

San Francisco Fire Department

**Deputy Chief of Administration
Shayne Kaialoa**

**Fire Commission Report
March 2024**

Glossary of Terms

5/5	Out of service/Out of order
300A Form	OSHA Summary of Work-Related Injuries and Illnesses
3807 Event	Injury Report - did not require medical treatment
5020 Event	Injury Report - required medical treatment
ACLS	Advanced Cardiac Life Support
ACS	Auxiliary Communications Service
ADF	Ambulance Deployment Facility
AHIMT	All Hazards Incident Management Team
AOA	Airfield Operating Area (secured airfield area)
APEC	Asia-Pacific Economic Cooperation
ARFF	Aircraft Rescue Firefighting (airport apparatus used on the airfield for fighting aircraft incidents)
AWSS	Auxiliary Water Supply System
BAAQMD	Bay Area Air Quality Management District
BATEP	Bay Area Training & Exercise Program
BAUASI	Bay Area Urban Areas Security Initiative
BBR	Bureau of Building Repair (Department of Public Works)
BHU	Behavioral Health Unit (formerly known as the Stress Unit)
BLS	Basic Life Support
BOE	Bureau of Equipment
BUF	Bureau of Urban Forestry
CA TF3	California Task Force 3 - Urban Search and Rescue
CERS	California Environmental Reporting System
CIRT	Critical Incident Response Team
CJAC	California Fire Fighter Joint Apprenticeship Committee
DBE	Design-Build Entity
DBI	Department of Building Inspection
D & D	Doffing and Donning
DEM	Department of Emergency Management
DOC	Department Operations Center
DOC	Daily Operational Check
DOT	Department of Training
DWC	Division of Workers Compensation
EAP	Event Action Plan for Planned Events
EAP	Employee Assistance Program
EFWS	Emergency Firefighting Water System
HER	Electronic Health Records
EHMR	Elastomeric Half-Mask Respirator
EMS PIP	EMS Performance Improvement Plan
EOC	Emergency Operations Center
EtOH	Ethyl Alcohol
FAR	Federal Aviation Regulations (FAA guidelines for operating)
FDOC	Fire Department Operations Center
FFCCS	Fire Fighter Cancer Cohort Study
HAZWOPER	Hazardous Waste Operations and Emergency Response

HPH	High Pressure Hydrant
HRET	High Reach Extendable Turret (piercing nozzle on ARFF rig)
HSS	Health Service System
IAFF	International Association of Firefighters
IAP	Incident Action Plan
IPSDI	International Public Safety Data Institute
JOC	Job Order Contracting
LARRO	Low Angle Rope Rescue Operational
LODD	Line of Duty Death
MCI	Multi Casualty Incident
MEP	Mechanical, Electrical and Plumbing
MSE	Minor Sidewalk Repair
NCRIC	Northern California Regional Intelligence Center – member of the National
NFA	National Fire Academy
NFORS	National Fire Operations Reporting System
NIOSH	National Institute for Occupational Safety and Health
NTP	Notice to Proceed
OES	Office of Emergency Services
OOS	Out of Service
ORD	Outreach, Recruitment and Development
PSS	Peer Support Team
PX Members	Probationary Members
RC	Rescue Captain
RS	Rescue Squad
SCBA	Self Contained Breathing Apparatus
SFIA	San Francisco International Airport
SPCC	Spill Prevention Control and Countermeasures Plan
SWOT	Strengths, Weaknesses, Opportunities and Threats
TDA	Tractor Drawn Aerials
TITF	Treasure Island Training Facility
USCG	United States Coast Guard
US&R	Urban Search and Rescue
UST	Underground Storage Tank
VAR	Vehicle Acquisition Request
WDO	Working Day Off
WOW	Wellbeing at Work
WMD	Weapons of Mass Destruction

Homeland Security

***Homeland Security
ADC Erica Arteseros Brown
March 2024***

Meetings/ Events/ Training & Exercises Attended

- SFFD
 - CD1 High Level meeting
 - CD1/HS1 Quarterly one-on-one meeting
 - HS1/CD3 weekly meetings
 - ADC Coordination Meeting
 - Fire Commission Meetings
 - St. Patrick's Day Parade

- Training & Exercise
 - STC Full Scale Hazmat Drill Final Planning Meeting
 - STC Exercise internal SFFD planning meeting
 - Heat/Air Quality response table top final planning meeting

- CCSF
 - St Patrick's Day Parade event planning meeting
 - Office of Small Business fire permit process meeting
 - Lifelines Council meeting – preparedness stakeholder plan presentation from SFO leadership

- NorCal Incident Management Team Working Group (AHIMT)
 - IMT Exercise

- Department of Emergency Management (DEM)
 - Emergency Operations credentialing task force meeting
 - Logistics Annex Plan meeting

FEMA CA-TF3

- Search Canine Unit
 - Monthly Drills
- Rescue/Hazmat/Logistics/Comms specialists
 - Monthly drills
 - BLUE team on standby

IMT/Mutual Aid/Disaster

- Disaster Committee Leads meeting

Fleet Week

- USNS Harvey Milk Ship visit planning meeting and final planning meeting and pier walkthrough
- USNS Harvey Milk Ship event

Urban Area Security Initiative (UASI)

- HSEC grant Core City funding meeting
- Approval Authority pre-panning meeting
- Approval Authority Meeting
- Emergency Management Workgroup meeting

Incident Management Team Development:

- Superbowl planning and EAP development
- Planning and EAP development for Chinese Lunar New Year Parade

Drone Program

Awaiting arrival of new drones

NCRIC (Northern California Regional Intelligence Center):

- Lt. Mauberret NCRIC update report
- SAR (suspicious activity report) reporting and review of alerts
- Situational Awareness Distribution to EAP Group

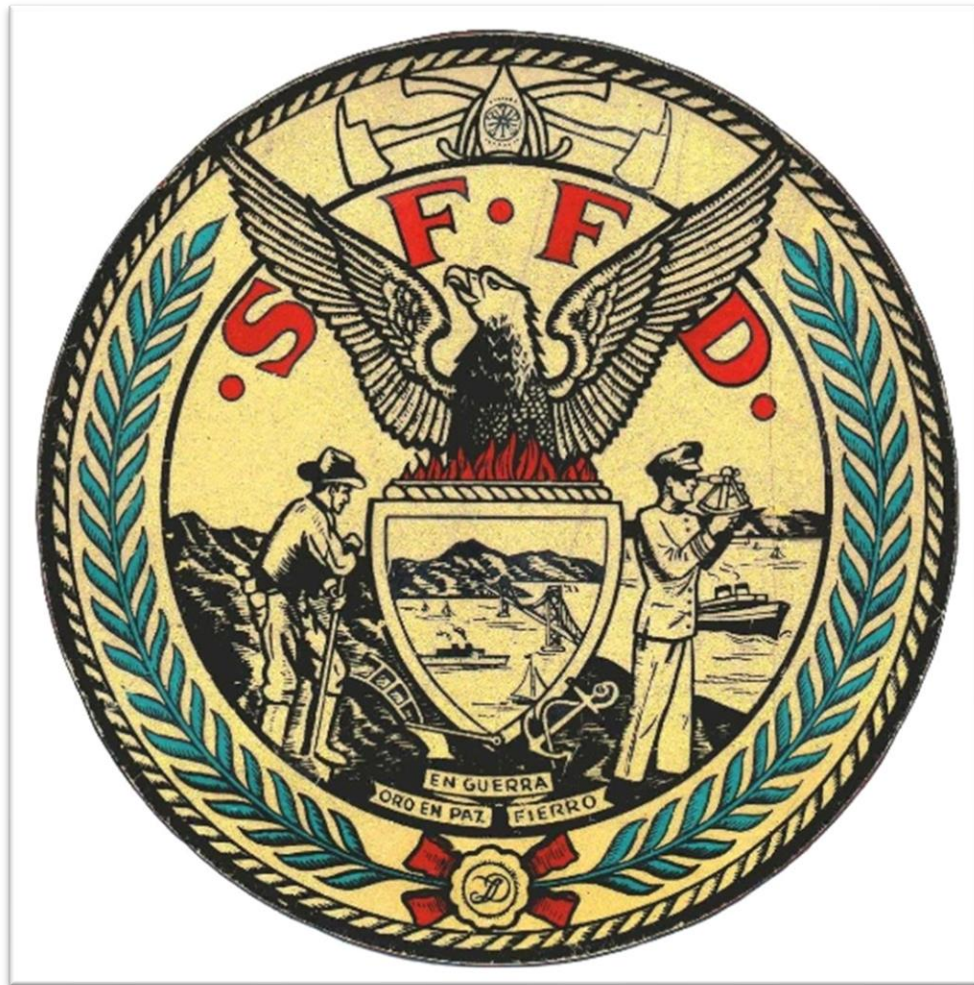

On-going Coordination/Projects:

