

San Francisco Fire Department

**Deputy Chief of Administration
Sayumi Brannan**

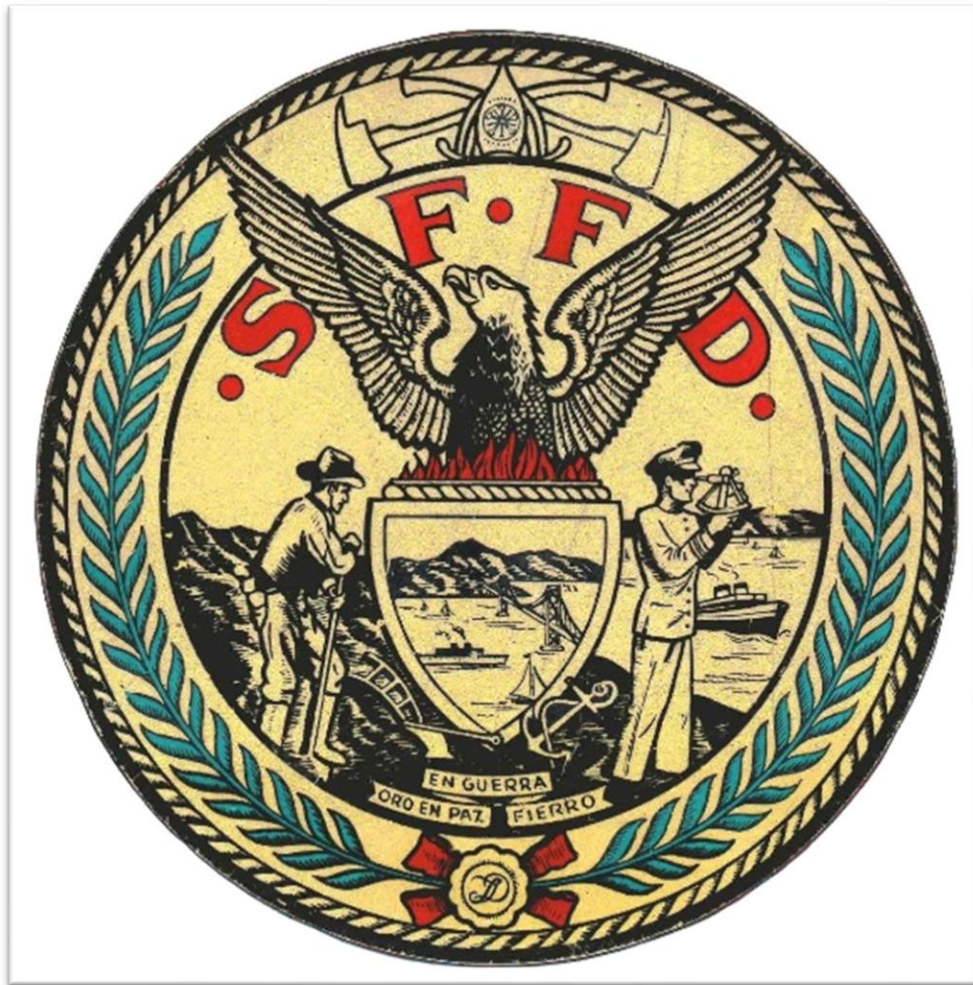

**Fire Commission Report
March 2025**

Glossary of Terms

5/5	Out of service/Out of order
300A Form	OSHA Summary of Work-Related Injuries and Illnesses
3807 Event	Injury Report - did not require medical treatment
5020 Event	Injury Report - required medical treatment
ACLS	Advanced Cardiac Life Support
ACS	Auxiliary Communications Service
ADF	Ambulance Deployment Facility
AHIMT	All Hazards Incident Management Team
AOA	Airfield Operating Area (secured airfield area)
APOT	Ambulance Patient Offload Time
APEC	Asia-Pacific Economic Cooperation
ARFF	Aircraft Rescue Firefighting (airport apparatus used on the airfield for fighting aircraft incidents)
AWSS	Auxiliary Water Supply System
BAAQMD	Bay Area Air Quality Management District
BATEP	Bay Area Training & Exercise Program
BAUASI	Bay Area Urban Areas Security Initiative
BBR	Bureau of Building Repair (Department of Public Works)
BHU	Behavioral Health Unit (formerly known as the Stress Unit)
BLS	Basic Life Support
BOE	Bureau of Equipment
BUF	Bureau of Urban Forestry
CA TF3	California Task Force 3 - Urban Search and Rescue
CERS	California Environmental Reporting System
CIRT	Critical Incident Response Team
CJAC	California Fire Fighter Joint Apprenticeship Committee
COES	California Office of Emergency Services
DBE	Design-Build Entity
DBI	Department of Building Inspection
D & D	Doffing and Donning
DEM	Department of Emergency Management
DOC	Department Operations Center
DOC	Daily Operational Check
DOT	Department of Training
DSCA	Defense Security Cooperation Agency
DWC	Division of Workers Compensation
EAP	Event Action Plan for Planned Events
EAP	Employee Assistance Program
EFWS	Emergency Firefighting Water System
HER	Electronic Health Records
EHMR	Elastomeric Half-Mask Respirator
EMS PIP	EMS Performance Improvement Plan
EOC	Emergency Operations Center
EtOH	Ethyl Alcohol
FAR	Federal Aviation Regulations (FAA guidelines for operating)

