

# **San Francisco Fire Department**

**Deputy Chief of Administration  
Shayne Kaialoa**

**Fire Commission Report  
August 2024**

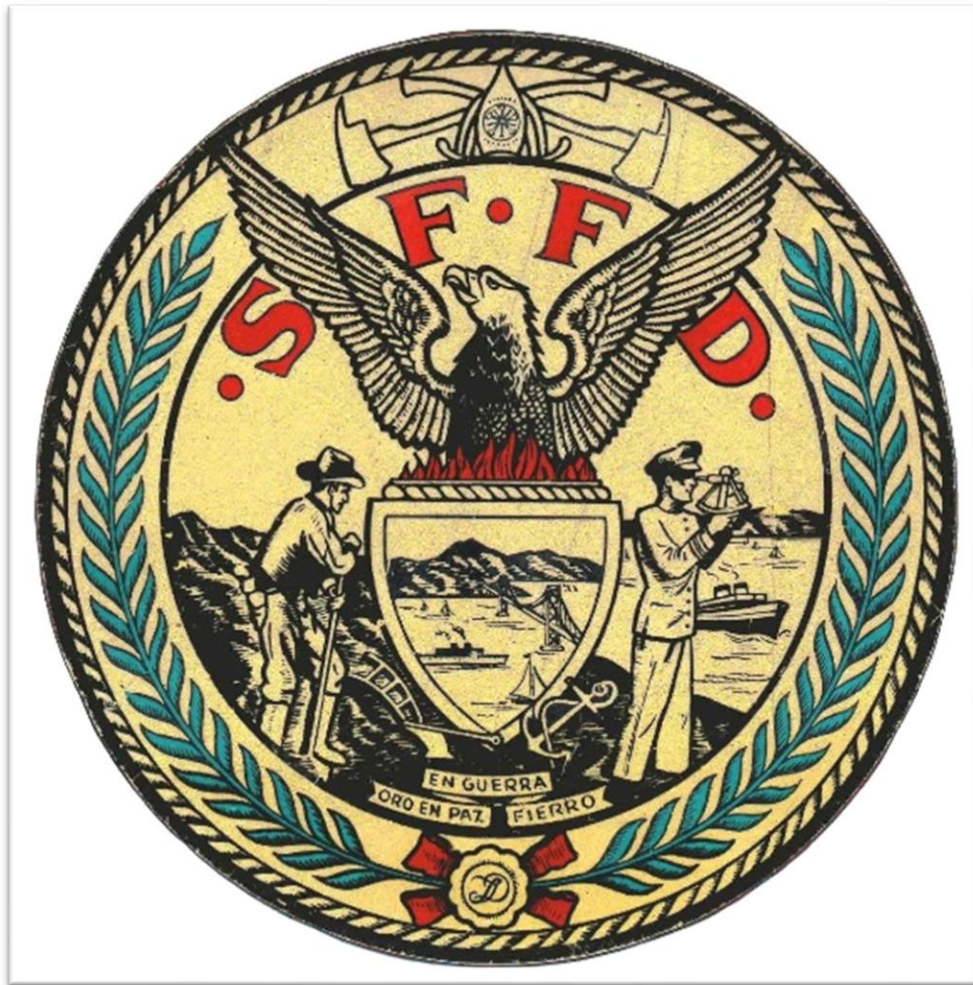

## Glossary of Terms

5/5	Out of service/Out of order
300A Form	OSHA Summary of Work-Related Injuries and Illnesses
3807 Event	Injury Report - did not require medical treatment
5020 Event	Injury Report - required medical treatment
ACLS	Advanced Cardiac Life Support
ACS	Auxiliary Communications Service
ADF	Ambulance Deployment Facility
AHIMT	All Hazards Incident Management Team
AOA	Airfield Operating Area (secured airfield area)
APEC	Asia-Pacific Economic Cooperation
ARFF	Aircraft Rescue Firefighting (airport apparatus used on the airfield for fighting aircraft incidents)
AWSS	Auxiliary Water Supply System
BAAQMD	Bay Area Air Quality Management District
BATEP	Bay Area Training & Exercise Program
BAUASI	Bay Area Urban Areas Security Initiative
BBR	Bureau of Building Repair (Department of Public Works)
BHU	Behavioral Health Unit (formerly known as the Stress Unit)
BLS	Basic Life Support
BOE	Bureau of Equipment
BUF	Bureau of Urban Forestry
CA TF3	California Task Force 3 - Urban Search and Rescue
CERS	California Environmental Reporting System
CIRT	Critical Incident Response Team
CJAC	California Fire Fighter Joint Apprenticeship Committee
COES	California Office of Emergency Services
DBE	Design-Build Entity
DBI	Department of Building Inspection
D & D	Doffing and Donning
DEM	Department of Emergency Management
DOC	Department Operations Center
DOC	Daily Operational Check
DOT	Department of Training
DSCA	Defense Security Cooperation Agency
DWC	Division of Workers Compensation
EAP	Event Action Plan for Planned Events
EAP	Employee Assistance Program
EFWS	Emergency Firefighting Water System
HER	Electronic Health Records
EHMR	Elastomeric Half-Mask Respirator
EMS PIP	EMS Performance Improvement Plan
EOC	Emergency Operations Center
EtOH	Ethyl Alcohol
FAR	Federal Aviation Regulations (FAA guidelines for operating)
FDOC	Fire Department Operations Center

FFCCS	Fire Fighter Cancer Cohort Study
HAZWOPER	Hazardous Waste Operations and Emergency Response
HPH	High Pressure Hydrant
HRET	High Reach Extendable Turret (piercing nozzle on ARFF rig)
HSS	Health Service System
IAFF	International Association of Firefighters
IAP	Incident Action Plan
IPSDI	International Public Safety Data Institute
JOC	Job Order Contracting
LARRO	Low Angle Rope Rescue Operational
LODD	Line of Duty Death
MCI	Multi Casualty Incident
MEP	Mechanical, Electrical and Plumbing
MSE	Minor Sidewalk Repair
NCRIC	Northern California Regional Intelligence Center – member of the National
NFA	National Fire Academy
NFORS	National Fire Operations Reporting System
NIOSH	National Institute for Occupational Safety and Health
NTP	Notice to Proceed
OES	Office of Emergency Services
OFA	Opportunities For All
OOS	Out of Service
ORD	Outreach, Recruitment and Development
PSS	Peer Support Team
PX Members	Probationary Members
RC	Rescue Captain
RS	Rescue Squad
SCBA	Self Contained Breathing Apparatus
SFIA	San Francisco International Airport
SPCC	Spill Prevention Control and Countermeasures Plan
SWOT	Strengths, Weaknesses, Opportunities and Threats
TDA	Tractor Drawn Aerials
TITF	Treasure Island Training Facility
USCG	United States Coast Guard
US&R	Urban Search and Rescue
UST	Underground Storage Tank
VAR	Vehicle Acquisition Request
WDO	Working Day Off
WOW	Wellbeing at Work
WMD	Weapons of Mass Destruction

# Homeland Security

***Homeland Security  
ADC Erica Arteseros Brown  
August 2024***

Meetings/ Events/ Training & Exercises Attended

- SFFD
  - CD1 High Level meeting
  - CD1 Quarterly Check-in
  - HS1/CD3 weekly meetings
  - Fire Commission Meetings
  
- Training & Exercise
  - ChemPREP planning for seminar with Dept. of Homeland Security new division on terrorism planning, prevention and response
  - Complete AWR-167 training course for awareness and planning for large scale incidents across agencies and venues. This is in preparation for NBA all-star game, Superbowl and FIFA World Cup.
  
