UFSW MEMBERSHIP MEETING

BUCHANAN MALL GROUNDBREAKING

A project 10 years in the making. Moving forward with a determined community and the help of City Hall stakeholders. This speaks directly to the revitalization of San Francisco. A place for healing, positivity and coming together.

ICA CRISTO REY LUNCHEON

ICA's Cristo Rey Luncheon is not only a fundraiser but an opportunity for the young women who attend the school to interact with and ask questions of professionals who attend the lunch. Our own CD3 Sayumi Brannan and the board of the UFSW were in attendance. It is important for these young ladies to understand that they have opportunities in the fire service.

STATION VISITS WITH SUPERVISOR MATT DORSEY

STATIONS 1, 4, 8 AND 35

It is incredibly important for our City Supervisors to understand the responsibilities of the firefighters, EMTs and paramedics but, to also see firsthand the stations where they are working and the engines, fire truck and ambulances they are riding in. Supervisor Matt Dorsey joined us and spoke to several of the fire fighters. It was a positive and open dialogue to let our members know that he supports public safety.

EID TENDERLOIN STREET FESTIVAL

LARKIN STREET FIRE

SPRING JTOWN MUSICFEST