- Disaster Manual updates & Disaster Checklist Project ongoing- Committee Chair coordination
 - New post disaster situation status mapping development meeting
- UASI grants management
- FDOC
 - Maintain situational awareness
 - Update with Hector from MIS to provide satellite phone capability in Fire Department Operations Center (FDOC)
- SFPD Operational Orders distribution

EAP Completed:

- St. Patrick's Day Parade and celebration

Diversity, Equity, Inclusion

Diversity, Equity, Inclusion Office
ADC Shon Buford
March 2024

- Attended Earth day Kickoff on the Mayor's Balcony where Commissioner Collins' Daughter was recognized for her environmental work.

- Attended the Healing the Village Collaborative with Chief Pang. This is an overdose subcommittee addressing larger number of opioid overdoses in the African American community. This subcommittee is looking to do more outreach and prevention.
- Welcome address on April 1st for 9910 Cohort #6 and for the latest H3L1 Academy Class.

**Recruitment and Outreach Officer
Lt. Hashim Anderson
Recent ORD Activity – March 1 – 31, 2024**

134 Recruit Academy

- Complete Chief's Interviews
- Prepare for April 6 Bootcamp
- H3 Pre-tower

SF Gov TV

Work with Maria Peña on SFFD Video Projects

- Begin Athlete filming of four Department members.
- Continue Women Empowerment Month videos for 2024.
- Film H3 Pre-tower to produce a suppression guide for EMS members.

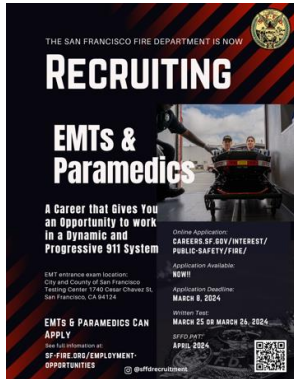

H2 Firefighter Career Info Session

- Conduct a career information session at the Division of Training to explain the hiring process for uniformed positions.
- PIO Lt. Elias, Firefighter Wilson and Probationary Firefighter Wright III featured as guest speakers.

H3 Level 1 & Level 2

Support EMS Division by promoting H3 deadlines for upcoming recruitment cycle.

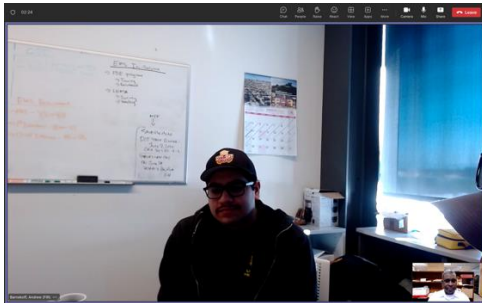

FCTC

- FCTC was in San Francisco to conduct the FCTC Written Test Prep Class.
- Firefighter Wilson and I went to Sacramento to attend a FCTC Test Prep Training class to administer the FCTC Prep class.

9910 Cohort 5

Close out Cohort 5.

- Conduct exit interviews of 9910 candidates.
- Prepare 9910 Completion Certificates

9910 Cohort 6

Prepare for the upcoming Cohort of City EMT graduates.

- Cohort 6 postponed one week due to Livescan delays with DHR

HBCU Internship

Submit proposal for HBCU intern to work in the DEIO.

Boys and Girls Club Career Day

- Firefighter Quesada attended the career fair at the Columbia Park Boys and Girls Club.

SFUSD Outreach and Programs

Mission High School Fire/EMS Pathway Program

- Firefighter Reyes presented SF FISE train the trainer to the High School students.
- Inspector Hom to teach the Intro to Fire Prevention students.
- Mission High students to visit Station 7 and Station 11.

Gateway High School Career Day

- Former Gateway High School graduate Firefighter Paul Bustamante to speak to students about career opportunities.

Galileo High School EMT Recruitment Fair

- Paramedic Curtis-Contreras and EMT Vaessen to educate potential EMT students on EMS careers.

KIPP Academy High School Career Day

- Speak to students regarding career opportunities.
- E17 detailed to engage students at apparatus.

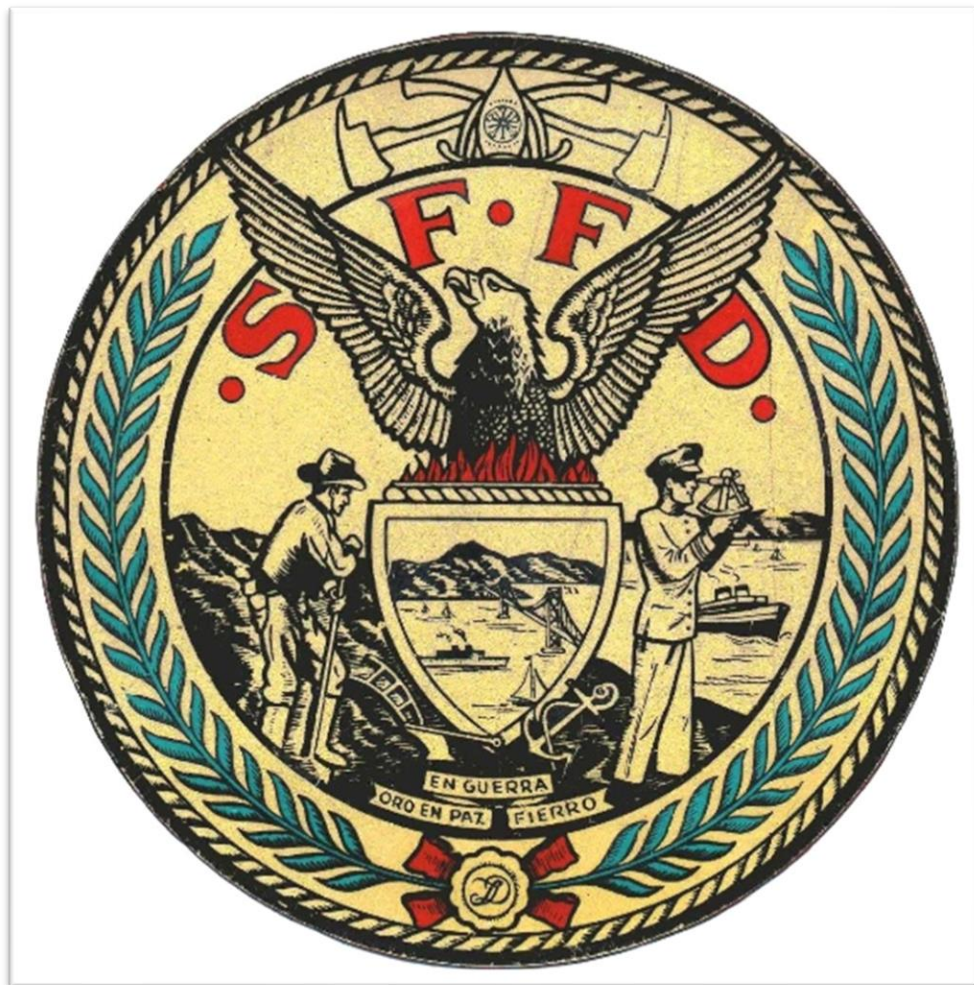

Francisco Middle School Career Day

- Speak at career day with Inspector Hom and COE.

