supply System
BAAQMD	Bay Area Air Quality Management District
BATEP	Bay Area Training & Exercise Program
BAUASI	Bay Area Urban Areas Security Initiative
BBR	Bureau of Building Repair (Department of Public Works)
BHU	Behavioral Health Unit (formerly known as the Stress Unit)
BLS	Basic Life Support
BOE	Bureau of Equipment
BUF	Bureau of Urban Forestry
CA TF3	California Task Force 3 - Urban Search and Rescue
CERS	California Environmental Reporting System
CIRT	Critical Incident Response Team
CJAC	California Fire Fighter Joint Apprenticeship Committee
DBE	Design-Build Entity
DBI	Department of Building Inspection
D & D	Doffing and Donning
DEM	Department of Emergency Management
DOC	Department Operations Center
DOC	Daily Operational Check
DOT	Department of Training
EAP	Event Action Plan for Planned Events
EAP	Employee Assistance Program
EFWS	Emergency Firefighting Water System
EHMR	Elastomeric Half-Mask Respirator
EMS PIP	EMS Performance Improvement Plan
EOC	Emergency Operations Center
EtOH	Ethyl Alcohol
FAR	Federal Aviation Regulations (FAA guidelines for operating)
FDOC	Fire Department Operations Center
FFCCS	Fire Fighter Cancer Cohort Study
HAZWOPER	Hazardous Waste Operations and Emergency Response
HPH	High Pressure Hydrant
HRET	High Reach Extendable Turret (piercing nozzle on ARFF rig)

HSS	Health Service System
IAFF	International Association of Firefighters
IAP	Incident Action Plan
IPSDI	International Public Safety Data Institute
JOC	Job Order Contracting
LARRO	Low Angle Rope Rescue Operational
LODD	Line of Duty Death
MCI	Multi Casualty Incident
MEP	Mechanical, Electrical and Plumbing
MSE	Minor Sidewalk Repair
NCRIC	Northern California Regional Intelligence Center – member of the National
NFA	National Fire Academy
NFORS	National Fire Operations Reporting System
NIOSH	National Institute for Occupational Safety and Health
NTP	Notice to Proceed
OES	Office of Emergency Services
OOS	Out of Service
ORD	Outreach, Recruitment and Development
PSS	Peer Support Team
PX Members	Probationary Members
RC	Rescue Captain
RS	Rescue Squad
SCBA	Self Contained Breathing Apparatus
SFIA	San Francisco International Airport
SPCC	Spill Prevention Control and Countermeasures Plan
SWOT	Strengths, Weaknesses, Opportunities and Threats
TDA	Tractor Drawn Aerials
TITF	Treasure Island Training Facility
USCG	United States Coast Guard
US&R	Urban Search and Rescue
UST	Underground Storage Tank
VAR	Vehicle Acquisition Request
WDO	Working Day Off
WOW	Wellbeing at Work
WMD	Weapons of Mass Destruction

Homeland Security

***Homeland Security
ADC Erica Arteseros Brown
December 2023***

Meetings/ Events/ Training & Exercises Attended

- SFFD
 - CD1 Quarterly Meeting
 - CD1/Homeland Security Division (HS1) Quarterly meeting
 - HS1/CD3 weekly meetings
 - Fire Commission Meeting
 - Tree Lighting
 - Mayor APEC appreciation at ST49

- CCSF
 - Lifelines Council Meeting
 - Regional Transportation
 - Hazards and Climate resilience mitigation actions brainstorming

- Department of Emergency Management (DEM)
 - Winter weather planning/briefing
 - Masonic Fire DEM meeting
 - APEC after Action meeting for DEM EOC

FEMA CA-TF3

- Task Force (TF) Department Points of Contact (POC) in person meeting
- Search Canine Unit
 - Monthly Drills
- Rescue/Hazmat/Logistics/Comms specialists
 - Monthly Drills
 - WHITE team on Standby

Fleet Week

- Fleetweek After-action survey

Urban Area Security Initiative (UASI)

- Emergency Management Working Group Meeting

Incident Management Team Development:

- New Years Eve EAP development

Drone Program

- Awaiting arrival of new drones

NCRIC (Northern California Regional Intelligence Center):

- Lt. Mauberret NCRIC update report
- SAR (suspicious activity report) reporting and review of alerts
- Situational Awareness Distribution to EAP Group

On-going Coordination/Projects:

- Disaster Manual updates & Disaster Checklist Project ongoing- Committee Chair coordination
 - New coordinator chair assigned
 - New post disaster situation status mapping and communication tool planning meeting
- UASI grants management
- FDOC
 - Maintain situational awareness
- SFPD Operational Orders distribution

Activation:

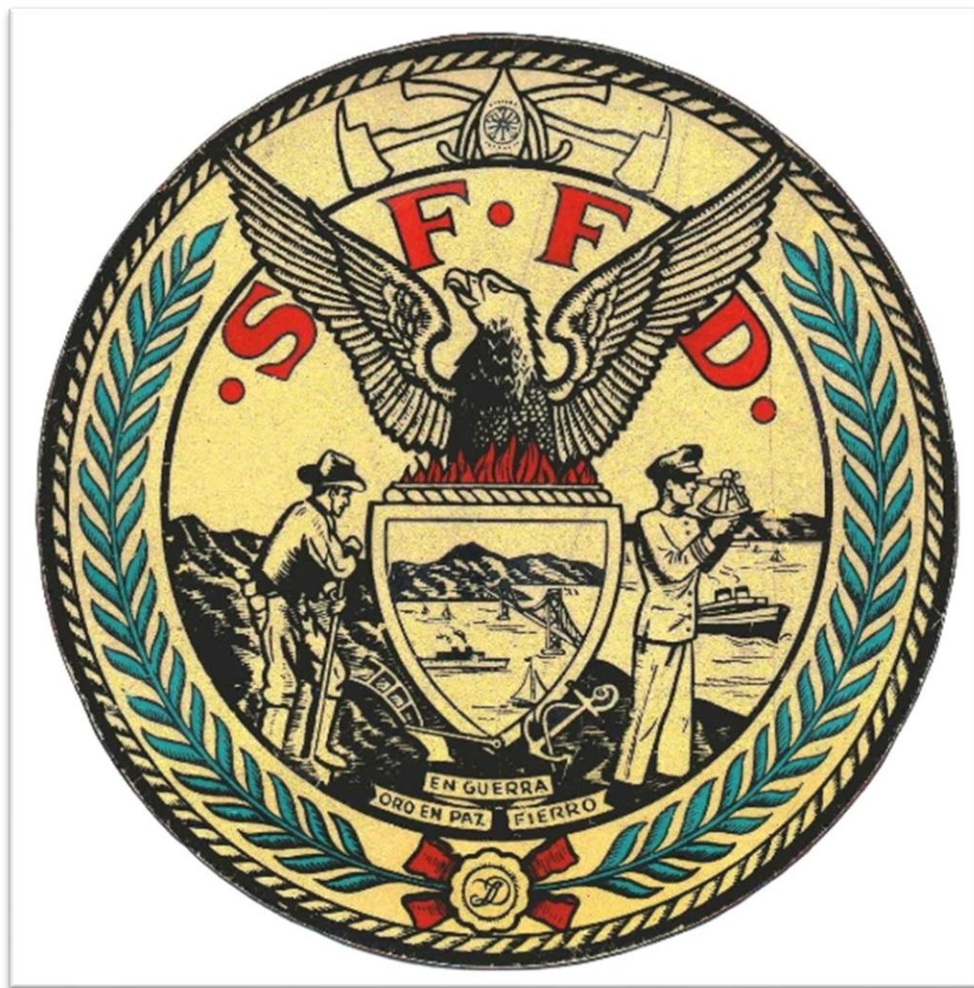

New Years Eve

- Unified Command Post
- SFPD Operations Center liaison

EAP Completed:

- New Years Eve

Diversity, Equity, Inclusion

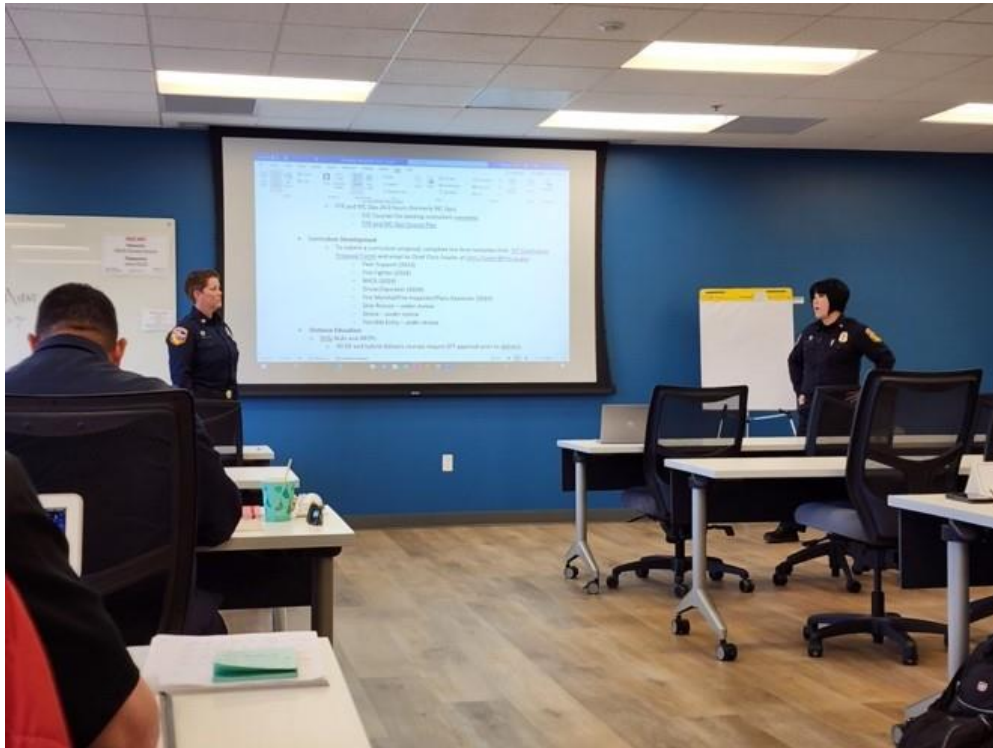

Diversity, Equity, Inclusion Office
ADC Shon Buford

Recent ORD Activity – December 1 through December 31, 2023

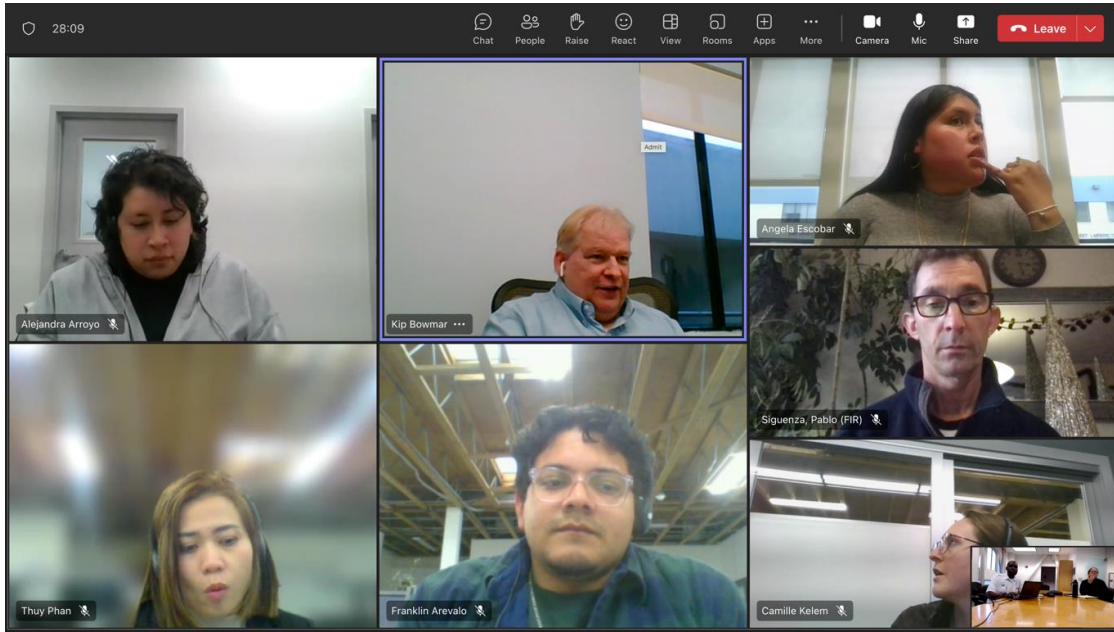

December – Complete onboarding for the 133rd Recruit Academy.

- Conduct 2nd Bootcamp
- Review Bootcamp data and make final selections for the 133rd Recruit Academy.

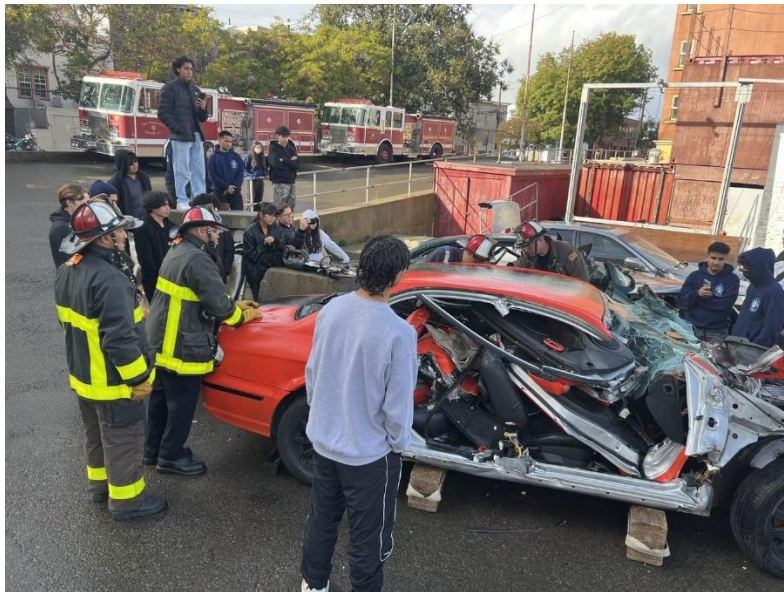

December 1 - Attend Bay Area Public Safety Sector Regional Joint Venture & Regional Director Community of Practice EMS & Fire Programs Meeting at Chabot Las Positas. This meeting was to discuss challenges and upcoming recourses to support programs in Fire and EMS.

December 5 – CCSF Job Fair at Mission Campus. 300 participants in attendance.

December 6 – Meet with the SFCC to plan the upcoming Wildland Training. Training will take place at TITF in January 2024.

December 7 - Mission High Fire EMS Dual-Enrollment Program. Truck 11 to teach the students about Auto Extrication.

December 8 – Update SFFD H2 & H3 Recruitment Cards.

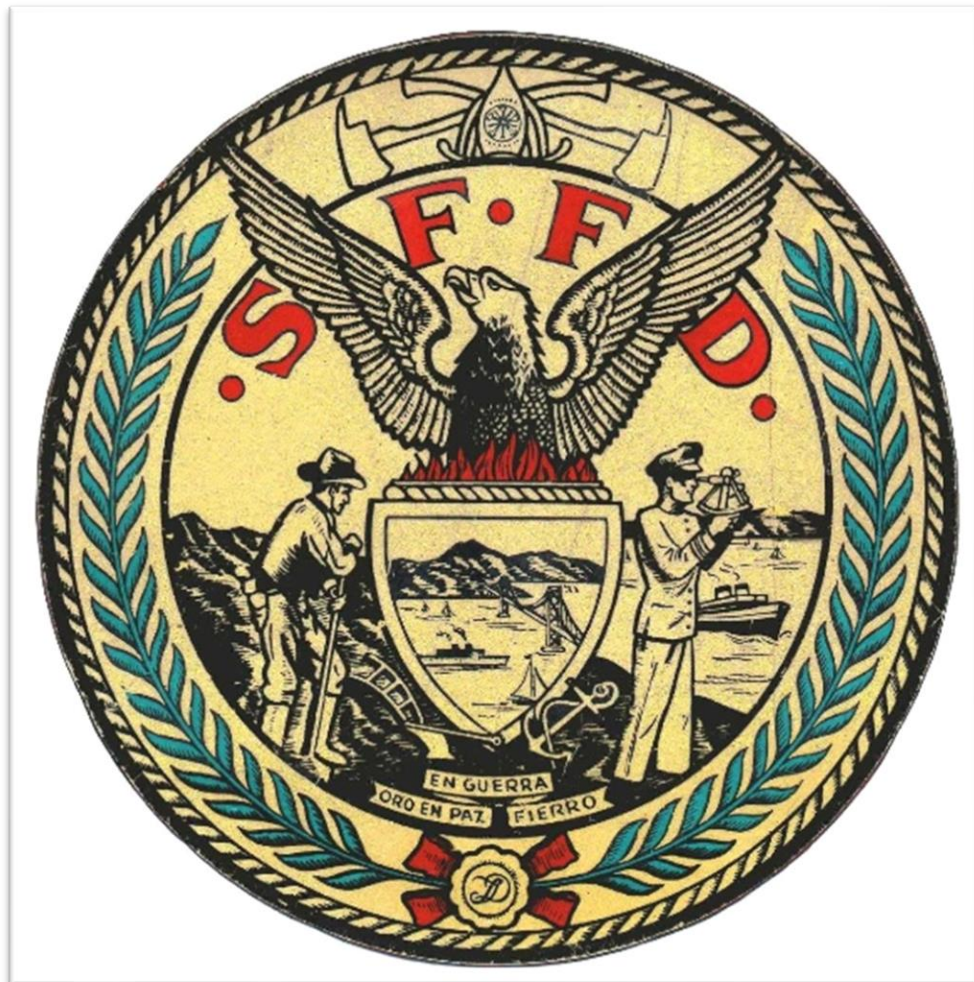

December 18 – San Francisco Conservation Corps Career presentation.
Present to the SFCC career opportunities with San Francisco Fire.
Speak about the Forestry Corps training and wildland opportunities.