- CCSF
  - Outside Lands planning meeting
  - Dreamforce planning meeting
  - Portola Music Festival planning meeting
  
- Department of Emergency Management (DEM)
  - Integrated Preparedness planning meeting

FEMA CA-TF3

- Search Canine Unit
  - Monthly Drills
- Rescue/Hazmat/Logistics/Comms specialists
  - Monthly drills
  - WHITE team on standby
- 3 new applicants approved to move forward in Rescue Specialist training

IMT/Mutual Aid/Disaster

9 members deployed in various overhead positions to support wildland fires

Federal Department of Homeland Security/United States Secret Service (USSS)

- VPOTUS visit planning meeting and support coordination

US Coast Guard

Complete visits to Cutter ALDER for awareness and response

### Fleet Week

- DSCA\* Exercise Planning meeting
- Fleet Week overall planning meeting
- Military Force Protection tabletop exercise clarifying Federal and local roles in an incident

### Urban Area Security Initiative (UASI)

- Securing the Cities full scale exercise after action meeting
- Active Attacker full scale exercise initial planning and concepts meeting
- Fire Service training course prioritization meeting

### Incident Management Team Development:

- EAP development workshops

### Drone Program

Awaiting arrival of new drones

### NCRIC (Northern California Regional Intelligence Center):

- Lt. Mauberret NCRIC update report
- SAR (suspicious activity report) reporting and review of alerts
- Situational Awareness Distribution to EAP Group

### Major Incident Planning

- NBA Allstar Game 2025
- Superbowl 2025
- World Cup Soccer 2025
  - CalOES\*\* World Cup Communications Working Group meeting

### On-going Coordination/Projects:

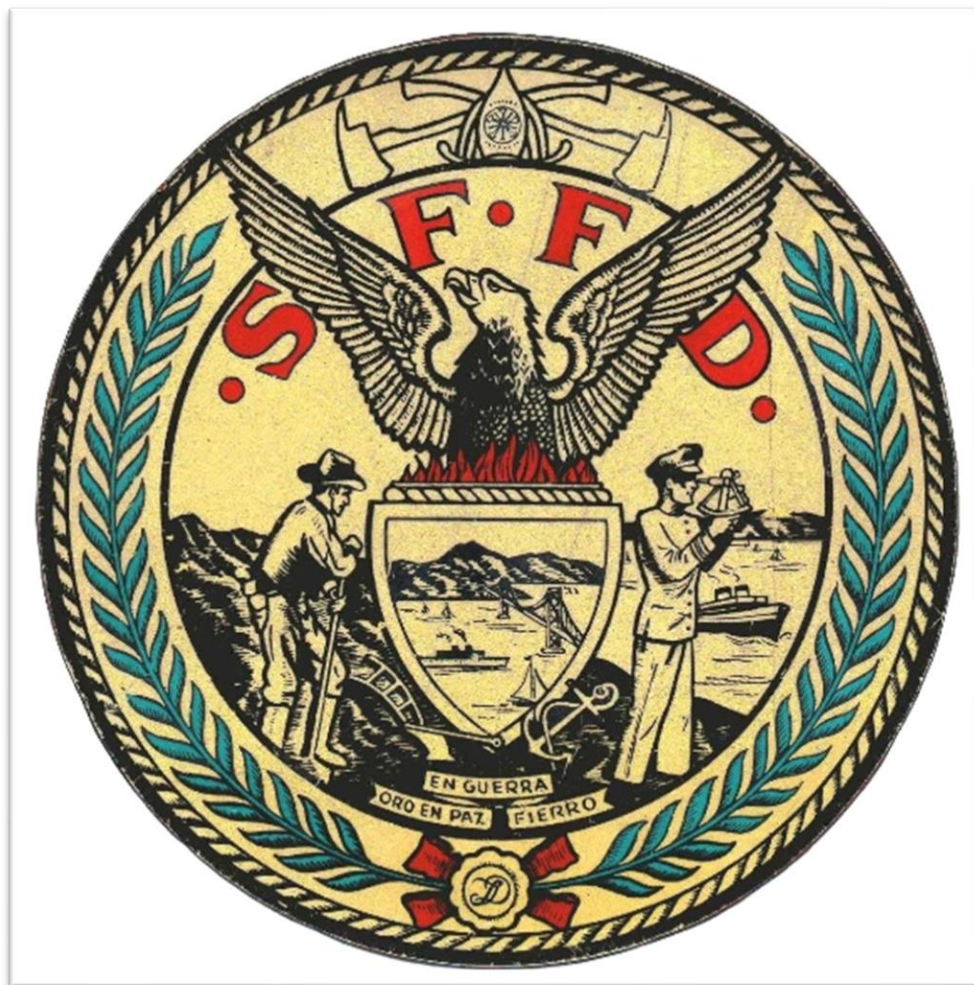

- Disaster Manual updates & Disaster Checklist Project ongoing- Committee Chair coordination
- UASI grants management
- FDOC
  - Maintain situational awareness
  - FDOC Battalion & Satellite Phone Planning Meeting with MIS and Support Services
  - Starlink Demo with MIS and B from Radio
- SFPD Operational Orders distribution

### Event/Incident Action Plans (EAP/IAP) Completed:

- Outside Lands
- USSS VPOTUS visit

# Diversity, Equity, Inclusion

*Diversity, Equity, Inclusion Office  
ADC Shon Buford  
August 2024*

**Recent ORD Activity – July 1 - 31, 2024**

Lt. Hashim Anderson, FF Ariana Wilson

**San Francisco Achievers Family Day**

- Lt. Anderson and Firefighter Wilson participated in a job fair / family day with the SF Achievers Program
- Engine 42 was detailed

**Pathway for Kids Potrero Hill Neighborhood House**

- Engine 37 stopped by to participate in a fire safety presentation, allowing all the kids the opportunity to get into the engine.
- Firefighter Wilson put on a presentation for the high school students in attendance about a career in firefighting, while also providing information about our hiring process

## Stanford Pilot

- Firefighter Wilson, Lt. Stricklin and Firefighter Duling went to Stanford to conduct a team building exercise. The athletes utilized firefighting equipment ( hose, high rise packs, and SCBA's) to run through evolutions.
- This was a successful event, with the coach asking for us to come back, and the athletic director suggesting we try to connect with other teams on campus as well.

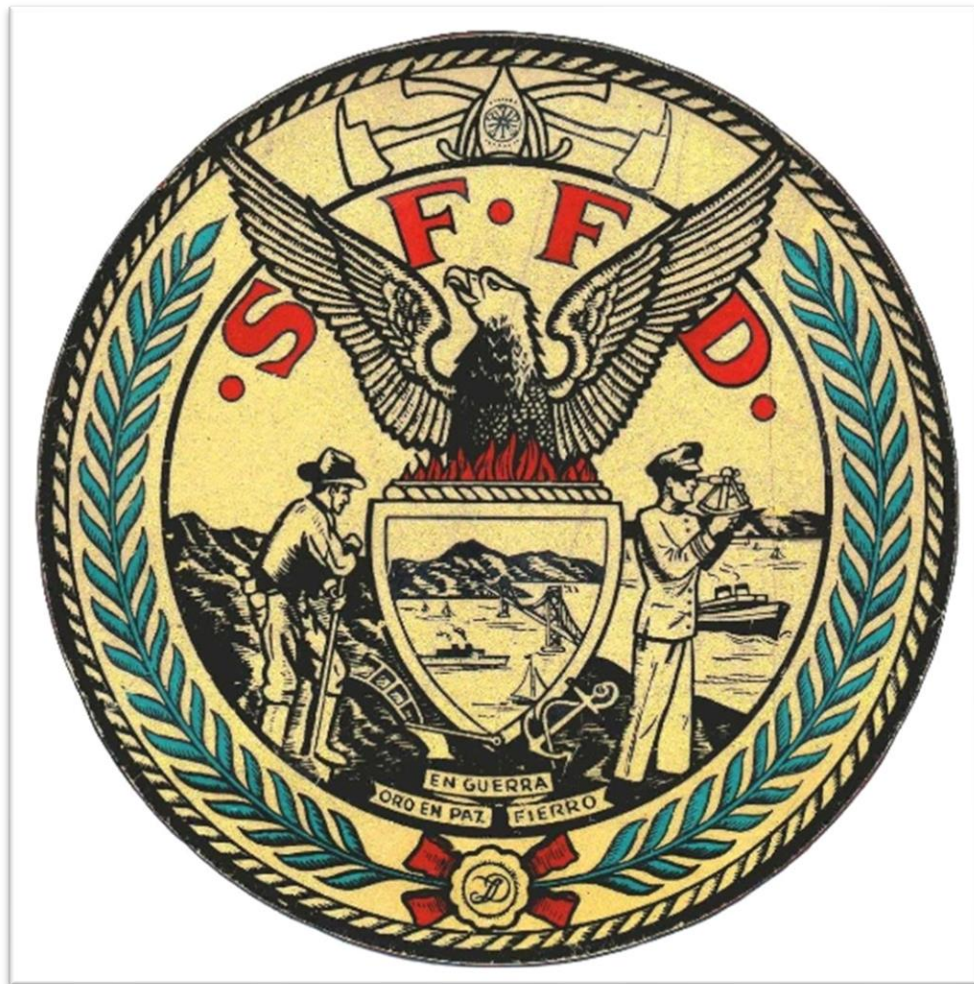

## Opportunities for All Fishing Trip

- Lt. Anderson took students from OFA internship with flame athletics on the bay for a fishing trip.