Health, Safety and Wellness

Health, Safety and Wellness
BC Matthew Alba

Commission Meeting Report for Health, Safety, and Wellness March 2024

Every Monday:	Meet with BHU Captain Buren
Every Tuesday:	Meet with Chief Kaialoa
Every 2 Weeks:	Working Group on Wildland and WUI Respiratory Protection
Every 2 Months:	Rep. Chief of Dept in Family Violence Council Meeting
3 rd Tuesday:	Health and Safety Committee Meeting
3 rd Wednesday:	SF First Responder Peer Support Advisory Committee
3 rd Thursday:	San Francisco Firefighters Cancer Prevention Monthly Meeting
4x/year:	Fire Fighter Cohort Cancer Study: Women Firefighters Quarterly Meeting

- **UPDATE: Health & Safety Committee**
 - Annual Wellness Exam was given to Local 798 for their feedback
- **UPDATE: IAFF Study PPE PFAS Free Wear Test**
 - Below is a list of cities and gear being tested:
 - Miami, FL - FireDex
 - Denver, CO - Lion
 - Prince George's County, MD - Honeywell/Morning Pride
 - Ottawa, ON – Lion
 - Testing is just beginning – expected conclusion is late July 2024
- **UPDATE: SFFCPF Nutrition Study w/ Stanford**
 - (the study will involve) Partnering with the Nutrition Studies Research Group at Stanford University, led by Dr. Christopher Gardner – they have completed and published >25 nutrition trials with >2,000 participants.
 - Long-term objective is to help firefighters make and maintain healthful dietary changes to prevent and protect them from the types of cancers that are more common in firefighters than in the general population.
 - Building on the success of the recent Netflix-featured Twins study (You Are What You Eat – a Twins Experiment), firefighters will be randomly assigned to either continue following their usual diet, or shift to a more plant-based diet, for **8 weeks**.
 - Study outcomes will include **a set of cancer biomarkers** that can be measured in blood and stool samples, and this will include an analysis of the microbiome to be conducted by the world-renowned microbiology lab of Dr. Justin Sonnenburg at Stanford. Many additional standard clinical measures will be assessed (e.g., **blood cholesterol and glucose, weight, blood pressure**).
 - It is anticipated that the overall time frame for an 8-week study involving **~80 firefighters will take 12-18 months for set-up**, getting human subjects approval, recruitment, conducting the study, analyzing data, writing up at least one scientific manuscript for publication, and presenting the findings to the SF Firefighter Foundation and members first.... then sharing with the world.

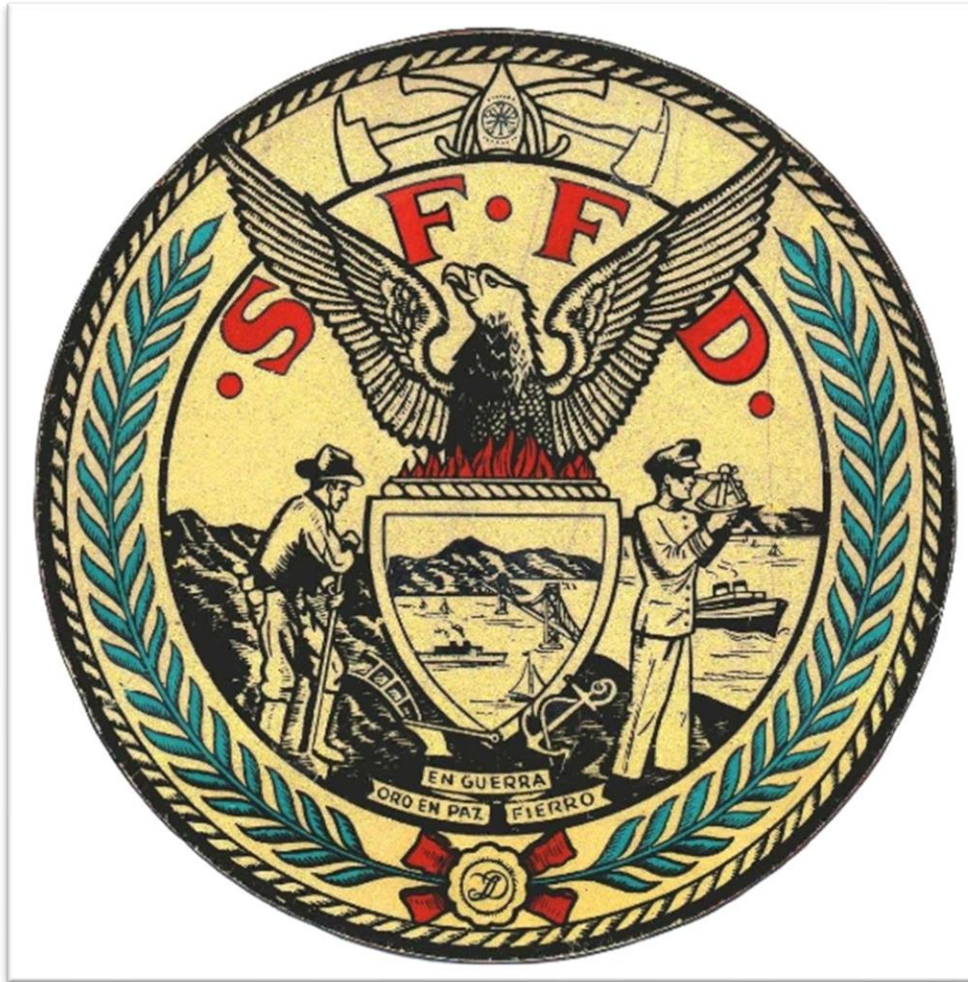

- **BHU ACTIVITY:**

- SFHSS Wellness Activity: Kayak on Lake Merced- Capt. Buren reserved this activity through SFHSS Wellness offerings for city departments. This is the first of 4 kayak days, with the event being offered to our affinity groups. UFSW was the first, BFA, AFA and Los Bomberos to follow.
- Paws for Purple Hearts- Organized with house captains at Station 32 and Station 12 to have 2 trainers spend 1 hour with crew and dogs, explaining the program and having K9s train with our members. PPH is a professional and proactive organization and perhaps the BHU can place a dog with one of our SFFD vets in the future.
 - This activity is a pilot and the BHU will evaluate after 2 months, approx. 4 visits from PP

***Environmental Occupational Health and Safety
Anthony Boone, CIH, CSP, CHMM, CEI
March 2024***

- Conducted Monthly Spill Prevention Control and Countermeasures Plan (SPCC) inspections
- Reviewed Monthly UST inspections
- Attended monthly health and safety meetings
- Reviewed needle stick incident data with Office of Employee Health
- Completed SCBA Mask Fit testing for 133rd Academy class
- Responded to mold inquiry on decommissioned ambulances at DOT TI. Provided instruction on cleaning and prevention
- Discussed asbestos and lead bid for six stations with ADC Miller and Captain Zalba for upgrading comms systems in the stations. Described potential for disturbing materials that may present health hazards.
- Updated CERS to reflect new Underground Storage tank monitoring systems at Station 6 and Station 15

Office of Employee Health

***Office of Employee Health
Steven Chang, DO, Supervising Physician
March 2024***

Return to Work: 40

New Hire:

- Preparing to screen candidates for the 134th H2 Academy scheduled for June 2024.