December 22 – Close H2 Applications. Request final FCTC SEL. FCTC away for the holidays. Will receive the list in January.

December – Prepare for 134 Recruit Academy.

- Write Panel interview questions.
- Update G.O. for T1 to send out to Department Members
- Complete schedule for Preliminary Panel, Chief's Interviews, Bootcamp, Medicals and Backgrounds.

Health, Safety and Wellness

Health, Safety and Wellness
BC Matthew Alba

Commission Meeting Report for Health, Safety, and Wellness December 2023

Every other Monday: Health & Safety Roundtable
Every Monday: Meet with BHU Captain Buren
Every Tuesday: Meet with Chief Kaialoa
Every 2 Weeks: Working Group on Wildland and WUI Respiratory Protection
3rd Thursday: PEER support & Critical Incident Response Team Meeting
2nd Wednesday: Health & Safety Committee Meeting
3rd Wednesday: SF First Responder Peer Support Advisory Committee
3rd Thursday: San Francisco Firefighters Cancer Prevention Monthly Meeting
4x/year: Fire Fighter Cohort Cancer Study: Women Firefighters Quarterly Meeting

- **Cancer Champions**
 - January is FF Cancer Awareness Month – Sent an email on Best Practices to reduce toxins in the firehouse.
 - Plan on sending out weekly updates to the field about Cancer Awareness and identification of sources of cancer both in the firehouse and on the fire ground.
- **Facility Dog Handler Interviews**
 - Nicholas Brady was selected as the new FDH.
 - Nicholas is currently assigned to Dispatch (DEM) and he is expected to pick up of **Trooper** in a January/February
- **IAFF Study PFAS Free Turnouts from Fire-Dex & Lion**
 - Durable Water Repellent is wax based instead of PFAS
 - Moisture barrier will be Stedfast, ‘Stedair Clear’ instead of PFAS
 - There are a total of 5 cities participating:
 - Miami, FL
 - Denver, CO
 - San Francisco, CA
 - Prince George’s County, MD
 - Ottawa, ON
 - SFFD will be conducting the trial wear test for a minimum of 60 days and a maximum of 90 days
 - Fire-Dex has already sized the members participating, Lion is finalizing sizing and then the trial will start.
- **Elimination of “Under Carriage” during Tri-Annual Inspections**
 - Reference CD3 Memo 24-01 “Undercarriage Cleaning”
 - We won’t be unnecessarily exposing our brothers & Sisters to diesel exhaust, diesel particulates, and other KNOWN carcinogens! A huge leap forward for the prevention of cancer in our members.

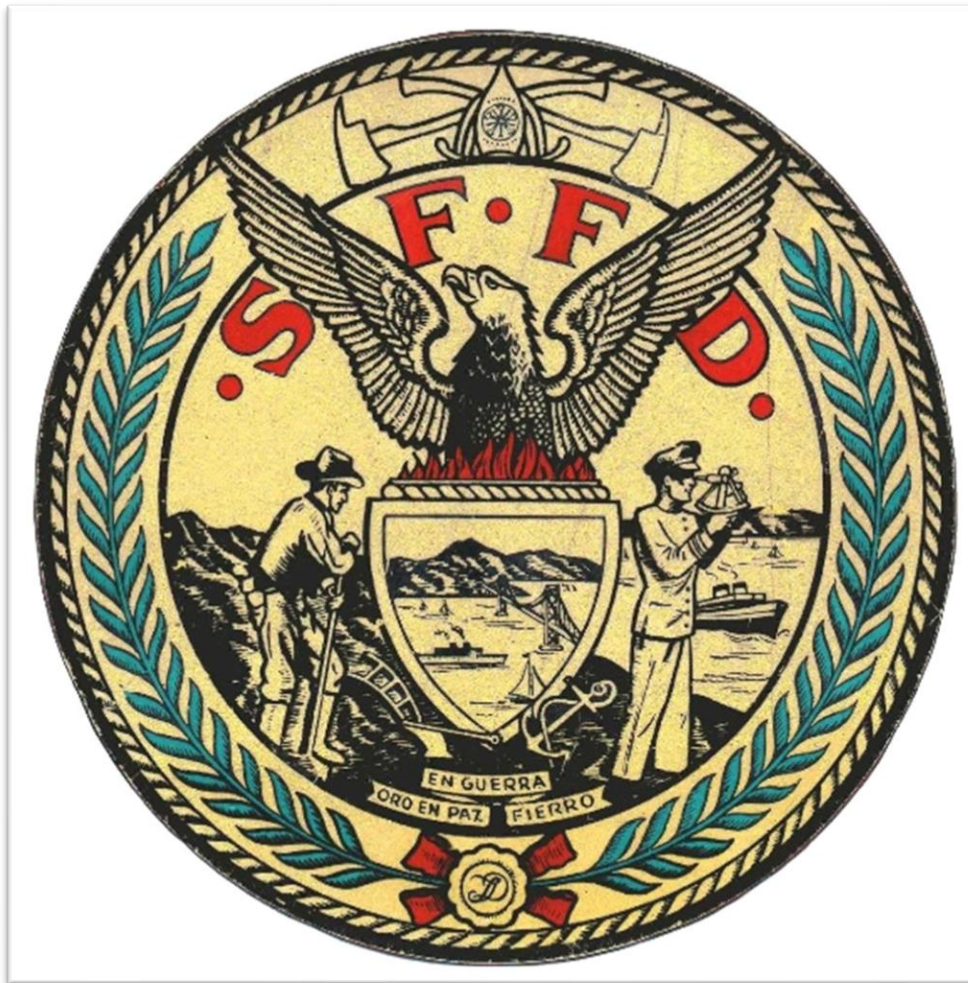

- **The San Francisco Firefighters Cancer Prevention Foundation is funding a study of Sulforaphane and its effects on Firefighters**
 - **Project Goal:**
 - The overarching goal of this sub-study is to pilot sulforaphane administration in the fire service and to investigate whether there are epigenetic differences in firefighters that take this supplement for 6 months.
 - **Project Specific Aims:**
 - **Aim 1: Collect data from firefighters before and after sulforaphane supplementation.** We will enroll 50 SFFD firefighters into the FFCCS, and they will be provided with daily sulforaphane supplementation (15 mg/day via Broc Shot). We will collect information from firefighters again after 6 months. Study visits will consist of the baseline FFCCS survey, additional questions on supplementation, and the standard biospecimen collection.
 - **Aim 2: Epigenetic analyses.** The EPIC array will be used to profile DNA methylation in blood leukocyte samples collected at enrollment and follow-up. From these data, we will: a) compare epigenetic age acceleration over time and b) DNA methylation at genes known to be responsive to firefighting exposures and/or important for cancer risk, inflammation, and oxidative stress. We will also use existing data from LA County firefighters without supplementation to infer which changes are expected over time.
- **Behavioral Health Unit**
 - Debriefing for the 18-year-old fatality on New Year's Eve on Treasure Island
 - Wednesday, January 10th, @ 1600 at Southern Station PD
 - BHU gave a 2 Hour Training to the Family and Recruits of the incoming class on Orientation Night.
 - The BHU is working with our grant writer to fund some much-needed funding to provide training. TRIM Training
 - Trauma Risk Management
 - A system that the military has been using, but it's relatively new to the fire service
 - Used to identify PTSD prior to PTSI
 - The way it's done, it is through the PEER model
 - A Peer will do a formal verbal check in
 - Not meant to replace Debriefing, but to work in conjunction

BHU had 58 members reach out to the unit for assistance with a variety of stress

***Environmental Occupational Health and Safety
Anthony Boone, CIH, CSP, CHMM, CEI
December 2023***

- Conducted Monthly Spill Prevention Control and Countermeasures Plan (SPCC) inspections
- Reviewed Monthly UST inspections
- Attended monthly health and safety meetings
- Continued SCBA and N95 mask fit-updated Chief Mau on status- Over 1000 members fit tested
- Shipped Fit test machine for calibration
- Attended annual HAZWOPER refresher training

Office of Employee Health

*Office of Employee Health
Jennifer Brokaw, MD Supervising Physician
December 2023*

New Hire Screens for 133rd Fire Academy and EMS Academy: 15 (A total of 79 people were screened, the bulk in October/November)

Promotion/Probation: 3

Exams for promotion include urine and saliva drug screening and breathalyzer exam as well as a head-to-toe physical.