# Health, Safety and Wellness

*Health, Safety and Wellness*  
*BC Matthew Alba*

**Commission Meeting Report for Health, Safety, and Wellness August 2024**

Every Monday: Meet with BHU Captain Buren  
Every Tuesday: Meet with Chief Kaialoa  
Every 2 Weeks: Working Group on Wildland and WUI Respiratory Protection  
Every 2 Months: Rep. Chief of Dept in Family Violence Council Meeting  
3<sup>rd</sup> Tuesday: Health and Safety Committee Meeting  
3<sup>rd</sup> Wednesday: SF First Responder Peer Support Advisory Committee  
3<sup>rd</sup> Thursday: San Francisco Firefighters Cancer Prevention Monthly Meeting  
4x/year: Fire Fighter Cohort Cancer Study: Women Firefighters Quarterly Meeting  
Every Friday: Follow up with members on DP, retired members and others who have cancer

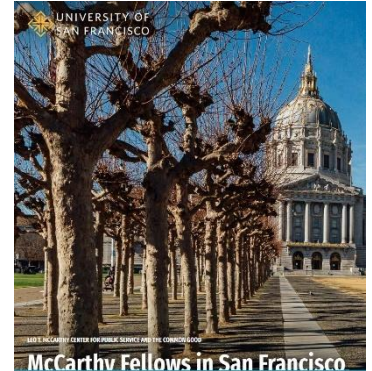

- Presented **Cancer Awareness** Presentation to the SFFD 134 Recruits

- Presented to the BC Academy on the **SFFD Policies and Memos** that are meant to protect our membership
- As part of our commitment to the health and wellness of all SFFD personnel, we have been collaborating with Local 798 to provide **cancer screenings** for our active and retired members.

## ***Behavioral Health Unit Captain Heather Buren***

- The new USF McCarthy Fellow, Jaeda Johnson, began working with the BHU on Aug 5. She will assist in developing a Community Technology Network for the Behavioral Health Unit. We hope to bridge generational gaps and reduce the stigma surrounding mental health in first responders by creating and utilizing digital platforms to enhance access to mental health resources, promote science-based education, and encourage wellness practices.  
Please note #mindfull Monday IG posts sent out by SFFD PIO is an example of the work Jaeda and Peer Navigator Chelsea Nelson are doing with this project.

- **Recruit Class 134 has completed its second 4-hour training session presented by the Behavioral Health Unit (BHU)**, bringing their total training hours to 8. The sessions included resilience training, active listening, a critical incident panel discussion with SFFD members, and tactical breathing and mindfulness exercises led by Lane Kennedy, a coach from the SFHSS Wellness Division.
- SFFD Lactation Policy completed and sent into the field.

- Aggregate data from the Peer support Navigators for the month of August.
- 58 New contacts (call or meeting) With an average of 90 hours spent with SFFD members and family
- The BHU team has dedicated over 80 hours to creating new educational content, teaching, and collaborating with other San Francisco first responder groups, including SFPD, Sheriffs, and Dispatch, to discuss best practices re: critical incidents and interview and vet mental health clinicians to join the ComPsych/EAP specialty provider list. In spare time the Unit continues to tour and explore new facilities and resources to support active and retired SFFD members and their families.

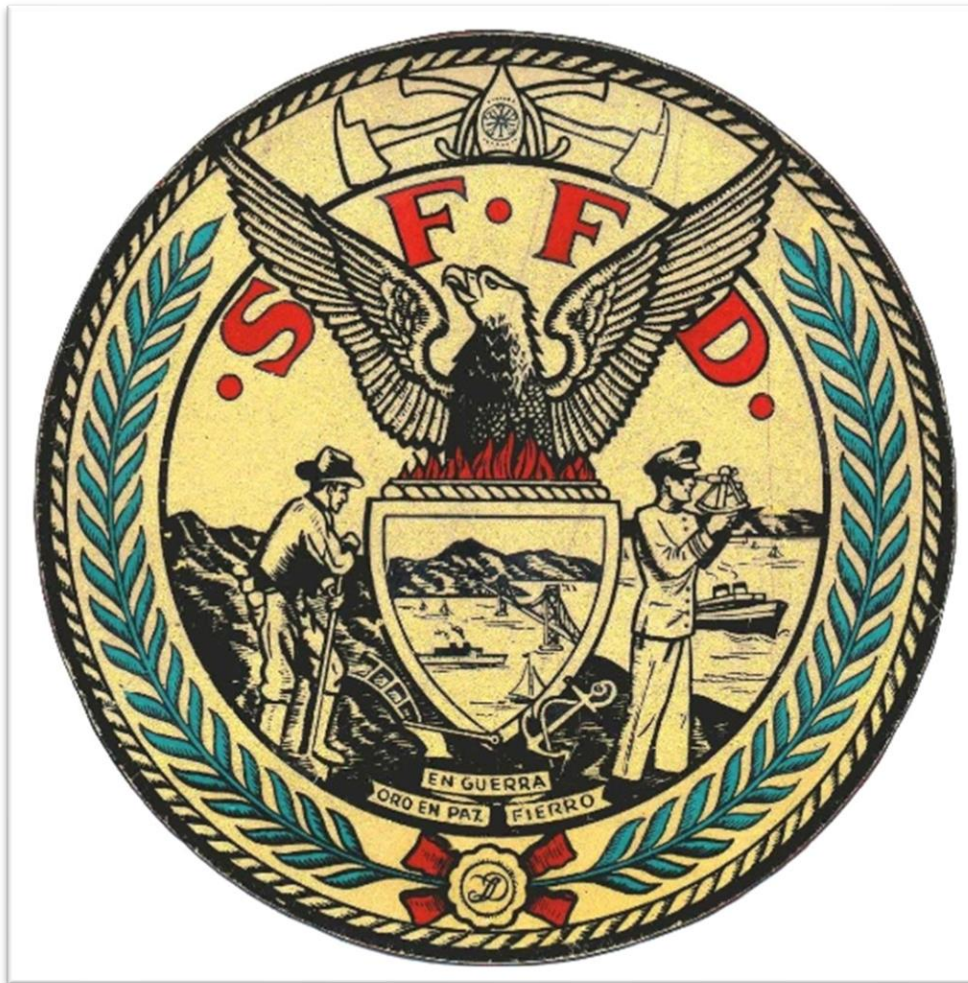

- The high divorce rate among first responders, including firefighters, is often attributed to the unique stresses of the job. We face irregular work hours, repeated exposure to traumatic events, and high physical and emotional demands, which can strain relationships and make communication with spouses difficult. The constant need to maintain emotional resilience on the job may lead to emotional distancing at home. This month, the Behavioral Health Unit (BHU) spent significant time addressing family and marital issues, recognizing that these challenges are a key concern for many members and a leading cause of stress within our community, we are discussing further educational possibilities on the topic!