Promotion/Probation: 8

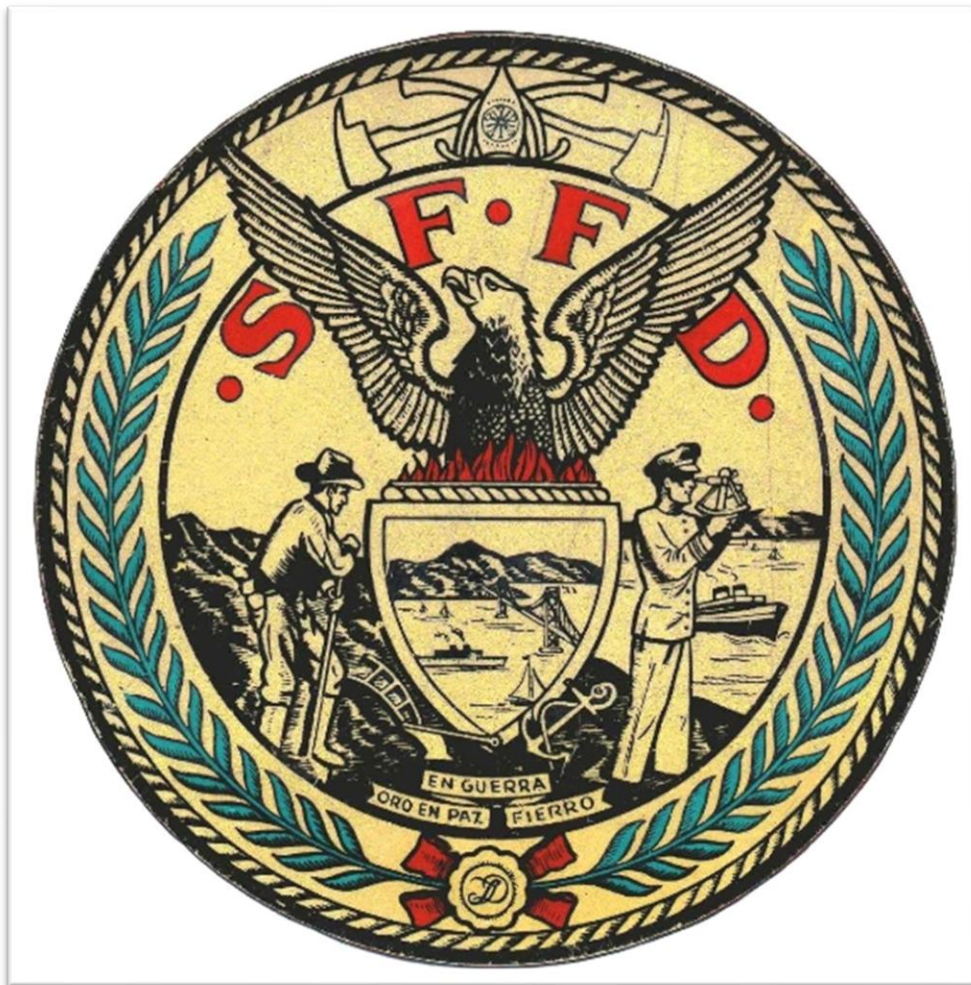

Monthly Summary of Work-Related Injuries and Illness Report

- 88 = Total number of 3807 injuries/illnesses - no medical evaluation
- 53 = Total number of 5020 injuries/illnesses - completed medical evaluation
- Top three 5020 events:
 1. COVID = 10
 2. Back = 5
 3. Shoulder = 5
- 26 = Total number of 5020 events that resulted in time off work

Other Activities:

- Meetings with DHR Chief Physician, SFPD Medical Director, CP Medical Director, EMS Medical Director, and UCSF Addiction Specialist to discuss future health and wellness initiatives
- Introductory meeting with Division of Workers Compensation Team Members
- Meeting with Director of TB Prevention & Control Section of Population Health and updated office policies for TB management
- Meeting with DOT to update Illness/Injury Workflow
- In coordination with the BHU, visited HQ, Station 49, CP, and DEM for March National Sleep Awareness Month
- Continued participation in Health and Safety Planning Committee
- Continued participation in Annual Wellness Exam Subcommittee
- Participated in meetings with BC Alba to discuss HSW initiatives
- Updated General Order for Injury and Illness Treatment Procedures
- Ongoing discussions for new Electronic Health Records system
- 1 DMV Exam for Commercial driver's license

Research and Planning

Research and Planning (Assignment Office)
A/Captain Ed Chu

List of recent activity in the Assignment office for **March 2024**

1. Assignment Office is working with EMS Division and Community Paramedicine for on-going staffing and scheduling.
2. Assignment changes for Fire Suppression, all ranks. For staffing and promotions.
3. Ongoing work with Fire Prevention on staffing and new promotions.
4. Hiring of new class #6 for 9910, also H3L1 class #25.
5. Working with Airport Division for alignment of new positions.
6. Ongoing work with Fire Pay roll for discrepancies for every pay period.
7. The EMS WDO-In-Advance continues per General Order 20 A-08. In accordance with the policy, pre-hiring 75% of open ambulance shifts seven days in advance.
8. Continues to assist Physician's Office with assigning personnel to Temporary Modified Duty Positions.
9. Continue new WDO-In-Advance Policy for Suppression members, General Order 21A-64. Pre-hiring of 50% of shortage seven days in advance on Thursday, Friday, Saturday, and Sunday.
10. Continue Mandatory Credit given WDOs for weekends to increase voluntary WDOs.

Investigative Services Bureau

Investigative Services Bureau
Captain Todd Weddle
March 2024

Fireboat/Energetix DOT Testing Program

- The Fireboat testing is now under the random testing program and the names are added to the draw pool daily from Datco Services.

Random Alcohol and Drug Testing Program

- The Random Alcohol and Drug Testing Program is in compliance for the month of March.

Post-Accident Alcohol and Drug Testing Program

- Four post- Accident Alcohol and Drug tests were administered by ISB.
- All Quantisol confirmatory tests at Div 2 and 3 have been checked. All expired tests have been rotated out of the field.

Conditional Offer, Promotional and End-of-Probation Alcohol and Drug Testing Program

- Assisted the Office of Employee Health with end of probation Alcohol and Drug Testing for thirty Members. Cpt Weddle ensured the Dr Office has all the necessary supplies for testing.

Breathalyzers

- All field breathalyzers (Div2, 3) including two at the airport division have been accuracy tested during the month of march.
- Four more Breathalyzers have been shipped to Intoximeters in St louis, MO for recalibration. They should be enroute to the city early next week.

California Driver Licenses (CDL)

- Cpt Weddle continues to monitor all Dept members Drivers Licenses via CA DMV Pull Notifications.