Injury and Illness Leave

Period 12/1/23 until 12/31/23

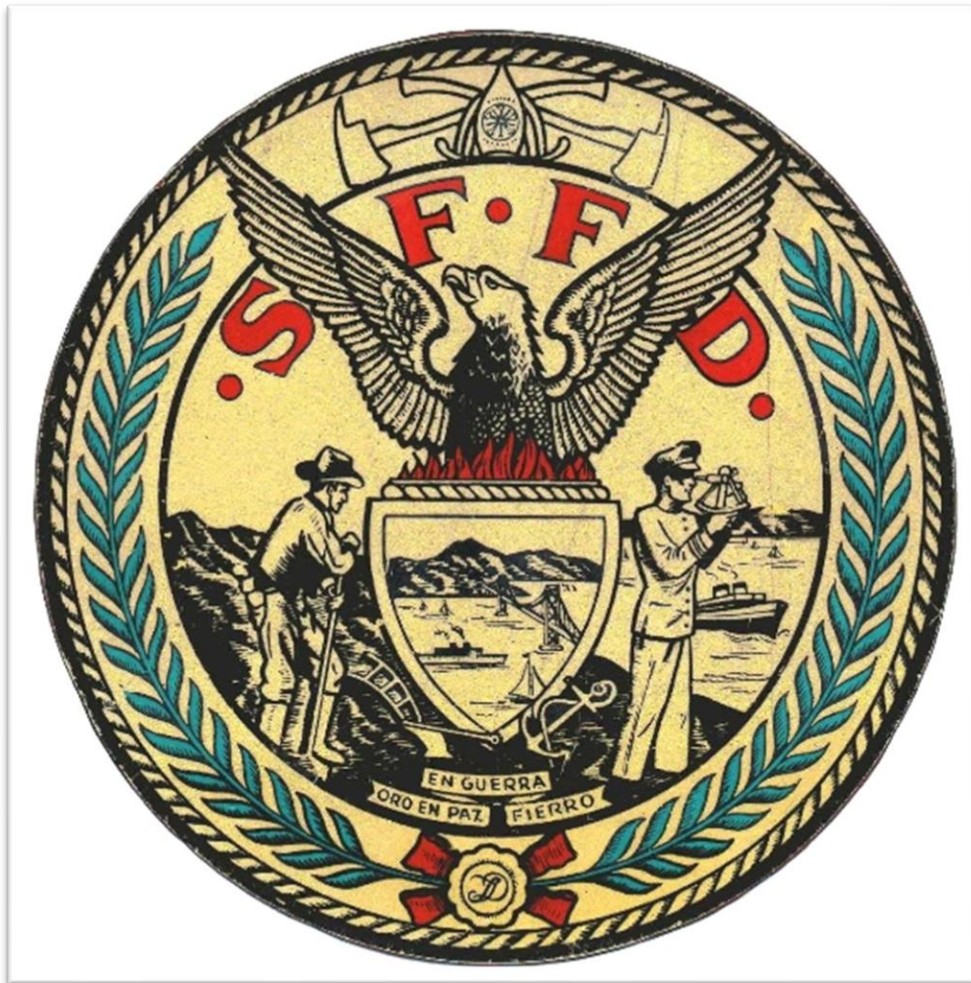

- 54 = Total number of 3807 injuries/illnesses - no medical evaluation
- 64 = Total number of 5020s injuries/illnesses – underwent medical evaluation
- Top three 5020 events:
 1. COVID = 33
 2. Knee = 6
 3. Arm = 4, Back = 4

- 54 = Number of 5020 events that resulted in time off work

Return to Work: Over 50 return to work evaluations were performed in December.

Other Activities: COVID Vaccine Clinics (Moderna updated) were held at Station 49 on 12/4, 12/5 and 12/8. COVID vaccine was also available in the Office of Employee Health. In total, we have given 43 COVID boosters as of Jan 8.

Research and Planning

Research and Planning (Assignment Office)
A/Captain Ed Chu

List of recent activity in the Assignment office for **December 2023**

1. Assignment Office is working with EMS Division and Community Paramedicine for on-going staffing and scheduling.
2. Assignment changes for Fire Suppression, all ranks. For staffing and promotions.
3. Planning for upcoming Holidays staffing, Christmas Eve and Christmas Day mandatories.
4. Scheduling of new and continuing vacation relief personnel for 2024.
5. Scheduling of personnel from the 2024 suppression vacancy bids.
6. Ongoing work with Fire Prevention on staffing and new promotions.
7. Ongoing work with Fire Payroll for discrepancies for every pay period.
8. The EMS WDO-In-Advance continues per General Order 20 A-08. In accordance with the policy, pre-hiring 75% of open ambulance shifts seven days in advance.
9. Continues to assist Physician's Office with assigning personnel to Temporary Modified Duty Positions.
10. Continue new WDO-In-Advance Policy for Suppression members, General Order 21A-64. Pre-hiring of 50% of shortage seven days in advance on Thursday, Friday, Saturday, and Sunday.
11. Continue Mandatory Credit given WDOs for weekends to increase voluntary WDOs.

Investigative Services Bureau

***Investigative Services Bureau
Captain Todd Weddle
December 2023***

Fireboat/BOE DOT Random Testing

The Fireboat testing is now under the random testing program and the names are added to the draw pool daily from Datco Services.

Random Alcohol and Drug Testing Program

The Random Drug and alcohol screening program is in compliance for the month of December. All tests negative. Capt. Weddle is working closely with the Physician's office to ensure that the department is following new Cannabis laws. (AB2188).

Post-Accident Alcohol and Drug Testing Program

Five Post-Accident Alcohol and Drug tests were conducted, results were negative.

Promotional and End-of-Probation Alcohol and Drug Testing Program

Cpt Weddle assisted in providing Drug testing supplies for the Physician's Office for multiple Promotional and End-of-Probation physicals.

Breathalyzers

Capt. Weddle received one Breathalyzer back from Intoximeter that needed to be serviced. Three Breathalyzers are due for factory Recertification/ Recalibration. Capt. Weddle has been in contact with Intoximeter and is waiting for an appointment date(per Intoximeter a appt will be provided by 01/12/2024 by end of business day), due to the fact that Intoximeter has a back order of recert/recalibration of Breathalyzers.

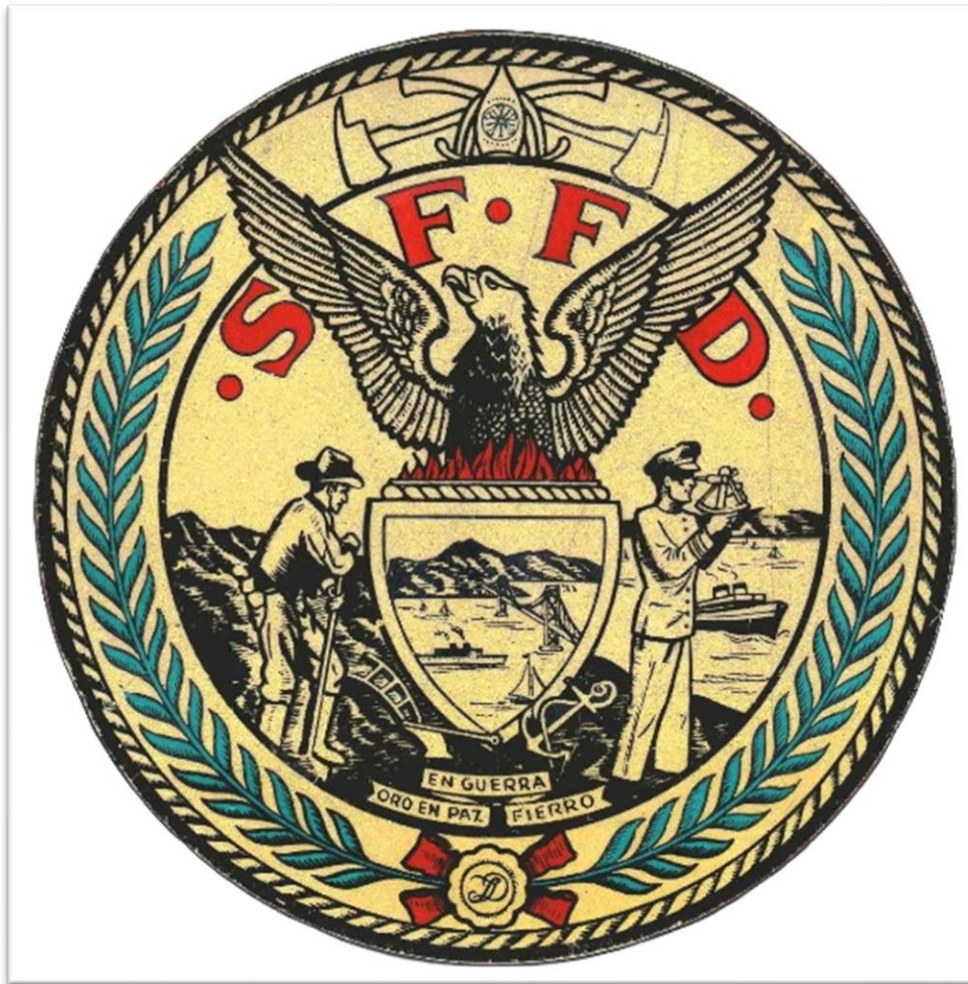

California Driver Licenses

Continued to monitor members driver licenses via California Department of Motor Vehicles Pull Notifications.