*Environmental Occupational Health and Safety  
Anthony Boone, CIH, CSP, CHMM, CEI  
August 2024*

- Performed SPCC Inspections
- Reviewed UST Inspections
- Attended Monthly health and safety meetings
- Submitted OHD quantifit fit-testing machine for calibration
- Submitted annual report updates in CERS ( California Environmental Reporting system)
- Fit tested HAZMAT station 36 for new type of SCBA mask
- Transfer of function officially to SFFD

# Office of Employee Health

*Office of Employee Health  
Steven Chang, DO, Supervising Physician  
August 2024*

**Return to Work: 74**

**New Hire:**

- Screened candidates for the EMS Academy scheduled for September 2024.
- Preparing to screen candidates for the 135<sup>th</sup> H2 Academy scheduled for January 2025.

**Promotion/Probation: 22**

**Monthly Summary of Work-Related Injuries and Illness Report**

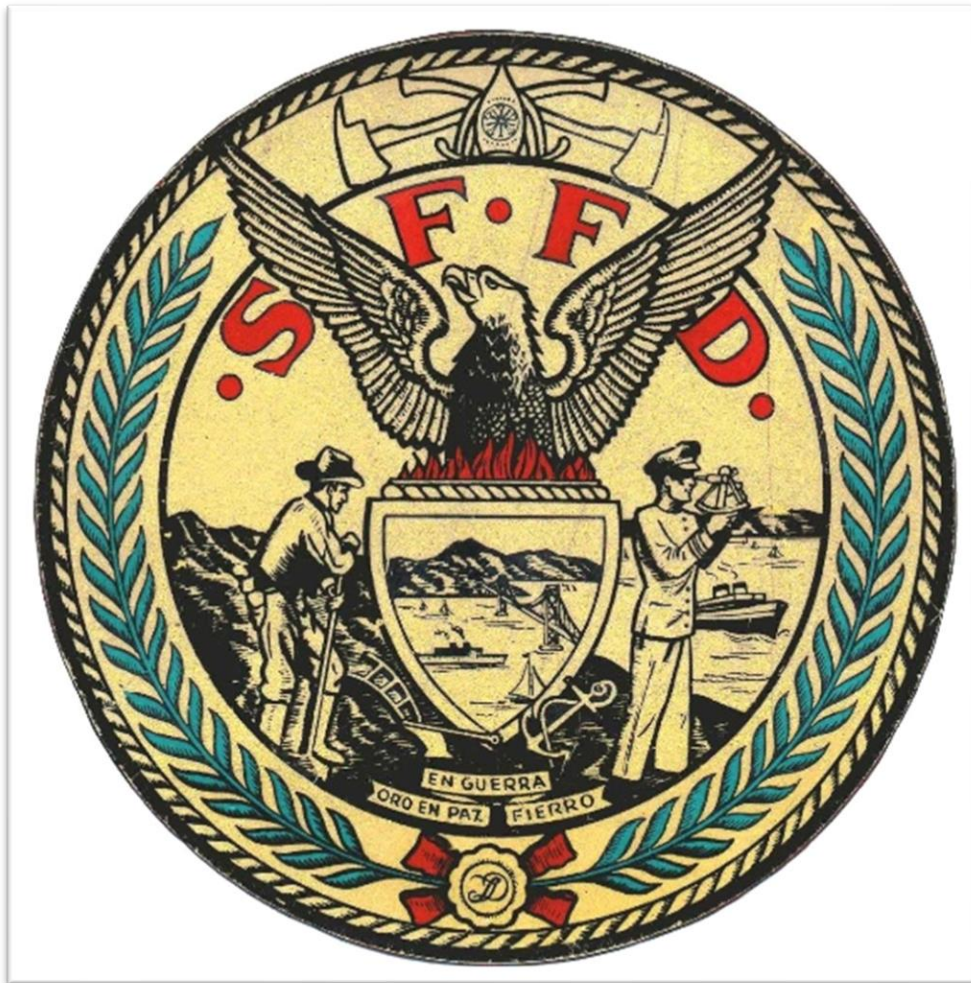

- 66 = Total number of 3807 injuries/illnesses - no medical evaluation
- 44 = Total number of 5020 injuries/illnesses - completed medical evaluation
- Top three 5020 events:
  1. COVID = 19
  2. Back = 7
  3. Shoulder = 3
- 41 = Total number of 5020 events that resulted in time off work

**Other Activities:**

- Station visits with Deputy Chief Kaialoa
- Meetings with IT to discuss data and reports for CQI planning
- Meetings with ZSFG Occupational Health to discuss member services
- Meeting with City Attorneys
- Continued participation in CCSF Joint Labor Management Committee Meeting
- Continued participation in BHU Subcommittee
- Continued collaboration with UCSF Addiction Specialist
- Continued participation in Health and Safety Planning Committee
- Continued participation in Wellness Fitness Initiative Subcommittee
- Ongoing discussions for new EHR
- Revising Bloodborne Pathogen Exposure Control Plan

# Research and Planning

***Research and Planning (Assignment Office)***  
***A/Captain Ed Chu***

List of recent activity in the Assignment office for **August 2024**

1. Assignment Office is working with EMS Division and Community Paramedicine for on-going staffing and scheduling.
2. Assignment changes for Fire Suppression, all ranks. For staffing and promotions.
3. Posting Seniority List for 2025.
4. Preparing 2025 Vacancy for Suppression.
5. Ongoing work with Fire Prevention and Fire Investigation on staffing and scheduling.
6. Working with Airport Division for staffing.
7. Preparing and implement Airport Vacancy for 2025
8. Ongoing work with Fire Pay roll for discrepancies for every pay period.
9. Ongoing work with OEH with placement of TMDs.
10. Working with Homeland Security for staffing of special events.
11. The EMS WDO-In-Advance continues per General Order 20 A-08. In accordance with the policy, pre-hiring 75% of open ambulance shifts seven days in advance.
12. Continues to assist Physician's Office with assigning personnel to Temporary Modified Duty Positions.
13. Continue new WDO-In-Advance Policy for Suppression members, General Order 21A-64. Pre-hiring of 50% of shortage seven days in advance on Thursday, Friday, Saturday, and Sunday.
14. Continue Mandatory Credit given WDOs for weekends to increase voluntary WDOs.

# Investigative Services Bureau

***Investigative Services Bureau  
Captain Todd Weddle  
August 2024***

**Fireboat/Energetix DOT Testing Program**

The Fireboat testing is now under the random testing program and the names are added to the draw pool daily from Datco Services.

**Random Alcohol and Drug Testing Program**

The Random Alcohol and Drug Testing Program is in compliance for the month of August.

Investigative services received four hundred Oral drug tests in preparation for the next round of recruitment H2/3 classes.

**Post-Accident Alcohol and Drug Testing Program**

Three post- Accident Alcohol and Drug tests were administered by ISB during the month of August.

**Conditional Offer, Promotional and End-of-Probation Alcohol and Drug Testing Program**

Thirty-six Members participated in promotional, and end of probation Alcohol and Drug Testing, with the Doctors office. Cpt Weddle ensured the Dr Office has all the necessary supplies for testing.

**Breathalyzers**

Two Breathalyzers that have recently been sent for recalibration have been malfunctioning. Both have been sent off to Inoximeter to be accessed and repaired.

**California Driver Licenses (CDL)**

Cpt Weddle continues to monitor all Dept members Drivers Licenses via CA DMV Pull Notifications.

Investigative Services provided information to all the membership regarding possible insurance premium hikes for members that have been involved in an on-duty vehicle accident.