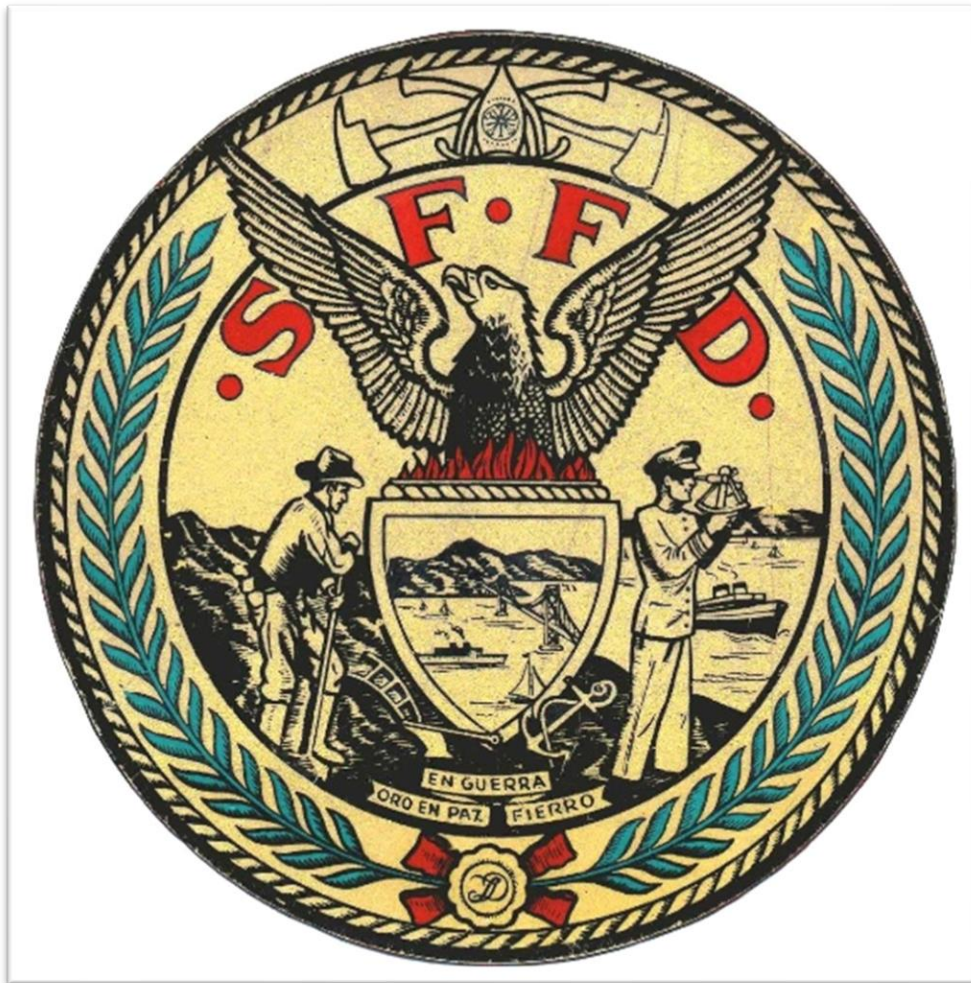

Training

- Cpt Weddle completed the 2024 Ferno Transcending Chair training.
- Cpt Weddle completed online training including, Spinal cord injuries, Hearing conservation, infectious pathogens, and EMS weapons of mass destruction.

Background Investigations

- Investigative Services Bureau has been preparing for the next H2 class that will be starting the background process in early April. The current background packet has been uploaded to the Recruitment Portal. Candidates will be able to download, fill out and upload back into the Recruitment portal allowing for a more efficient background process.

Support Services

*Support Services – ADC Michael Mullin
March 2024*

FACILITY MAINTENANCE & PLANNING (June Waechtler, SFFD)

- A total of 135 requests for service were initiated during the month of March 2024.
- 89 service orders were completed and closed out in March 2024.

PLUMBING

- Six (6) service calls were placed to resolve minor plumbing issues (faucet, toilet, urinal repairs; clogged sinks, shower drains) in the month of February 2024. All issues were addressed by SFFD's new plumber.
- One (1) sewage backup were reported during this month (FS 32).
- No new water heaters were installed in March 2024.

HVAC/HEATING/BOILER

- FS 23: Heater in Officer's Room needs to be replaced including new t-stats, on-off switch. Drying Room needs new heater and exhaust fan. Modifying controls to include timer and on/off switch in or outside Drying Room. Waiting for quote from DPW's Steamfitters Shop for two heaters, one exhaust fan and the necessary control work. *Status Update: Quote received from DPW; in for ADC of Support Service's review.*
- FS 5: Boiler needs new flue to be fabricated by DPW Sheetmetal Shop; after fabrication and installation of new flue, DPW Steamfitters will run new drain and condensate neutralizer. DPW's Steamfitters Shop determined that this work should be reassigned to DPW's Sheet Metal Shop. Waiting for quote for fabrication from Sheet Metal Shop. Quote received from DPW's Sheetmetal Shop; in for ADC of Support Service's review. Scope of Work has been approved by Support Services and material is in procurement. *Status Update: Waiting for materials.*
- FS 28: Flushed entire heating system and strainers of fan coil and air handlers; will replace 3 t-stats. Pump was replaced and 2 of the 3 T-stats have been replaced. The last of the 3 T-stats installed in March. New equipment is not syncing with older equipment plus multiple zones with inadequate heat. Additional control valves and thermostats are needed. Quoted 3 days labor plus \$3,000 parts which was approved by ADC Mullin. New thermostats and control valves have been received and need to be installed. Installation scheduled for mid-July. New control module was installed on air handler. T-stats and control valves still need to be added to the 4 heating zones. We are complete with 3 of the control valves and t-stats. Steamfitters need to install 2 more control valves (which were buried in ceiling). All new thermostats and control valves have been replaced. Additional issues remain: HHW pump is making grinding noise and control valves on the roof units are becoming severely compromised by exposure to the elements. DPW proposing to replace one pump and 2 control valves with weather shield for the roofing units. Waiting for equipment and labor cost estimate. The new pump and valves with the weather shield comes to \$4,600 installation will take approximately 2 men to install in two days. Waiting for ADC of Support Services approval to proceed. Approved by

Support Services. Waiting for parts to be procured. Status Update: Material is in; waiting for labor. New control valves were installed and heat is on in the dorm and other areas of station. Insulating of rooftop is next. Steamfitters are monitoring the heating system's operations. *Status update: Insulation on roof is complete. Still have one day of control wiring to complete on roof.*

- FS 14: New pulleys, motors and belts were installed on the station's exhaust extractor system to improve intake. Fan not performing as designed. A rep from Nederman (manufacturer of the exhaust extractor) came on-site for inspection, and recommended a different exhaust fan for the exhaust extractor. HVAC installation is complete. Nederman exhaust fan had to be replaced and has been ordered; ETA is 3 months. DPW Steamfitters are still waiting for fan procurement. Issued PO to Air Filtration on 5/25/23. Fan expected to be delivered mid-October. New fan has arrived. DPW anticipates swapping out unit will take two men two days of labor to accomplish. Installation anticipated to be completed in January, 2024. *Status Update: Replacement fan arrived; waiting for labor.*
- FS 22: Re-circ pumps need to be replaced. DPW Steamfitters to conduct walk thru with Support Services then provide estimate for re-pipe. Moving forward with estimate for re pipe. *Status Update: Waiting for funding transfer.*
- FS 9: ESTIMATES RECEIVED from DPW Steamfitters to replace 3 rooftop HVAC units: \$149,701.72. Submitted approval to DPW/BBR to proceed with work as quoted. DPW Steamfitters submitted a quote for new equipment on 7/31/23. Equipment is due to arrive shortly. Given that FS 26's furnace install is nearing completion, DPW Steamfitters can start on FS 9's AHU replacement. Roof will be open for 1 week while sheetmetal is building curbs for the new units. *Status update: Postponed until 1 week of clear weather is in forecast.*
- FS 13: ESTIMATE RECEIVED for Furnace/Forced air units in dorm; price also includes replacing existing ductwork: preliminary estimate \$80,000. Awaiting formal ESTIMATE from DPW/BBR. DPW's Steamfitters made a temporary repair, however 2/4 zones have bad heat exchangers and gas is locked out. Troubleshooting is continuing. Unit is working with temporary repair in place. Received estimate for \$104,888.00. Waiting for ADC of Support Services to approve quote. *Status Update: Approved by Support Services. Waiting for labor availability and funding transfer.*
- FS 26: ESTIMATE RECEIVED for Furnace/Forced air units: \$137,211.66. Submitted approval to DPW/BBR to proceed with work as quoted. DPW Steamfitters submitted quote for equipment on 7/31/23. Waiting for PO. Heating units have arrived. Demo will be scheduled with DPW Sheet Metal and the SFFD. Waiting on DPW Steamfitter's availability. Equipment delivered to rooftop of Station. Waiting for ductwork to be fabricated. Flue piping is 100% complete. After sheetmetal is completed, they will finish drain piping and start unit up. *Status update: Sheetmetal 95% complete, Steamfitters startup on two units will be completed once warranty parts arrive.*
- FS 12: Boiler re-pipe proposal. Received revised quote from DPW Steamfitters \$ 72,025.26. Waiting for ADC of Support Services to approve quote. Approved by Support Services. Waiting for labor availability and funding transfer. *Status Update: Waiting for material.*