Training

Capt. Weddle participated in multiple online classes to become more proficient in using Microsoft programs and apps. Microsoft Teams 100, Excel 100/200, and Microsoft Planner.

Support Services

***Support Services – ADC Michael Mullin
December 2023***

FACILITY MAINTENANCE & PLANNING (June Waechter, SFFD)

- A total of 149 requests for service were initiated during the month of December 2023.
- 169 service orders were completed and closed out in December 2023.

PLUMBING

- Twenty-three (23) service calls were placed to resolve minor plumbing issues (faucet, toilet, urinal repairs; clogged sinks, shower drains) in the month of December 2023. All issues were addressed by SFFD's new plumber.
- Four sewage backups were reported during December 2023 (FS 26, 5, 8 and 31).
- No new water heaters were installed in December 2023 (10 water heaters have been installed since January 1, 2023).

HVAC/HEATING/BOILER

- FS 23: Heater in Officer's Room needs to be replaced including new t-stats, on-off switch. Drying Room needs new heater and exhaust fan. Modifying controls to include timer and on/off switch in or outside Drying Room. Waiting for quote from DPW's Steamfitters Shop for two heaters, one exhaust fan and the necessary control work. *Status Update: Quote received from DPW; in for ADC of Support Service's review.*
- FS 5: Boiler needs new flue to be fabricated by DPW Sheetmetal Shop; after fabrication and installation of new flue, DPW Steamfitters will run new drain and condensate neutralizer. DPW's Steamfitters Shop determined that this work should be reassigned to DPW's Sheet Metal Shop. Waiting for quote for fabrication from Sheet Metal Shop. Quote received from DPW's Sheetmetal Shop; in for ADC of Support Service's review. Scope of Work has been approved by Support Services and material is in procurement. *Status Update: Waiting for work to commence.*
- FS 28: Flushed entire heating system and strainers of fan coil and air handlers; will replace 3 t-stats. Pump was replaced and 2 of the 3 T-stats have been replaced. The last of the 3 T-stats installed in March. New equipment is not syncing with older equipment plus multiple zones with inadequate heat. Additional control valves and thermostats are needed. Quoted 3 days labor plus \$3,000 parts which was approved by ADC Mullin. New thermostats and control valves have been received and need to be installed. Installation scheduled for mid-July. New control module was installed on air handler. T-stats and control valves still need to be added to the 4 heating zones. We are complete with 3 of the control valves and t-stats. Steamfitters need to install 2 more control valves (which were buried in ceiling). All new thermostats and control valves have been replaced. Additional issues remain: HHW pump is making grinding noise and control valves on the roof units are becoming severely compromised by exposure to the elements. DPW proposing to replace one pump and 2 control valves with weather shield for the roofing units. Waiting for equipment and labor cost estimate. The new pump and valves with the weather shield comes to \$4,600 installation will take approximately 2 men to install in two days. Waiting for ADC of Support Services approval to proceed. *Status Update: Approved by Support Services. Waiting for parts to be procured.*

- FS 14: New pulleys, motors and belts were installed on the station's exhaust extractor system to improve intake. Fan not performing as designed. A rep from Nederman (manufacturer of the exhaust extractor) came on-site for inspection, and recommended a different exhaust fan for the exhaust extractor. HVAC installation is complete. Nederman exhaust fan had to be replaced and has been ordered; ETA is 3 months. DPW Steamfitters are still waiting for fan procurement. Issued PO to Air Filtration on 5/25/23. Fan expected to be delivered mid-October. New fan has arrived. DPW anticipates swapping out unit will take two men two days of labor to accomplish. *Status Update: Installation anticipated to be completed in January, 2024.*
- FS 22: Re-circ pumps need to be replaced. DPW Steamfitters to conduct walk thru with Support Services then provide estimate for re-pipe. Status Update: Moving forward with estimate for re pipe. *Status Update: Waiting for equipment and labor estimate from DPW Steamfitters.*
- FS 9: ESTIMATES RECEIVED from DPW Steamfitters to replace 3 rooftop HVAC units: \$149,701.72. Submitted approval to DPW/BBR to proceed with work as quoted. *DPW Steamfitters submitted a quote for new equipment on 7/31/23. Status Update: Equipment is due to arrive shortly.*
- FS 17: ESTIMATE RECEIVED to replace Boiler: preliminary estimate \$222,000. Pending approval from Client (SFFD). Deferred until funding is available. *Status Update: installation will be managed and funded through ESER Funds. Re-assigned to ESER PM ADC Miller.*
- FS 13: ESTIMATE RECEIVED for Furnace/Forced air units in dorm; price also includes replacing exiting ductwork: preliminary estimate \$80,000. Awaiting formal ESTIMATE from DPW/BBR. DPW's Steamfitters made a temporary repair, however 2/4 zones have bad heat exchangers and gas is locked out. Troubleshooting is continuing. Unit is working with temporary repair in place. Received estimate for \$104,888.00. Waiting for ADC of Support Services to approve quote. *Status Update: Approved by Support Services. Waiting for labor availability.*
- FS 26: ESTIMATE RECEIVED for Furnace/Forced air units: \$137,211.66. Submitted approval to DPW/BBR to proceed with work as quoted. DPW Steamfitters submitted quote for equipment on 7/31/23. Waiting for PO. Heating units have arrived. Demo will be scheduled with DPW Sheet Metal and the SFFD. Waiting on DPW Steamfitter's availability. *Status Update: Equipment delivered to rooftop of Station. Waiting for ductwork to be fabricated.*
- FS 11: Dorm heater not working. DPW Steamfitters will replace leaking valves and try to fix leak on unit. Proposes that unit may need to be replaced if leak persists. There were multiple leaks, which included the valves which were replaced, however the unit still leaks. Unit valved off and put out of service. DPW to quote replacement of unit. Estimate new unit may cost approximately \$3,000 and it may take up to 30 hours to demo old unit and install new one. DPW proposal forthcoming. DPW Steamfitters anticipate that a new heater may cost \$8,000. Waiting for quote from DPW Steamfitters. New heating unit will cost approximately \$10,000; anticipate 2 men will take 2 days to install. ADC of Support Services approved informal quote; unit due to arrive in December 2023. *Status Update: Installation complete.*
- FS 12: Boiler re-pipe proposal. Received revised quote from DPW Steamfitters \$72,025.26. Waiting for ADC of Support Services to approve quote. *Status Update: Approved by Support Services. Waiting for labor availability.*

- FS 41: Boiler controls proposal. Received revised quote from DPW Steamfitters \$ 23,559.83. Waiting for ADC of Support Services to approve quote. *Status Update: Approved by Support Services. Waiting for labor availability.*
- FS 1: AC inoperable. DPW Steamfitters discovered a leak at the evaporator. Installed isolation valves. Ordered new evaporator. DPW Steamfitters will follow up with Vendor for ETA. System is back up and running but the one zone needs to be replaced. *Status Update: Work completed; unit returned to service.*

CEMENT/ASPHALT

One cement/asphalt issue pending: FS 6. Deferred until August when this FY's budget is defined. Received a price quote to repair the apron at FS 6. Will process purchase order. Purchase order issued to vendor. Waiting for start date. *Status Update: Work completed.*

EXHAUST EXTRACTORS

FS 34, 23, 2 (2), 17, 1, 12 and 42 reported issues with station's exhaust extractor. *Status Update: Repairs completed and all have been returned to service.*

GENERATORS

Continued with scheduling and performing annual maintenance service and load bank testing on the following station generators:
1415 Evans Avenue, TI Training, FS 24 and 32 have been completed.

GLASS/WINDOWS/SCREENS

Requested estimate from DPW to replace windows at FS 43. Received estimate from DPW Glass Shop (\$9,833.70 for Officer's Windows). ADC Serrano to discuss scope of materials with DPW Glass Shop before approval. ADC Serrano approved estimate; advised DPW Glass Shop okay to proceed. Waiting on start date to be determined. Vendor has advised that windows should arrive in the third week in October. Windows arrived; DPW Glass Shop installed windows in RCs Room, however was pulled off of job for APEC obligations. Will return when APEC obligations are completed. *Status Update: Work completed.*

CARPENTRY

No major carpentry issues were reported.