**Background Investigations**

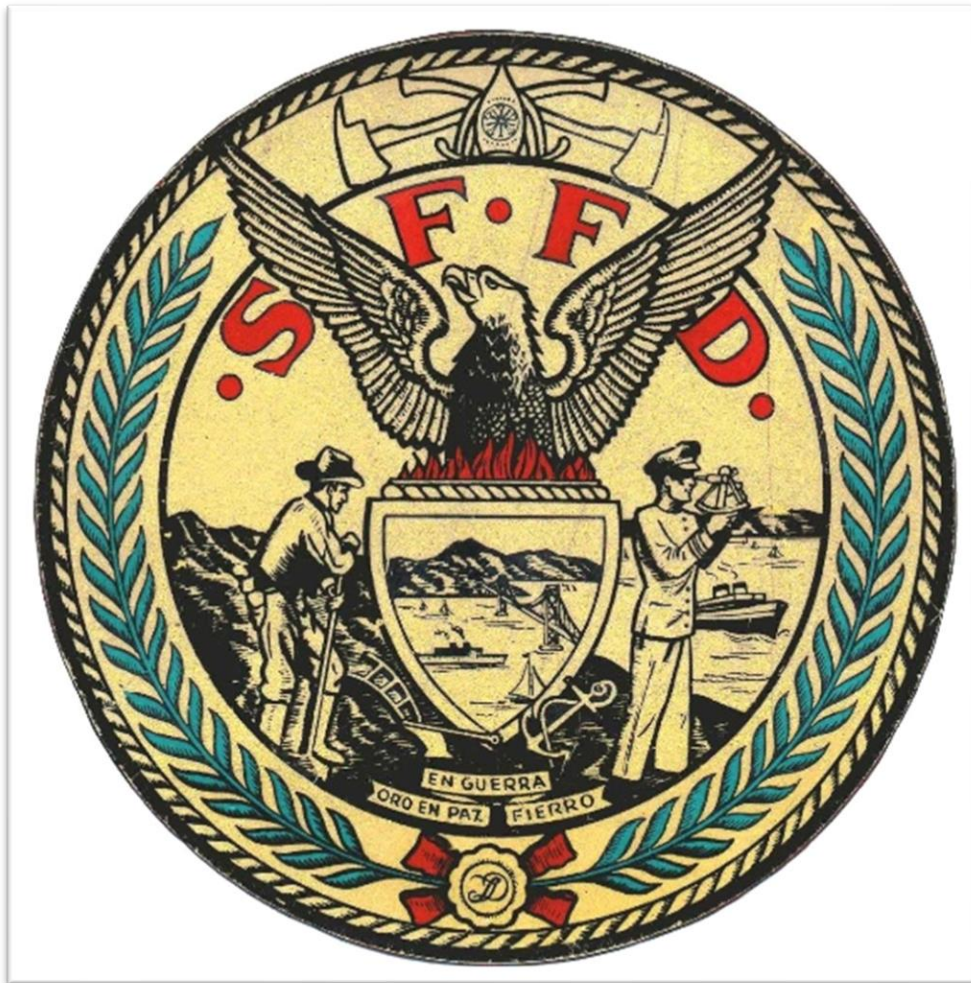

Background investigations for the current H3L2 class of Twenty-two Candidates have been completed in August.

Cpt Weddle is in preparation for the next H2 Recruitment class background process. Minor changes are being made to streamline the intake and investigation process.

### **Other Business**

Cpt. Weddle recently returned from the Park Fire (Butte County) where he gained valuable knowledge working with both Federal and State resources during a natural disaster.

# Support Services

**Support Services – ADC Michael Mullin**  
**August 2024**

FACILITY MAINTENANCE & PLANNING (June Waechtler, SFFD)

- A total of 129 requests for service were initiated during the month of August, 2024.
- 161 service orders were completed and closed out in August, 2024.

**PLUMBING**

- Eight service calls were placed to resolve minor plumbing issues (faucet, toilet, urinal repairs; clogged sinks, shower drains) in the month of August, 2024. All issues were addressed by DPWs Plumbers.
- Four sewage backups were reported during this month (BOE 25<sup>th</sup> St., FS 38, 7, 19).

**HVAC/HEATING/BOILER**

**FS 9:** SO # 2066398. ESTIMATES RECEIVED from DPW Steamfitters to replace 3 rooftop HVAC units: \$149,701.72.

Submitted approval to DPW/BBR to proceed with work as quoted. DPW Steamfitters submitted a quote for new equipment on 7/31/23. Equipment is due to arrive shortly. Given that FS 26's furnace install is nearing completion, DPW Steamfitters can start on FS 9's AHU replacement. Roof will be open for 1 week while sheetmetal is building curbs for the new units. Postponed until 1 week of clear weather is in forecast. Lift to remove old units off roof is scheduled for Monday, May 13. Curb adapters will be fabricated, and units will be set in place. 2nd lift TBD. Lift Review Meeting is scheduled for Friday, May 10th. Status Update: Old units were removed, and the curbs were fabricated. Lift to set new equipment was rescheduled to Monday, June 17th, 8:00 am. Steamfitters propose to complete gas piping and drains mid-July. Sheet metal will be done with the economizers and powered exhaust fans mid-July. Extra items that were not included with the unit: 1) Hail guard for the coils; 2) Exhaust extension piece to prevent flue gas from being pulled into the economizer; 3) a fuse block terminal at the power exhaust fan. These items were identified upon installation. *Status Update: Hail guards and flue extension pieces were delivered. Fuse blocks were installed for the power exhaust section. 2/3 units are started 1 remaining had a vent pipe that needed to be relocated for the power exhaust fan code clearance, which was completed by DPW plumbers. The exhaust fan on 1 remaining unit is ready to be installed and wired. Final walkthrough will be upcoming after completion. Terminal block for the power exhaust fan is being ordered, when part arrives we will install the power exhaust fan and wire. Units are running. Coil guards need to be attached.*

**FS 12:** 2155506. Boiler re-pipe proposal. Received revised quote from DPW Steamfitters \$72,025.26. Approved by Support Services. *Status Update: Boiler re pipe has begun. New piping is installed and new pumps are set. We are waiting for alternating relay and power to be installed.*

**FS 13:** 2154832. ESTIMATE RECEIVED for Furnace/Forced air units in dorm; price also includes replacing exiting ductwork: preliminary estimate \$80,000. Awaiting formal ESTIMATE from DPW/BBR. DPWs Steamfitters made a temporary repair, however 2/4 zones have bad heat exchangers and gas is locked out. Unit is working with temporary repair in place. Received estimate for \$104,888.00. Quote approved by Support Services. Waiting for labor availability and funding transfer. DPW Steamfitters are reviewing system operations of new units at St 26 then they will replicate system for St 13 as per discussion with Support

Service's Assistant Deputy Chief and Stationary Engineer. Still discussing which units to purchase with SFFD Stationary Engineer. Waiting for equipment to be approved by Support Services. Steamfitters also propose surveying the electrical panel as discussed with SFFD. *Status Update: Waiting for labor. Equipment has been ordered Norman S. Wright.*

**FS 14:** 2203579. New pulleys, motors and belts were installed on the station's exhaust extractor system to improve intake. Fan not performing as designed. A rep from Nederman (manufacturer of the exhaust extractor) came on-site for inspection and recommended a different exhaust fan for the exhaust extractor. HVAC installation is complete. Nederman exhaust fan had to be replaced and has been ordered; ETA is 3 months. DPW Steamfitters are still waiting for fan procurement. Issued PO to Air Filtration on 5/25/23. Replacement fan arrived. *Status Update: Waiting for labor. New fan has been installed and is working by design. New springs are \$1,200.00 will take 16hrs labor + 2hrs supervision to complete installation. I will need to be advised on how to proceed.*

**FS 22:** Re-circ pumps need to be replaced. DPW Steamfitters to conduct walk thru with Support Services then provide estimate for re-pipe. Moving forward with estimate for re pipe. *Status Update: SO # 2314145 was submitted to SFFD for approval to re-pipe boiler. Waiting on client approval.*

**FS 23:** Heater in Officer's Room needs to be replaced including new t-stats, on-off switch. Drying Room needs new heater and exhaust fan. Modifying controls to include timer and on/off switch in or outside Drying Room. Waiting for quote from DPW's Steamfitters Shop for two heaters, one exhaust fan and the necessary control work. Quote received from DPW; in for ADC of Support Service's review. ADC of Support Services requested that a quote be provided just for the fan coil replacement. *Status update: Steamfitters propose to modify the existing estimate and resend mid-July. SO # 2115449 was submitted to SFFD for the Officers Room heater replacement. Waiting on client approval.*

