

San Francisco Fire Department

Annual Report

2010-2011 (FY)

Message from The Chief

This Annual Report highlights the operations and activities of the San Francisco Fire Department, while also offering the reader a synopsis of our organizational makeup and our financial outlook.

The San Francisco Fire Department, though rich in history and tradition, continues to forge ahead, advanced by its highly skilled men and women, who have been educated in the latest rescue, emergency and firefighting techniques.

We take great pride in our Mission and its Values, serving our community and protecting the lives and property of all San Franciscans and visitors to our great City.

Joanne Hayes-White

Annual Statement of Purpose

It is the responsibility of the Fire Commission to ensure that the San Francisco Fire Department effectively implements its mission. To this end, the Fire Commission will: set policy and support the administration to accomplish the mission of the Department; support the administration's efforts to enhance and support the collaborative work of Department membership and public stakeholders in the delivery of fire suppression, fire prevention and emergency medical services with the focus upon the common public good; encourage and support the administration to develop and implement systems to improve fiscal responsibility to enhance the budgeting process while maintaining and protecting essential public services including fire protection, fire prevention and emergency medical services; encourage and support the administration to develop an effective physical fitness and wellness program to promote the health, safety and welfare of the members of the Department and the public; encourage and support the administration to develop as part of its overall strategic planning effective career development and promotion opportunities for the membership; actively encourage and support recruitment and education in the communities to bring highly qualified applicants to the Department who truly reflect the City's rich diversity; continue to work with the administration and City Attorney's Office to review and, where necessary, revise official Departmental Policy and Procedures; and contribute to the common good by conducting open meetings regularly and convening such additional meetings as deemed necessary to inform and educate the general public of the work of the Fire Commission and the Fire Department.

Mission Statement

The mission of the Fire Department is to protect the lives and property of the people of San Francisco from fires, natural disasters, and hazardous materials incidents; to save lives by providing emergency medical services; to prevent fires through prevention and education programs; and to provide a work environment that values health, wellness and cultural diversity and is free of harassment and discrimination.

Values Statement

The San Francisco Fire Department values the public's trust and the opportunity to serve; a work environment that promotes health, wellness and harmony, respect for each person, and is free from harassment, discrimination, and retaliation; leadership committed to the Department's Mission; a diverse work force that reflects the community it serves; a highly trained professional work force; and teamwork to effectively achieve the Department's Mission.

The San Francisco Fire Department

SUPPRESSION fights fires, provides Emergency Medical Services (EMS), oversees specialized services such as Hazardous Materials units and Search and Rescue units, and conducts disaster planning and preparedness training

HOMELAND SECURITY maintains liaison with State and Federal intelligence agencies, prepares Emergency Response plans, designs and implements large-scale disaster drills and applies for, secures and manages Federal Grant Funding for purchase of disaster and emergency equipment

SUPPORT SERVICES manages the SFFD's facilities, equipment and vehicle fleet, and is responsible for all maintenance, repairs and capital improvements. Support Services also oversees the Department's Ladder Manufacturing Shop and the Brass Shop, where nozzles, fittings and High Pressure Reducing Valves are created

FIREBOAT operates and maintains the City's Fireboats and is responsible for Water Rescue and Fire Suppression on the San Francisco Bay

ADMINISTRATION supports operational activities by maintaining programs such as Accounting and Finance, Planning and Research, Human Resources, Payroll, Public Information, The Department Physician's Office and Management Information Services

PREVENTION minimizes injuries, deaths and property loss due to fire through code enforcement, public education and inspection programs that detect and eliminate fire hazards

INVESTIGATION determines, documents and reports on the origin and cause of fires and explosions, ensuring that such incidents can be prosecuted, if appropriate

TRAINING & EDUCATION instructs and evaluates all SFFD staff and new recruits and provides comprehensive Fire and EMS training to all Department personnel

AIRPORT provides fire suppression, EMS and emergency preparedness services at the San Francisco International Airport