ELECTRICAL

No major electrical issues were reported.

LANDSCAPING

Requested DPW/Bureau of Forestry to perform site inspection of the trees surrounding FS 10 (over 80 trees in total) to determine if any were diseased, at risk of toppling, etc. Site inspection was performed; waiting for a written report on findings but nothing needed immediate attention. A site visit with BUF on May 11th revealed that several trees need significant pruning and thinning. Waiting for written estimate for tree trimming. Received estimate to remove large overlapping branches that overhang station parking lot, back of building plus work to include elevating branches over sidewalk and parking spaces: Crew of 5 for 3 days \$20,959.34. All 80 plus trees are within the Fire

Department's property line and are not funded for maintenance through the Public Works Street Tree SF Program, therefore, we are responsible for all maintenance. Forwarded estimate to CFO to schedule work for next fiscal year. Next trim should be scheduled within the next 3-5 years. ADC of Support Services will meet with CFO in August to discuss this FY's budget and determine how to proceed. Project on hold as other more pressing issues must take precedence. *Status Update: Received approval for funding. Waiting for labor availability.*

1415 Evans Ave: Requested that DPW/Bureau of Forestry perform inspection of large tree in the yard that had suffered some wind damage to its branches. Site inspection was performed by BUF on May 11th. Waiting for written report from BUF on findings, however the tree was not at risk of uprooting or needed immediate attention. Received estimate for \$3,341.30. On hold for now as other more pressing issues must take precedence. *Status Update: Received approval for funding. Work completed.*

PAINT

No major paint issues were reported.

PEST MANAGEMENT

No major pest management issues

E.S.E.R.—Emergency Firefighting Water System (EFWS), SFPUC

- Clarendon Supply EFWS Pipeline – Construction contract continued. Expect completion February 2024.
- Fireboat Manifold – Planning for new pipeline and fireboat manifold near Fort Mason Pier 2 and Pier 35.5 for fire suppression continued. For Fort Mason, geo-archeological and geotechnical investigation were completed October and November 2023 respectively. Draft reports are currently being reviewed.
- Vicente EFWS Pipeline – Construction contract continued.
- Potable Emergency Firefighting Water System (PEFWS) project – Continued design for Contract A from Lake Merced Pump Station to Sloat Blvd/19th Ave. Conducted 35% stakeholder review.

E.S.E.R. BOND 2010 NFS – Updates through December 2023

Additional Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Emergency Generators:

- Fire Station 14 – Scope of work: replacement of existing generator with new rooftop generator, new subgrade fuel fill port at the sidewalk in front of the station, and new fuel piping from sidewalk to generator.
 - SFFD has requested investigation into code allowances for redesign to eliminate fuel piping scope and replacement of the existing generator at grade. A meeting with the BOA led team and the Fire Marshal will be scheduled.
 - Building Permit issued on 6/17/21.
 - 8/23/23 SFFD directed this project to return to hold status due to emerging priorities.

E.S.E.R. BOND 2014 NFS – Updates through December 2023

Seismic Improvement Program (Magdalena Ryor, San Francisco Public Works): • Fireboat Station 35 (\$50.5M) – Certificate of Final Completion was issued on November 11, 2022. Final Payment Application to Swinerton/Power, JV was approved on 7/10 followed by the final release of retention on 7/12/2022. Project is in the Warranty Period.

- [M. Rossetto] FS35 Security gate enhancement has emerged as a high priority for SFFD. Contractor procurement is underway with the construction NTP anticipated in January 2024. The contractor will be required to obtain permits from BCDC and the Port.

Observation Deck – Art Sculpture (Photo: 2/18/22)

Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Total Funding allocated for the Focused Scope Program is \$21,407,279, approved by SFFD on 8/17/17. Work is complete in 8 of 9 of the Focused Scope categories comprising Roofing, Apparatus Bay Door Replacements, Exterior Envelope Improvements, Windows, Showers, HVAC/Mechanical, Sidewalk/Slabs, and Security Access Control. Work continues to progress through the last scope category, Generator Replacements.

Emergency Generators:

- **FS 2** – Scope of work: replace existing rooftop generator set, structurally strengthen roof structure to support new fuel tank with capacity for 72-hour run time and provide new fuel fill port and piping to generator.

- This project is complete.
- **FS 19** – Scope of work: replace existing generator at grade and replace main electrical panel.
 - Job Order Contract (JOC) has been approved for MIK Construction with the construction NTP anticipated in January 2024.

Exterior Envelope:

- **Package 1 (FS 8, 20, 23, 29)** – FS 8, 20, and 29 are complete; Note that on 1/15/21, SFFD requested a hold on FS 23 painting due to other priorities.
- **Package 2 (FS 24, 34)** – This project remains on HOLD initially placed at the request of Capital Planning in order to provide supplemental funding to the Police TC&FSD project. It is now expected that those funds will be returned to the SFFD for allocation to a priority project, possibly FS24 and/or FS34.
- FS 17 & 31 Exterior Envelopes were requested as new projects by SFFD in August 2023, both as lower priorities.

Miscellaneous:

FS35 Security Fence Enhancements, FS17 Boiler Replacement & FS 29 Apparatus Bay Door Replacement were requested as new projects by SFFD in August 2023. These are ranked as the highest priority (most urgent) projects after the Network Modernization project.

- **FS 35** – See Fireboat Station 35 description.
- **FS 17** – ON HOLD per SFFD 12/12/23 email. DPW & hazardous materials survey consultant performed a site visit on 10/20/23. The consultant fee has been approved and is being processed to begin survey work. DPW-BBR has revised their fee proposal to provide demolition and construction. Project initiation procedures (RAMS, SAR) are underway.
- **FS 29** – DPW-BOA drawings & spec updates completed in December 2023. Project initiation procedures (RAMS, SAR) are underway.

Network Modernization Project (Michael Rossetto, San Francisco Public Works):

Survey existing network infrastructure and document recommended improvements at all fire stations. The first surveys were performed on 1/17/23 at FS 29 and 37. Additional surveys and documentation have occurred at fire stations:

- 1/17/23: Fire Stations 29 and 37.
- 3/7/23: Fire Stations 25, 17, 49 (ADF), 9, and BOE at 1415 Evans.
- 4/4/23: Fire Stations 38, 5, 10 and 16
- 4/18/23: Fire Stations No. 7, 2, 28, 41, Chief’s Residence.
- 5/16/23: Fire Stations 3, 32, 42, 44 and BOE at 2501 25th .
- 6/21/23: Fire Stations 20, 39, 19, 15, and 33.
- 7/5/23: Fire Stations 1, 4, 8, 13, and 35
- 7/19/23: Fire Stations 12, 21, 22, and 31
- 8/8/23: Fire Stations 40, 18, 23, 34, 14 and 51

- 9/6/23: Fire Station 48, DOT at Treasure Island and 51 (revisit with Presidio Trust Fire Marshal) and other locations requiring more information.

Survey documentation has been completed by the architectural team and reviews with DT and DPW has also been completed. DPW has met with the Planning Department who has categorized the project as “not a project” which eliminates the need for further review by Planning. This eliminates approximately 3-6 months from the schedule. Architectural drawings & specifications are underway to be used for JOC procurement.

E.S.E.R. BOND 2020 NFS – Updates through December 2023

New Fire Training Facility (Scott Moran, San Francisco Public Works)

Budget: \$275M

Phase: Planning

Schedule:

- Estimated Start of Construction – Fall 2025
- Estimated Substantial Completion – Fall 2028

Highlights:

- In December 2023, SCS Engineers set up environmental monitoring equipment at Treasure Island during several live-fire burns. They are preparing a study to evaluate smoke emissions and model how that would translate to the new site. The goal is to check and re-evaluate the data that was included with the CEQA Mitigated Negative Declaration completed in December 2021, which resulted in the recommendation for a smoke capture system as a mitigation measure on the new site. Based on meetings with SFFD over the last few months, there may have been some significant errors in assumptions and smoke emissions calculations for the CEQA MND. The new study and report are expected to be completed in January 2024.
- The final letter of support from Prologis (neighbor to the west) was received on 12/20/23 for the vacation of Hawes Street. This letter will be submitted, along with the letter from California State Parks (neighbor to the east) received in November, as part of the formal street vacation application in early part of 2024. A follow up meeting with Prologis (neighbor to the west) is being scheduled for early December see if they are willing to support the vacation of Hawes

Street, which adjoins their property. All streets are undeveloped “paper” streets. The application for street vacations will be submitted in December.

- A 65% Concept Design review package was released on 12/22/23. A formal design review is scheduled for January (1/5/24) to clarify and document SFFD feedback and to identify areas needing further coordination and development. The package will then be updated and sent out for estimating towards the end of January.
- Concept Design is currently targeted to complete mid-February 2024.
- RFQ for Construction Manager/General Contractor (CM/GC) with Design-Assist Core Trade Subcontractors has been delayed and is now targeted to be advertised as soon as possible in early 2024.