**FS 28:** Flushed entire heating system and strainers of fan coil and air handlers; will replace 3 t-stats. Pump was replaced and 2 of the 3 T-stats have been replaced. The last of the 3 T-stats installed in March. New equipment is not syncing with older equipment plus multiple zones with inadequate heat. Additional control valves and thermostats are needed. Quoted 3 days labor plus \$3,000 parts which was approved by ADC Mullin. New thermostats and control valves have been received and need to be installed. Installation scheduled for mid-July. New control module was installed on air handler. T-stats and control valves still need to be added to the 4 heating zones. We are complete with 3 of the control valves and t-stats. Steamfitters need to install 2 more control valves (which were buried in ceiling). All new thermostats and control valves have been replaced. Additional issues remain: HHW pump is making grinding noise and control valves on the roof units are becoming severely compromised by exposure to the elements. DPW proposing to replace one pump and 2 control valves with weather shield for the roofing units. Waiting for equipment and labor cost estimate. The new pump and valves with the weather shield is \$4,600 installation will take approximately 2 men to install in two days. Approved by Support Services. Waiting for parts to be procured. Material is in, waiting for labor. New control valves were installed, and heat is on in the dorm and other areas of station. Insulating of rooftop is next. Steamfitters are monitoring the heating system's operations. Insulation on roof is complete. Still have one day of control wiring to complete on roof which will include adding a control box on the roof to fit the zone controller. DPW will schedule labor for 1 day to clean up the exposed control wire on the roof after HVAC start up at St 9. *Status Update: Currently waiting for labor.*

**FS 37:** RADIATORS It was discovered that 17 radiators need new valves to control on/off. Nine (9) units do not work. Waiting for proposal to change out all valves. Drying Room

Heater needs a 3-way valve and an outdoor air override that needs to be installed. Proposing two men to take nine (9) days, plus \$3500 in parts. The heat is on in the Station and the new program settings are adequate to get through the winter. Work will need to be done when they are permitted to shut Boiler down for a few days. Waiting for formal quote to be sent to ADC Support Services for sign off. Status Update: *Deferred*.

**FS 41:** 2155508. Boiler controls proposal. Received revised quote from DPW Steamfitters \$23,559.83. Approved by Support Services. Order of new relays and wire has arrived; DPW will schedule labor to replace contactors and relays in the control panel. Status Update: *Waiting for labor*.

**FS 43:** DPW Steamfitters are investigating intermittent heat issues on 1st Floor. Waiting for findings. There is an existing radiant heating system on the 1st floor of the Station. Steamfitters are proposing to see if they can repair system which could resolve the heating issue. Steamfitters advise if unit is not repairable, they propose designing a new heating system for the 1st floor. Status Update: *Project under consideration by Support Services*.

#### CEMENT/ASPHALT

No major cement issues were reported.

#### EXHAUST EXTRACTORS

FS 2, 20, 6, 44, 48 and 6 reported issues with extractors. All issues have been resolved. FS 23 and 18 reported issues with station's exhaust extractor previously. Waiting for quotes from vendor who will provide specialized fabrication. Received quotes which includes stainless steel exterior fans to prevent premature rusting. Processing purchase orders. Status Update: *Waiting on delivery dates*.

#### GLASS/WINDOWS/SCREENS

No major glass/window/screens issues were reported.

#### CARPENTRY

No major carpentry issues were reported.

#### ELECTRICAL

No major electrical issues were reported.

#### LANDSCAPING

No major landscaping issues were reported.

### **E.S.E.R.—Emergency Firefighting Water System (EFWS), SFPUC, August 2024**

- 2000 Marin EFWS Expansion – Extend the EFWS along Marin Street from an existing 12-inch along Evans Avenue. The extension is about 800-ft and 12-inch earthquake resistant ductile iron pipe (ERDIP). Construction contract is being awarded.
- Clarendon Supply EFWS Pipeline – Construction reached substantial completion January 2024. Continued to address closeout items, expected final completion by Fall 2024.
- Fireboat Manifold – Planning for new pipeline and fireboat manifold near Fort Mason Pier 2 and Pier 35.5 for fire suppression continued.

- Potable Emergency Firefighting Water System (PEFWS) project – Design for Contract A (from Lake Merced Pump Station to Sloat Blvd/19th Ave) and Contract B (from Vicente Street / 23rd Ave to 42nd Ave / Lawton St.) continued.
- Street Valve Motorization at Evans and Napoleon – Replace and modernize an existing 12-inch pressure valve with a new ball valve. This also serves as a pilot project for the PEFWS Pipeline. Construction contract is being awarded.

E.S.E.R. BOND 2010 NFS – Updates through August 2024

**Additional Focused Scope Program (Michael Rossetto, San Francisco Public Works):**

**Emergency Generators:**

- o **Fire Station 14** – Moved to ESER 2014 section

E.S.E.R. BOND 2014 NFS – Updates through July 2024

**Seismic Improvement Program (Magdalena Ryor, San Francisco Public Works):**

• **Fireboat Station 35 (\$50.5M)** – Certificate of Final Completion was issued on November 11, 2022. Final Payment Application to Swinerton/Power, JV was approved on 7/10 followed by the final release of retention on 7/12/2022. Project is in the Warranty Period.

[M. Rossetto] FS35 Security gate enhancement has emerged as a high priority for SFFD. Permit applications have been submitted to both BCDC and the Port. BCDC comments have been received and responses underway. 6/26/24 BCDC states that the permit application is complete and that their deadline is now 9/24/24 to issue the amendment. Despite BCDC’s commitment to issuing a draft amendment for review by the end of July, it has not been received.

**Focused Scope Program (Michael Rossetto, San Francisco Public Works):**

*Total Funding allocated for the Focused Scope Program is \$21,407,279, approved by SFFD on 8/17/17. Work is complete in 8 of 9 of the Focused Scope categories comprising Roofing, Apparatus Bay Door Replacements, Exterior Envelope Improvements, Windows, Showers, HVAC/Mechanical, Sidewalk/Slabs, and Security Access Control. Work continues to progress through the last scope category, Generator Replacements.*

### **Emergency Generators:**

- **FS 2** – Scope of work: replace existing rooftop generator set, structurally strengthen roof structure to support new fuel tank with capacity for 72-hour run time and provide new fuel fill port and piping to generator.  
*This project is complete.*
- **FS 19** – Scope of work: replace existing generator at grade and replace main electrical panel. Construction phase review of submittals underway with the contractor MIK. DPW-BUF contacted to review health and pruning/removal needs of trees adjacent to the fire station. BUF agrees that the large tree adjacent to the generator is not healthy and should be removed. SFFD agreed to move forward with the BUF fee proposal. The tree removal is to be scheduled for the fall.
- **FS 14** – Scope of work: replacement of existing generator with new rooftop generator, new subgrade fuel fill port at the sidewalk in front of the station, and new fuel piping from sidewalk to generator.
  - DPW-BOA has been approved to re-initiate the project with a concepts phase to validate changing the generator from a rooftop to a ground-mounted location that will be fuel-filled by hand in lieu of piped. The concepts drawing was delivered to SFFD on 4/29/24 and approved. DPW held a design review with the new SFFD Captain and is awaiting SFFD direction to move forward with redesign. On hold.
  - Design proposal from BOA submitted to BPM may need revision pending SFFD direction.

### **Exterior Envelope:**

- **Package 1 (FS 8, 20, 23, 29)** – FS 8, 20, and 29 are complete; On 1/15/21, SFFD requested a hold on FS 23 painting due to other priorities.
- **Package 2 (FS 24, 34)** – This project remains on HOLD initially placed at the request of Capital Planning in order to provide supplemental funding to the Police TC&FSD project. It is now expected that those funds will be returned to the SFFD for allocation to a priority project, possibly FS24 and/or FS34.
- **FS 17 & 31** Exterior Envelopes were requested as new projects by SFFD in August 2023, both as lower priorities. These were approved by the Capital Planning Committee for use of ESER 2014 interest. A waterproofing consultant is recommended to determine corrective measures and potential costs.