- FS 41: Boiler controls proposal. Received revised quote from DPW Steamfitters \$ 23,559.83. Waiting for ADC of Support Services to approve quote. Approved by Support Services. *Status Update: Waiting for labor availability.*
- FS 25: New radiator needed in Ladies Locker Room. Unit costs \$9,000 plus \$1,000 in parts. Anticipate 30 hours of labor needed. *Status Update: Deferred*
- FS 37: RADIATORS It was discovered that 17 radiators need new valves to control on/off. Nine (9) of the units do not work. Waiting for proposal to change out all valves. DRYING ROOM Drying Room Heater needs a 3-way valve and an outdoor air override that needs to be installed. Proposing two men to take nine (9) days, plus \$3500 in parts. The heat is on in the Station and the new program settings are adequate to get thru the winter. Work will need to be done when they are permitted to shut Boiler down for a few days. Waiting for formal quote to be sent to ADC Support Services for sign off. *Status Update: Deferred*
- FS 19: Drying Room motor needs to be replaced. *Status Update: Completed by SFFD Electrician*
- FS 43: DPW Steamfitters are investigating intermittent heat issues on 1st Floor. Waiting for findings. *Status Update: There is an existing radiant heating system on the 1st floor of the Station. Steamfitters are proposing to see if they can repair system which could resolve the heating issue. Steamfitters advise if unit is not repairable, they propose designing a new heating system for the 1st floor. Project under consideration by Support Services.*

CEMENT/ASPHALT

No major cement issues were reported.

EXHAUST EXTRACTORS

FS 39, 14, 43, 6 and 25 have reported issues with station's exhaust extractor. *Status Update: Repairs completed and all have been returned to service.*

GENERATORS

No generators were scheduled for annual maintenance service and load bank testing during March, 2024.

GLASS/WINDOWS/SCREENS

No major glass/window/screen issues were reported.

CARPENTRY

No major carpentry issues were reported.

ELECTRICAL

No major electrical issues were reported.

LANDSCAPING

Requested DPW/Bureau of Forestry to perform site inspection of the trees surrounding FS 10 (over 80 trees in total) to determine if any were diseased, at risk of toppling, etc. Site inspection was performed; waiting for a written report on findings but nothing needed immediate attention. A site visit with BUF on May 11th revealed that several trees need significant pruning and thinning. Waiting for written estimate for tree

trimming. Received estimate to remove large overlapping branches that overhang station parking lot, back of building plus work to include elevating branches over sidewalk and parking spaces: Crew of 5 for 3 days \$20,959.34. All 80 plus trees are within the Fire Department's property line and are not funded for maintenance through the Public Works Street Tree SF Program, therefore, we are responsible for all maintenance. Forwarded estimate to CFO to schedule work for next fiscal year. Next trim should be scheduled within the next 3-5 years. ADC of Support Services will meet with CFO in August to discuss this FY's budget and determine how to proceed. Project on hold as other more pressing issues must take precedence. *Status Update: Received approval for funding. Waiting for labor availability.*

FS 39 Large tree uprooted during wind storm in February. Tree fell on neighboring fence which resulted in minor damage. Received and processed quote for \$7,920. Tree removal and yard clean up is scheduled for April, 29, 2024. Advised neighbor how to file a claim with the CCSF for fence repair.

PAINT

No major paint issues were reported.

PEST MANAGEMENT

No major pest management issues

E.S.E.R.—Emergency Firefighting Water System (EFWS), SFPUC

- Clarendon Supply EFWS Pipeline – Construction reached substantial completion January 2024. Continued to address closeout items, expected final completion by June 2024.
- Fireboat Manifold – Planning for new pipeline and fireboat manifold near Fort Mason Pier 2 and Pier 35.5 for fire suppression continued. At Fort Mason, interim measure was implemented per coordination with SFFD, National Park Service (NPS), Fort Mason Center (FMC) and City Distribution Division (CDD). Expect draft Alternative Analysis Report (AAR) for the permanent repair by May 2024.
- Potable Emergency Firefighting Water System (PEFWS) project – Continued design for Contract A (from Lake Merced Pump Station to Sloat Blvd/19th Ave) and reached 35% milestone March 2024. Design for Contract B (from Vicente Street / 23rd Ave to 42nd Ave / Lawton St.) started February 2024.
- Vicente EFWS Pipeline – Construction completed March 2024.

E.S.E.R. BOND 2010 NFS – Updates through March 2024

Additional Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Emergency Generators:

- o **Fire Station 14** – Scope of work: replacement of existing generator with new rooftop generator, new subgrade fuel fill port at the sidewalk in front of the station, and new fuel piping from sidewalk to generator. ▪ DPW-BOA has been approved to re-initiate the project with a concepts phase to validate changing the generator from a rooftop to a ground-mounted location that will be fuel-filled by hand in lieu of piped.

E.S.E.R. BOND 2014 NFS – Updates through March 2024

Seismic Improvement Program (Magdalena Ryor, San Francisco Public Works):

• **Fireboat Station 35 (\$50.5M)** – Certificate of Final Completion was issued on November 11, 2022. Final Payment Application to Swinerton/Power, JV was approved on 7/10 followed by the final release of retention on 7/12/2022. Project is in the Warranty Period. o [M. Rossetto] FS35 Security gate enhancement has emerged as a high priority for SFFD. Permit applications have been submitted to both BCDC and the Port.

Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Total Funding allocated for the Focused Scope Program is \$21,407,279, approved by SFFD on 8/17/17.

Work is complete in 8 of 9 of the Focused Scope categories comprising Roofing, Apparatus Bay Door Replacements, Exterior Envelope Improvements, Windows, Showers, HVAC/Mechanical, Sidewalk/Slabs, and Security Access Control. Work continues to progress through the last scope category, Generator Replacements.

Emergency Generators:

o **FS 2** – Scope of work: replace existing rooftop generator set, structurally strengthen roof structure to support new fuel tank with capacity for 72-hour run time and provide new fuel fill port and piping to generator.

This project is complete.

o **FS 19** – Scope of work: replace existing generator at grade and replace main electrical panel. Construction phase review of submittals underway with the contractor MIK.

Exterior Envelope:

o **Package 1 (FS 8, 20, 23, 29)** – FS 8, 20, and 29 are complete; On 1/15/21, SFFD requested a hold on FS 23 painting due to other priorities.

o **Package 2 (FS 24, 34)** – This project remains on HOLD initially placed at the request of Capital Planning in order to provide supplemental funding to the Police TC&FSD project. It is

now expected that those funds will be returned to the SFFD for allocation to a priority project, possibly FS24 and/or FS34.

o FS 17 & 31 Exterior Envelopes were requested as new projects by SFFD in August 2023, both as lower priorities. These were approved by the Capital Planning Committee for use of ESER 2014 interest. A waterproofing consultant is recommended to determine corrective measures and potential costs.

Miscellaneous:

FS35 Security Fence Enhancements, FS17 Boiler Replacement & FS 29 Apparatus Bay Door Replacement were requested as new projects by SFFD in August 2023. These are ranked as the highest priority (most urgent) projects after the Network Modernization project.

- o **FS 35** – See Fireboat Station 35 description.
- o **FS 17** – ON HOLD per SFFD 12/12/23 email.
- o **FS 29** – DPW-BOA drawings & spec updates completed in December 2023. Project initiation procedures (RAMS, SAR) will be completed by February 2024 allowing JOC procurement. JOC fee proposal from Rubecon anticipated early April.

