

NERT Position Description: Emergency Responder – Block Captain

Block Captain

- Make sure you, your family, and your home are safe.
- Start your block assessment on your assigned block.
- After the damage assessment is complete, go to the Staging Area to check in and report your block status and your availability.
 - Keep in mind that your primary responsibility is to get to the Staging Area to report the status of your assigned block. Do not become delayed helping others, as they may not be the highest priority needs.
 - From the Staging Area, you could be assigned to assess another block, complete a more detailed block assessment, be part of a Field Team, or perform another volunteer task depending upon your capabilities and the team's response needs.