### **Miscellaneous:**

- FS35 Security Fence Enhancements, FS17 Boiler Replacement & FS 29 Apparatus Bay Door Replacement were requested as new projects by SFFD in August 2023. These are ranked as the highest priority (most urgent) projects after the Network Modernization project.
- **FS 35** – See Fireboat Station 35 description.
  - **FS 17** – Boiler Replacement ON HOLD per SFFD 12/12/23 email.

- o FS 29 – Apparatus Bay Door Replacement: JOC fee proposal from Rubecon was received, reviewed, and approved. Kick off meeting with Rubecon held on 6/13/24. The final submittal is pending samples for review. A 60-day door lead time is anticipated.
- o DOT/FS 7 Railings: Permits issued. On-site activities in mid-August.

**Network Modernization Project (Michael Rossetto, San Francisco Public Works):**

Survey existing network infrastructure and document recommended improvements at all fire stations. The hazardous materials survey consultant EnviroSurvey completed all stations in June 2024. Lab test results show eight stations require asbestos work. 8/15 site visits eliminate one station requiring asbestos work. JOC fee proposal accepted and contracting work for MIK underway as of August.

E.S.E.R. BOND 2020 NFS – Updates through August 2024

**Division of Training – Formerly “Fire Training Facility” (Scott Moran, San Francisco Public Works)**

*3D Massing Diagram – Exterior Building Treatment Rendering*

**Budget:** \$275M

**Phase:** Design (Schematic Design)

**Schedule:**

- Estimated Start of Construction – Fall 2025
- Estimated Substantial Completion – Fall 2028

**Highlights:**

- 100% Schematic Design Drawings were completed on 8/23/24 and were sent to the estimators for a detailed design progress estimate check.
- Meetings with SFPUC continued in August, including revised soil retention & stormwater management strategies as well as meetings to determine if the project will be

subject to the Non-potable Water Ordinance. Updated documents have been sent to SFPUC for review and feedback.

- WSP environmental engineers began their review in August of the draft report from SCS Engineers on the smoke study that was completed earlier this year and includes significantly lower projected emissions. This review is instrumental in determining if Planning will consider possibly modifying or eliminating the smoke capture system identified in the CEQA as a mitigation measure.
- Additional on-site geotechnical investigations are set to begin on 9/30/24 to better define soil conditions for building foundation systems, based on the building sizes and locations at the completion of Schematic Design.
- SFFD applied for a FEMA Grant on the project, and they have been told it is set to be approved shortly. However, with federal funding there is an existing restriction on “local contracting preferences” (e.g. San Francisco’s Local Business Enterprise Program). That restriction is set to change after 10/1/2024, therefore the advertisement of the combined RFQ and RFP (Request for Qualifications & Request for Proposal) for Construction Manager/ General Contractor services needs to be postponed until after 10/1/24.
- Civic Design Review, Phase 1: Schematic Design is being planned for presentation and review before the San Francisco Arts Commission (CDR Committee) on 10/21/24

### **Fire Station 7 Replacement (San Francisco Public Works)**

**Budget:** Expected budget of the Fire Training Facility does not create funding opportunity for the FS 7 project

**Phase:** N/A

**Schedule:** N/A

**Highlights:** N/A

P.H.S. BOND 2016 NFS – Updates through August 2024

The total funding allocated for Neighborhood Fire Stations is \$9.1M.

### **Seismic Improvement Program (Michael Rossetto, San Francisco Public Works):**

**Hose Tower Removal & Roofing (FS 6, 11, 12, 21, 38) – Complete.**

**Hose Tower Removal & Replacement (FS 15)**

December 2023 JOC fee proposal was received and is in excess of the \$1M threshold. Design-bid-build will be pursued, adding approximately 6 months to the start of construction. SFFD has requested minor design changes with the addition of electrical outlets and a ship’s ladder in lieu of a vertical ladder to the roof. BOA has met with SFFD to review design changes. An on-site meeting occurred with the radio Shop to determine replacement of antennas currently mounted on the existing tower. BOA will revise the drawings for final draft review with SFFD. BOA is producing fee proposal inclusive of structural and electrical for the SFFD requested changes.

### **Focused Scope Program (Michael Rossetto, San Francisco Public Works):**

**Emergency Generators:**

**• FS 37 & 44:**

- On-site construction activity began the week of April 22, 2024.

- Load bank delay from manufacturer until August 2024. The generators are at a Stockton facility waiting for load bank installation prior to site delivery.

• **FS 18:**

- SFFD requested a cost proposal to change the generator housing to aluminum. SFFD agreed to the aluminum upgrade.
- JOC fee proposal received and approved.
- Authorization to proceed with JOC received from the SFFD on 6/4. NTP for construction anticipated in mid-July.

**DEPARTMENT ENGINEERING (Stationary Engineer Avo Sarkissian, SFFD)**

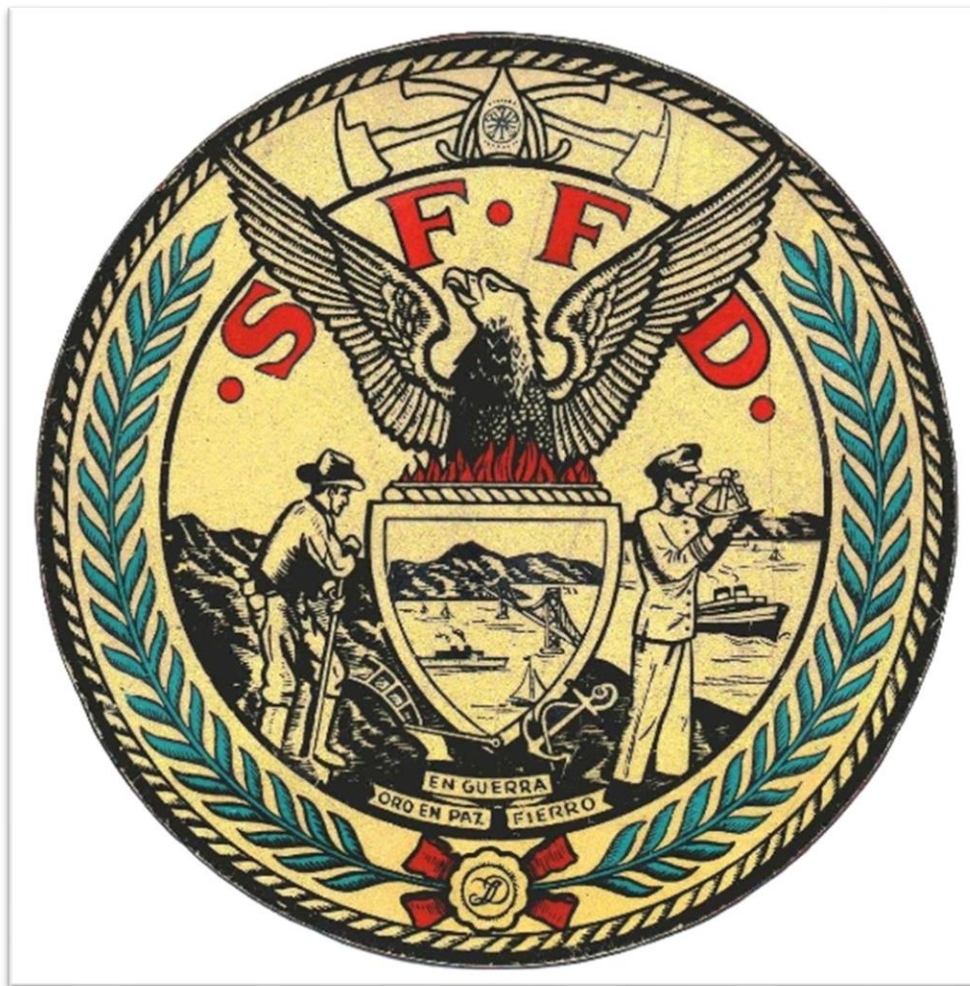

- Ongoing and routine maintenance at Fire Stations, HQ and ADF.
- Funds have been transferred to SFWD for replacing HQ main water back flow device. No date has been set for install.
- HQ Elevator modernization quote was submitted to CFO for viewing.
- Station 2 sewage ejector pump upgrade were completed. DPW plumbers need to return due to one faulty pump. The replacement pump has been ordered no date has been set for repair.
- Station 17 Boiler replacement cost proposal from outside vendor was received and forwarded to ADC's.
- Station 9 HVAC replacement units have been received. Work is 95 % completed
- DPW Plumbers will repair a section of underground gas piping at station 18. No date has been set to begin
- DPW steamfitters have ordered new furnaces for station 13 no date has been set to begin.