Network Modernization Project (Michael Rossetto, San Francisco Public Works):

Survey existing network infrastructure and document recommended improvements at all fire stations. DPW has issued the NTP to consultant EnviroSurvey to produce reports for in-scope areas within fire stations in rings 1 & 3. Field work will begin in mid-April. DPW is also working to contract with asbestos abatement and general contractors to perform additional scopes.

E.S.E.R. BOND 2020 NFS – Updates through March 2024

Division of Training – Formerly “Fire Training Facility” (Scott Moran, San Francisco Public Works)

Budget: \$275M

Phase: Planning (Concept Design)

Schedule:

- Estimated Start of Construction – Fall 2025

- Estimated Substantial Completion – Fall 2028 A Public Project Application was submitted to Planning on 3/1/24 as part of the CEQA addendum process.

Highlights:

- A Public Project Application was submitted to Planning on 3/1/24 as part of the CEQA addendum process.
- The draft smoke emissions study was submitted to Planning on 3/21/24 for their review as it relates to the CEQA mitigation measure for smoke generation on the new site. The draft report updates the original projected smoke emissions based on data from the most recent full year of training at Treasure Island as well as live-fire smoke sensor readings taken in December 2023.
- The conceptual estimates for construction based on the 90% Concept Design package are still over budget. Alternate site layout options were explored in March to reduce pile foundation costs. The alternate layouts and other value engineering options are being estimated and will be reviewed by SFFD in April, with the hope that some combination of options will help bring the project back within budget.
- Schematic Design is now anticipated to begin in May 2024.
- Community outreach will begin in May 2024. SFFD and PW met with Supervisor Walton on 3/28/24 to provide him with a preview of the project presentation for community meetings.
- Civic Design Review (concept level) is planned for May 2024.
- A combined RFQ and RFP (Request for Qualifications & Request for Proposal) for Construction Manager/ General Contractor services is targeted for release in Spring 2024 with progress information from the Schematic Design process informing the process.

Fire Station 7 Replacement (San Francisco Public Works)

Budget: Expected budget of the Fire Training Facility does not create funding opportunity for the FS 7 project

Phase: Suspended

Schedule: N/A

Highlights: N/A

P.H.S. BOND 2016 NFS – Updates through March 2024

The total funding allocated for Neighborhood Fire Stations is \$9.1M.

Seismic Improvement Program (Michael Rossetto, San Francisco Public Works):

Hose Tower Removal & Roofing (FS 6, 11, 12, 21, 38) – Complete.

Hose Tower Removal & Replacement (FS 15) –

December 2023 JOC fee proposal was received and is in excess of the \$1M threshold. Design-bid-build will be pursued, adding approximately 6 months to the start of construction. SFFD has requested minor design changes with the addition of electrical outlets and a ship’s ladder in lieu of a vertical ladder to the roof. BOA has met with SFFD to review design changes. An on-site meeting occurred with the radio Shop to determine replacement of antennas currently mounted on the existing tower. BOA will revise the drawings for final draft review with SFFD. BOA is producing fee proposal inclusive of structural and electrical for the SFFD requested changes.

Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Emergency Generators:

- FS 37 & 44:

On-site construction activity is expected for late April/early May 2024.

- FS 18:

SFFD requested a cost proposal to change the generator housing to aluminum. This cost will be presented as an add alternate to the JOC fee proposal from the contractor, MIK.

JOC fee proposal is expected from MIK in mid-April.

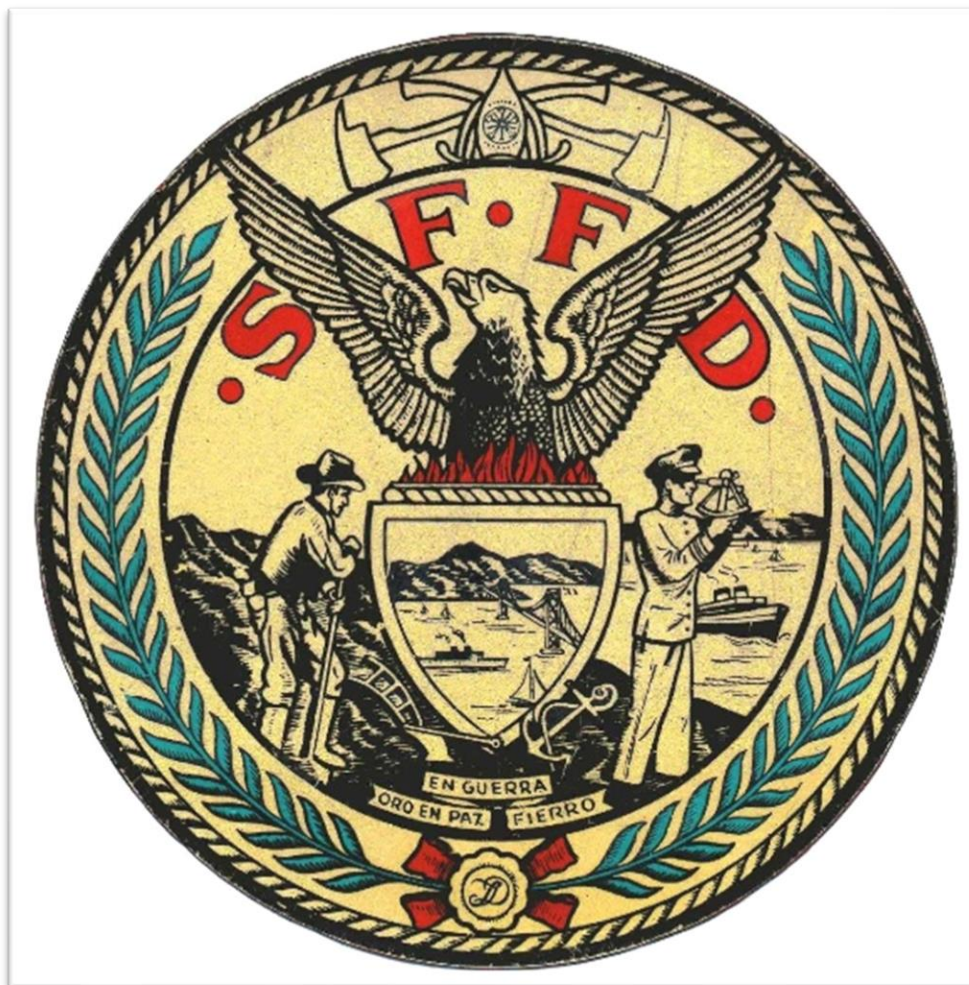

DEPARTMENT ENGINEERING (Stationary Engineer Avo Sarkissian, SFFD)

- Ongoing and routine maintenance at Fire Stations, HQ and ADF.
- Funds have been transferred to SFWD for replacing HQ main water back flow device. No date has been set for install
- HQ Elevator modernization quote was submitted to CFO for viewing.
- 698 second street gutters will be repaired by DPW roofers beginning the week of May/2024
- We are looking into upgrading the stations underground fuel monitoring panels.
- Station 2 sewage ejector pump upgrade were completed. DPW plumbers need to return due to one faulty pump. The replacement pump has been ordered no date has been set for repair.
- Station 17 Boiler replacement cost proposal from outside vendor was received and forwarded to ADC's.
- Station 26 HVAC replacement has begun by DPW trades no date has been set for completion. As of 4/8 units are not functional, DPW continues to work on completing.
- Station 9 HVAC replacement units have been received. Work will begin following the completion of Station 26.

BOE/FLEET MANAGEMENT (Lt. Jason Watrous, SFFD)

- New Officer of BOE appointed.
- New Rosenbauer Hose Tender put into service, HT18.
- 4th Ladder Truck was delivered, T19 Still going through warranty repairs before putting into service.
- (2) SORT vans nearing upfitting completion.
- (4) SCRT van awaiting for upfitting commencing.
- Several New Ambulances nearing final construction.
- (1) New Ferrara TDA still in construction progress.
- (1) New Rosenbauer TDA still in construction progress.
- Still experiencing long lead times and new vehicle procurement difficulties.