Fire Station 7 Replacement (San Francisco Public Works)

Budget: Expected budget of the Fire Training Facility does not create funding opportunity for the FS 7 project

Phase: Suspended

Schedule: N/A

Highlights: N/A

P.H.S. BOND 2016 NFS – Updates through December 2023

The total funding allocated for Neighborhood Fire Stations is \$9.1M.

Seismic Improvement Program (Michael Rossetto, San Francisco Public Works):

- **Hose Tower Removal & Roofing (FS 6, 11, 12, 21, 38)** – Complete.
- **Hose Tower Removal & Replacement (FS 15)** – December 2023 JOC fee proposal was received and is in excess of the \$1M threshold. Design-bid-build will be pursued, adding approximately 6 months to the start of construction. SFFD has requested minor design changes with the addition of electrical outlets and a ships ladder in lieu of a vertical ladder to the roof. BOA will be revising the design.

Focused Scope Program (Michael Rossetto, San Francisco Public Works): Emergency

Generators:

- **FS 37 & 44:**
 - Generators are in fabrication. The contractor has indicated that the 64-week lead time may be reduced but is yet to confirm a new delivery date.
 - Project was bid on August 3, 2022; BBJ Electric was the sole bidder. CMD deemed BBJ nonresponsive due to LBE compliance issues, but on September 6, 2022, CMD issued a compliance memo that BBJ had remedied their LBE requirements.
 - On December 16, 2022, the PW Commission awarded this project to BBJ Electric.
 - The award package was sent to BBJ on December 27th .
 - Construction NTP was issued on 3/27/23.
 - The 60kw generator originally specified for FS 37 is no longer compliant, due to a change implemented by the Bay Area Air Quality Management District (BAAQMD). The 80kw generator specified for FS 44 is still compliant, so after meeting with SFFD,

the team resubmitted to DBI to change the FS 37 generator to match the 80kw generator. The permit was issued on 9/20/23. The generator orders have been made.

• **FS 18:**

- On 4/13/23 funding was made available by way of reallocation of funds back to PHS NFS from PHS ADF
- An Invitation to Bid (or JOC) will be advertised provided DPW-BSSR declines the work., PW Regulatory Affairs (RA) & Site Assessment & Remediation (SAR) work is underway as of October 2023

DEPARTMENT ENGINEERING (Stationary Engineer Avo Sarkissian, SFFD)

- Ongoing and routine maintenance at Fire Stations, HQ and ADF.
- HQ Elevator modernization quote was submitted to CFO for viewing.
- 698 second street needs the gutters waterproofed. Estimates have been obtained and submitted to ADC Mullin for approval.
- We are looking into upgrading the stations underground fuel monitoring panels.
- Station 2 sewage ejector pump upgrade. The units were received but unfortunately, they were incorrect. The correct ones are expected shortly.
- Station 22 ATS emergency generator transfer switch has been replaced.
- Station 17 Boiler replacement cost proposal expected to be received the week of 1/15/24.
- Station 26 HVAC replacement has begun by DPW trades no date has been set for completion.
- Station 9 HVAC replacement units have been received. Work will begin following the completion of Station 26.

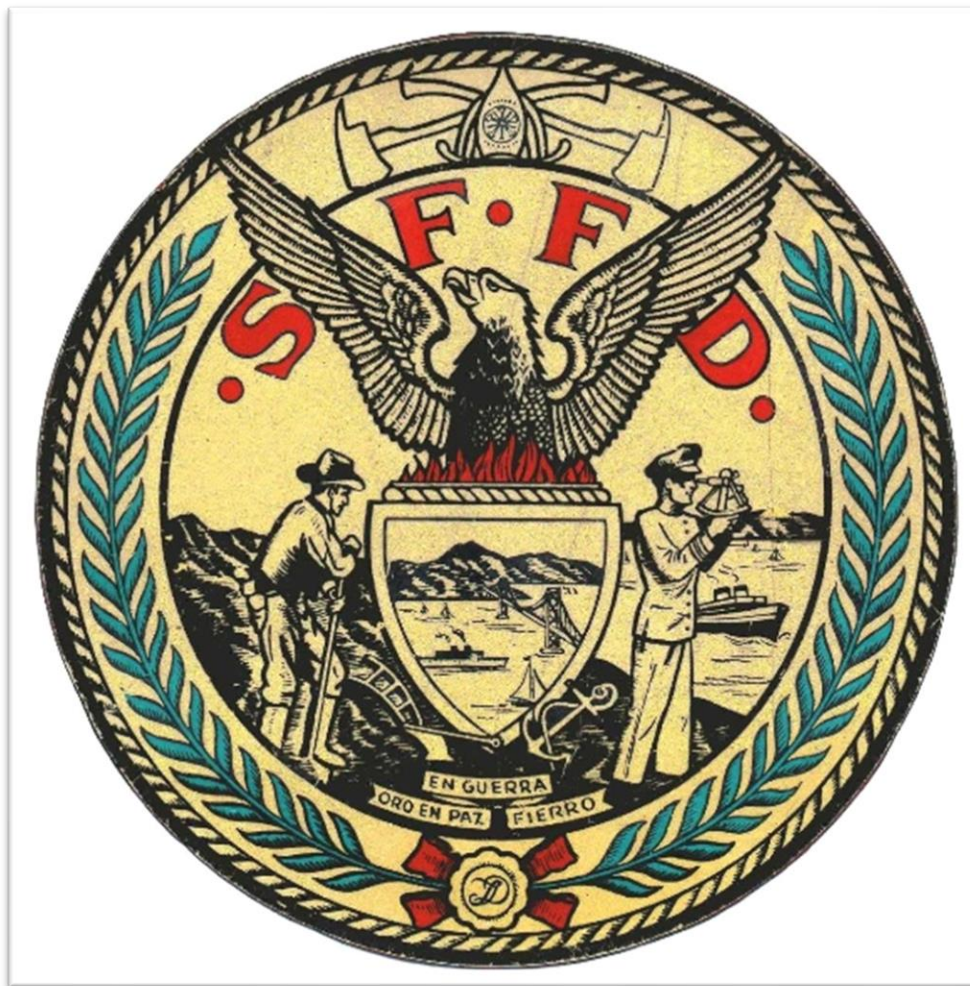

BOE/FLEET MANAGEMENT (Capt. Vince Wong, SFFD)

- 4th Ferrara TDA due for delivery and inspection on January 24th.
- P.O. issued for 1 Rosenbauer TDA – delivery in 600 days
- In process of ordering:
 - 3 Braun Northwest Ambulances
 - 3 Command Vehicles
 - 1 BFI clean-cab Truck
 - 3 BFP sedans
- 6 Community Paramedicine Vans received and in process of upfitting
- P.O. issued for New Hose Tender hose/fittings/equipment

CLOTHING DEPOT (Kevin Day, SFFD)

- Outfitted 58 members of 133rd Px Class with Turnouts, Helmets, Boots, PPE, Jump Suits, Tee Shirts
- Outfitted 5 members of EMS bump-up Academy
- PPE issued- 54
- Clothing vouchers issued- 80

Earthquake Safety and Emergency Response (ESER) Bond

Earthquake Safety and Emergency Response (ESER) Bond
Assistant Deputy Chief Garreth Miller
December 2023