**BOE/FLEET MANAGEMENT (Lt. Jason Watrous, SFFD)**

- BOE Captain went to Chehalis, Washington for (6) final ambulance inspections.
- BOE assisted with SFPD Funeral of fallen officer providing double aerial flag display
- SFFD took delivery of (6) new Braun NW ambulances
- New Scuba Dive Communication equipment received and distributed to both rescue squads. First new dive communication equipment in 15 years
- Took delivery of new Upfitted Tahoe, awaiting DVRS installation
- Continuation of decommissioning of old retired apparatus and donated ambulances
- Another Relief Pumper outfitted with red hose, brings quantity up to 4
- Assisted with Apparatus photo shoot with Larry Shapiro

# Earthquake Safety and Emergency Response (ESER) Bond

***Earthquake Safety and Emergency Response (ESER) Bond***  
***Assistant Deputy Chief Garreth Miller***  
***August 2024***

New SFFD DOT Construction

- Design workshops continued focusing on the features of the fire training structures and the exteriors of building
- Schematic Design is complete, and the 100% Schematic Design documents were submitted to two cost estimators that will provide estimates of the full construction costs of the project
- SFFD and members of the design team met with members of the Arts Commission to begin planning the art enrichment for the site
- SFFD and members of the design team met with San Francisco Public Utilities Commission personnel to identify appropriate soil retention and stabilization methods and determine if the site is subject to the non-potable water ordinance requirements
- Public Works reports that actual spending on the project increased from \$6,904,998 to \$7,290,391

Emergency Firefighting Water System

- SFFD attended the EFWS Management Oversight Committee which included department heads from the San Francisco Public Utilities Commission and Public Works, the current status and future of EFWS projects were reviewed, adjustments to the committee were proposed and the Technical Advisory Committee is to be reconstituted and meet quarterly
- SFFD met with SFPUC Graphic Information Services personnel to restore functionality to the electronic maps of high and low pressure hydrants and update the in-service/out of service information
- Water Supply Officer Capt. Kotter has been communicating with the Port of San Francisco personnel to ensure that the planned dredging in the area of fireboat manifolds will be adequate for SFFD Fireboat Operations

Fire Station 35 Security Fence Improvements

- San Francisco Bay Conservation and Development Commission has not provided a permit and has advised that the permit will be approved or rejected by 9/24/2024

Network Modernization Project

- Hazard Surveys completed, seven stations will require asbestos abatement
- Public Works has received a \$918,000 Job Order Contract Proposal from MIK Construction for the make-ready work, contract development will take four to six weeks

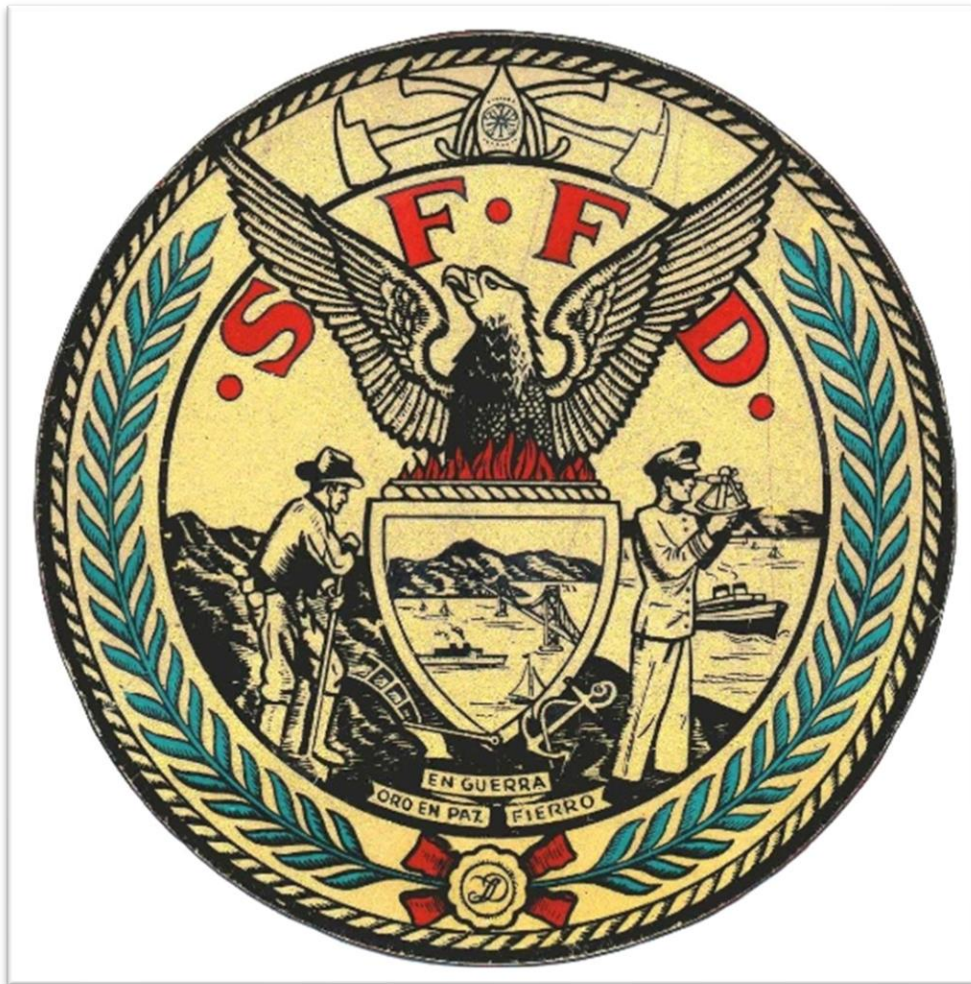

#### Neighborhood Fire Stations

- FS 37 and 44 – Contractor is awaiting the provision of generators to progress the work
- DOT Fire Escape Railing Upgrade - Contractor has begun work and is adapting the work schedule to facilitate the needs of the Division of Training, completion is anticipated in October

#### FY24 Roofing Program

- Fire Station 9 Roof Replacement – roofing consultant has provided 95% construction documents which are being reviewed

# Public Information Office

***Public Information Officer  
Capt. Jonathan Baxter  
August 2024***

PIO Incidents: 121	Interviews: 142	Events: 60
--------------------	-----------------	------------

**Operations:**

The PIO Office has been responding to incidents across the city and capturing rescues and more significant incidents as they happen. When the PIO arrives, they must consider the target audience for incident reporting. This can include alerting the public of a hazard, providing information on road closures or detours, and engaging the larger community in the efforts and successes of the San Francisco Fire Department. These messages will be in different formats, including visual aids, text, alt text for images, and video. This includes video in both portrait format for social media and online sharing and landscape video for media partners to use instead of sending a camera crew to the scene. This variety of messaging allows SFFD incidents to be reported by the traditional TV and radio media swiftly.

**Facility:**

Moving into the Fall, the PIO and BHU Offices have invited the Academy of Art College Landscape Design program to assist students in their studies using the residence's backyard area. Students have begun a plot drawing of the property. They will use that plan to create a garden and open space for the BHU and future personnel assigned to the Residence.

Early on scene the PIO was able to capture this dramatic smoke column and SFFD apparatus at a fire just up the street from Station 41. This short video was used by local media outlets for the midday and evening news feeds along with other videos from the scene. This video has received more views and shares faster than any other content in channel history.