Earthquake Safety and Emergency Response (ESER) Bond

Earthquake Safety and Emergency Response (ESER) Bond
Assistant Deputy Chief Garreth Miller
March 2024

- New SFFD DOT Construction
 - Alternative site configurations completed and value engineering strategies established
 - Civil and Geotechnical engineers to develop plans to be sent to construction estimators
 - The site plan must be estimated at the "Design To" budget of \$145 million
 - Met with Supervisor Walton to begin community outreach
 - Public Works reports project actual spending increased from \$5,028,895 to \$5,215,148

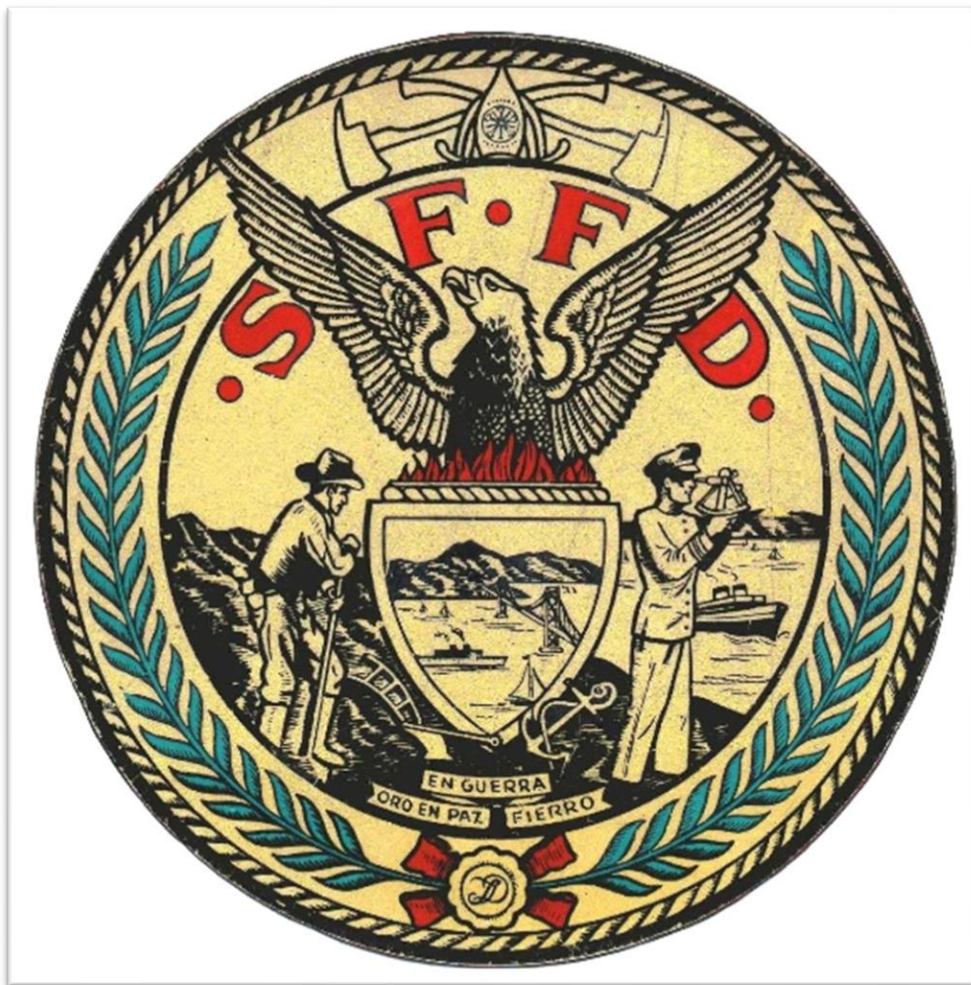

- Fire Station 35
 - Security fence improvements permit applications under review
 - Warranty work in process

- Network Modernization Project
 - Hazard Survey contractor engaged, surveys to start in April
 - Construction to start in May
 - Dept. Of Technology utilizing COIT (Committee on Information Technology) funds for network equipment
 - Estimates for outside fiber installation decreased
 - Project budget estimate decreased from \$6.7 million to \$4.7 million, \$700k over MOU budget

- Neighborhood Fire Stations
 - DOT Fire Escape railing upgrade – Both north and south side railings to be increased in height to 42" for the safety of personnel
 - FS 29 Apparatus Doors – JOC proposal \$140k likely to result in a \$280k project cost, compared to a private vendor quote of \$65k from 2 years prior

- FY24 Roofing Program
 - Repairs to SFFD HQ roof scheduled to begin 5/6
 - Fire Station 9 Roof Replacement site visit scheduled for 4/15

Submitting requests for intermittent leaves without pay for the time period from March 27, 2024 through May 16, 2024 for the following:

<i>No. of Members</i>	<i>Rank</i>	<i>Dates of Leave</i>	
1	H3 EMT/PM/FF PM	Mar. 27, 2024	- May 16, 2024

Public Information Office

***Public Information Officer
Capt. Jonathan Baxter
March 2024***

REVOLVING MONTHLY OUTREACH

- Multiple Public Safety announcements were provided throughout the month.
- Engine companies continue to distribute fire prevention and education material on calls or the public. This material is now available on our website in multiple languages. To download, visit: www.sf-fire.org
- Coastal Rescue companies continue to give Surf Hazard Education to the community while on calls or while out in public (Targeted to Ocean Beach Area)
- Cliff Rescue units provide rescue and animal safety community outreach in areas like Fort Funston.
- Sign up for emergency notifications by texting "ALERTSF" to this number: 888-777
- Recruitment efforts towards all populations continue.
- "See the Red Lights Pull to the Right" campaign for yielding to emergency vehicles is striking comments from the public regarding what to do when they see an emergency vehicle.
- Bicycle safety messages on social media and public areas promote safe riding habits, wearing helmets, following traffic laws, yielding to pedestrians and emergency vehicles, and more. These efforts are to help reduce bicycle-related accidents and injuries.
- Pedestrian Safety and distracted driver safety messages on social media: "Look don't like" (referring to texting), yield to pedestrians, and share the road with a bicyclist, to name a few.
- Pet safety tips for fire and environment-related issues are placed on social media and shared with media outlets. Examples include: Do not forget your pets when making a home, work escape, or disaster plan."
- Cliff and hiking safety messaging on social media help reduce falls, entrapments, and rescue incidents.
- Information on the station rebuilds and the ESER 2014 BONDS has been posted on social media to help keep the community informed.
- The Department has joined a national fire Service campaign: "Close your Door before you Doze." These efforts encourage closing bedroom doors at sleep to increase your chances of survival or saving during a fire. The temperature outside a door can be 1000 degrees, and in the bedroom with a closed door, 100 degrees.
- The Department has teamed up with D.E.M. promoting: "When to Call 911" campaign to help reduce non-emergency calls to 911.
- The Department worked with SF-Environment to promote fire extinguisher disposal.
- The Department assisted SF-Environment with battery safety information and proper disposal. When improperly disposed of, old batteries can cause fires. To learn more, visit: www.sfbatterysafe.org

MARCH-SPECIFIC OUTREACH BY THE PIO

1. Vision Zero topics such as walking, biking driving
2. Share the road with emergency vehicles
3. Lightning safety tips
4. Listos and NERT awareness
5. Pet evacuation tips
6. Pet safety during fires and heat
7. Emergency worker's safety tips
8. Bike safety
9. Pedestrian Safety
10. Weather safety tips
11. PSPS awareness
12. Fire Extinguisher Safety
13. Tent Safety info to various locations
14. MUNI – Safety program
15. MAJOR WEATHER EVENTS SAFETY MESSAGING
16. Narcan Safety with University (new law for schools)