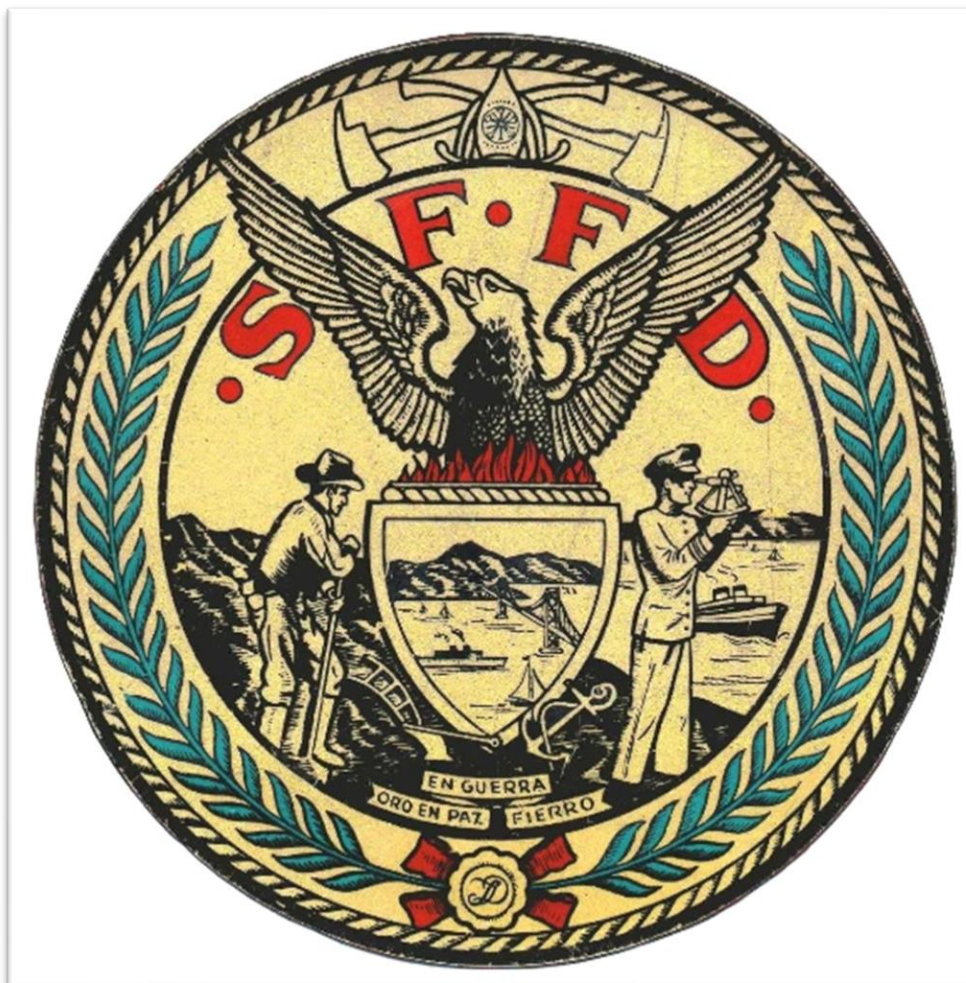

- New SFFD DOT Construction
 - Facilitated SCS Engineers data acquisition and study of air quality during SFFD live fire training – this study is an essential component of CEQA compliance for the new DOT
 - Participated in multiple design meetings and met with SFFD stakeholders to generate SFFD feedback for the design process
 - A Conceptual Site Master Plan was selected by Chief Nicholson - an important milestone, it represents the general location of the primary structures on the site

- Network Improvement Project – This project is behind schedule, currently Public Works is identifying a contractor for the construction component - SFFD is working with the Department of Technology and Public Works to ensure that the project is completed by desired date of October 1, 2024

- Neighborhood Fire Stations –
 - Fire Station 15 Hose Tower Removal – Public Works has received a bid which is higher than anticipated and will likely require an open bid for the project – Public Works is evaluating the next step

- Potable Emergency Firefighting Water System
 - Attended PUC PEFW Hydraulic Explanation
 - Attended 35% Design Review for Contract A, pipeline section from Lake Merced to Sloat and 19th Ave.
 - Project Estimates per mile of pipe installation have gone from \$15 million to \$43 million

Leaves of Absence without Pay

Submitting requests for leaves of absence without pay for the period from November 2023 through October 2024 for the following:

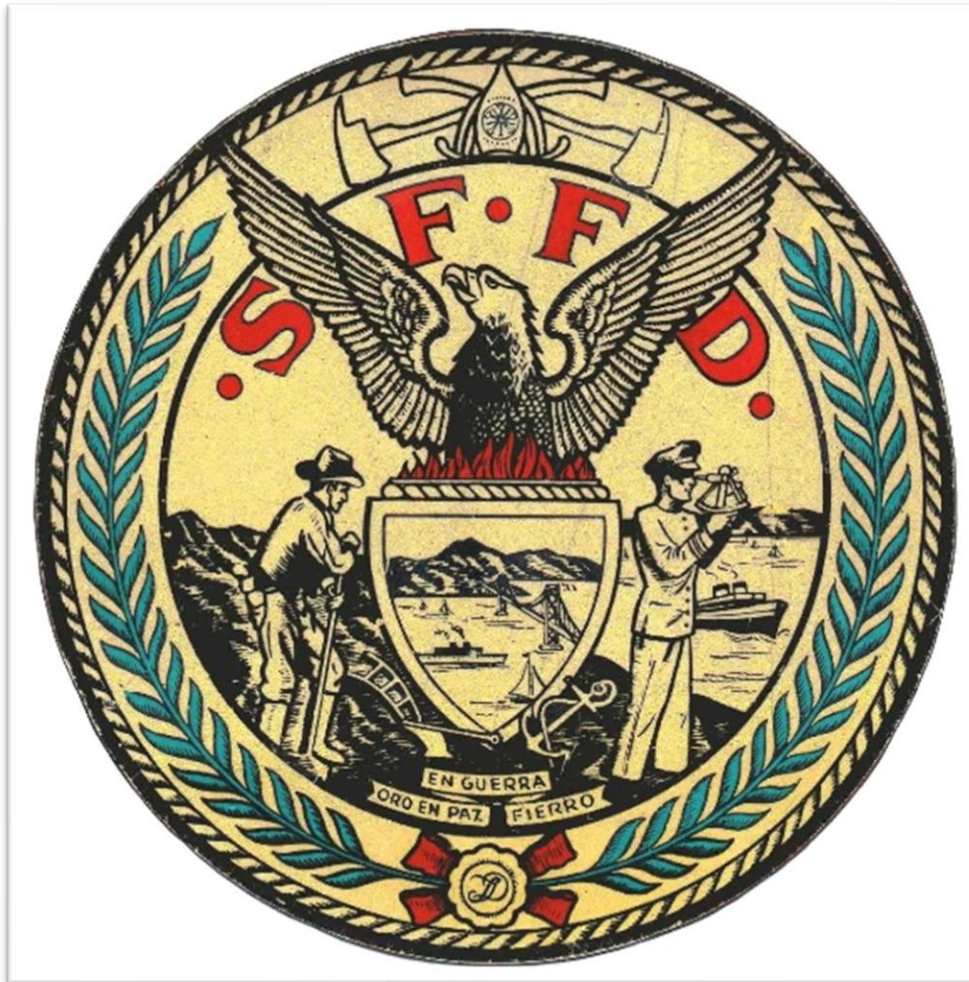

<i>No. of Members</i>	<i>Rank</i>	<i>Total Amount of Leave (Days)</i>	
1	H3 EMT/PM/FF PM	1	
3	H2 Firefighter	108	
	Total Number of Days without Pay	109	

Intermittent Leave without Pay

Submitting requests for intermittent leaves without pay for the time period from December 27, 2023 through February 1, 2024 for the following:

<i>No. of Members</i>	<i>Rank</i>	<i>Dates of Leave</i>	
1	H3 EMT/PM/FF PM	Dec. 27, 2023	- Feb. 1, 2024

Public Information Office

***Public Information Officer
Capt. Jonathan Baxter
December 2023***

REVOLVING MONTHLY OUTREACH

- Multiple Public Safety announcements were provided throughout the month.
- Engine companies continue to pass fire prevention and education material on calls or the public. This material is now available on our website in multiple languages. To download, visit: www.sf-fire.org
- Coastal Rescue companies continue to give Surf Hazard Education to the community while on calls or while out in public (Targeted to Ocean Beach Area)
- Cliff Rescue units provide rescue and animal safety community outreach in areas like Fort Funston.
- Recruitment efforts continue.
- The "See the Red Lights Pull to the Right" campaign for yielding to emergency vehicles is striking comments from the public regarding what to do when they see an emergency vehicle.
- Bicycle safety messages on social media and public areas promote safe riding habits, wearing helmets, following traffic laws, yielding to pedestrians and emergency vehicles, and more. These efforts are to help reduce bicycle-related accidents and injuries.
- Pedestrian Safety and distracted driver safety messages on social media: "Look don't like" (referring to texting), yield to pedestrians, and share the road with a bicyclist, to name a few.
- Pet safety tips for fire and environment-related issues are placed on social media and shared with media outlets. Examples include: Do not forget your pets when making a home, work escape, or disaster plan."
- Cliff and hiking safety messaging on social media helps reduce falls, entrapments, and rescue incidents.
- Information on the station rebuilds and the ESER 2014 BONDS has been posted on social media to help keep the community informed.
- The Department has joined a national fire Service campaign: "Close your Door before you Doze." These efforts encourage closing bedroom doors at sleep to increase your chances of survival or saving during a fire. The temperature outside a door can be 1000 degrees, and in the bedroom with a closed door, 100 degrees.
- The Department has teamed up with D.E.M. to promote "When to Call 911" campaign to help reduce non-emergency calls to 911.
- The Department worked with SF-Environment to promote fire extinguisher disposal.
- The Department assisted SF-Environment with battery safety information and disposed of them properly. When improperly disposed of, old batteries can cause fires. To learn more, visit: www.sfbatterysafe.org

NOVEMBER-SPECIFIC OUTREACH BY THE PIO

1. Vision Zero topics such as walking, biking, driving