FDOC	Fire Department Operations Center
FFCCS	Fire Fighter Cancer Cohort Study
HAZWOPER	Hazardous Waste Operations and Emergency Response
HPH	High Pressure Hydrant
HRET	High Reach Extendable Turret (piercing nozzle on ARFF rig)
HSS	Health Service System
IAFF	International Association of Firefighters
IAP	Incident Action Plan
IPSDI	International Public Safety Data Institute
JOC	Job Order Contracting
LARRO	Low Angle Rope Rescue Operational
LODD	Line of Duty Death
MCI	Multi Casualty Incident
MEP	Mechanical, Electrical and Plumbing
MSE	Minor Sidewalk Repair
NCRIC	Northern California Regional Intelligence Center – member of the National
NFA	National Fire Academy
NFORS	National Fire Operations Reporting System
NIOSH	National Institute for Occupational Safety and Health
NTP	Notice to Proceed
OES	Office of Emergency Services
OFA	Opportunities for All
OOS	Out of Service
ORD	Outreach, Recruitment and Development
PSS	Peer Support Team
PX Members	Probationary Members
RC	Rescue Captain
RS	Rescue Squad
SCBA	Self Contained Breathing Apparatus
SFIA	San Francisco International Airport
SPCC	Spill Prevention Control and Countermeasures Plan
SWOT	Strengths, Weaknesses, Opportunities and Threats
TDA	Tractor Drawn Aerials
TITF	Treasure Island Training Facility
USCG	United States Coast Guard
US&R	Urban Search and Rescue
UST	Underground Storage Tank
VAR	Vehicle Acquisition Request
WDO	Working Day Off
WOW	Wellbeing at Work
WMD	Weapons of Mass Destruction

Homeland Security

Homeland Security
ADC Erica Arteseros Brown
March 2025

Meetings/ Events/ Training & Exercises Attended

- SFFD
 - HS1/CD3 bi-weekly meetings
 - Fire Commission Meetings
 - SFFD Strategic Plan
 - 130th Anniversary of EMS
 - Women's Month Photo City Hall
 - Management Training

- Training & Exercise
 - West Hub (San Francisco/San Mateo) Full Scale Active Attacker Exercise, Oracle Park
 - Major Incident Family Assistance Center tabletop Exercise
 - Cyber Policy Group Exercise
 - Bay Area Regional Chempack 101 training for chem/bio attack
 - BAYEX midterm planning meeting for Rad exercise week with the 95th Civil Support Team
 - Weekly Large Scale Incident review with Command Staff
 - Water Supply
 - Active Attacker
 - Tsunami

- CCSF
 - Heat Air Quality Plan (HAQR) meeting
 - Sail Grand Prix March 21-23.

- NorCal Incident Management Team Working Group (AHIMT)
 - March Team Exercise March 17

- Department of Emergency Management (DEM)
 - Emergency Support Function (ESF) 5 Emergency Management plan review. This plan covers Emergency Operations Center (EOC) and Department Operation Center (DOC) guidelines.

FEMA CA-TF3

- Search Canine Unit
 - Monthly Drills

- Rescue/Hazmat/Logistics/Comms specialists
 - Monthly drills
 - WHITE team on standby March

IMT/Mutual Aid/Disaster

SFFD Mutual Aid Committee meeting

Federal Department of Homeland Security/United States Secret Service (USSS)

Support visits from various dignitaries

Fleet Week

Fleet Week Defense of Civil Authorities (DSCA) After Action meeting from October 2024
Communications Exercise follow up meeting

Urban Area Security Initiative (UASI)

- Risk Management Platform training
- Approval Authority Meeting
- Emergency management Workgroup

Incident Management Team Development:

EAP development for planned events

Drone Program

Joined SFPD City-wide Drone Working Group

NCRIC (Northern California Regional Intelligence Center):

- Lt. Mauberret NCRIC update report
- SAR (suspicious activity report) reporting and review of alerts
- Situational Awareness Distribution to EAP Group

Major Incident Planning

- Superbowl 2026
 - Federal Coordination Meeting
- World Cup Soccer 2026

On-going Coordination/Projects:

- Disaster Manual updates & Disaster Checklist Project ongoing- Committee Chair coordination
- UASI grants management
- FDOC
 - Maintain situational awareness
 - Orientation for new command staff
 - Update job aids
- SFPD Operational Orders distribution
- Mobile Command Vehicle
 - Activated 2 times in February

Activation:

- St Patrick's Day Parade March 15

Event/Incident Action Plans (EAP/IAP) Completed:

- St Patrick's Day Parade EAP

Outreach, Recruitment and Development

Outreach, Recruitment and Development
March 2025
Lt. Hashim Anderson, FF Ariana Wilson

Community Outreach

DHR resource Center

- Attended DHR's 1 year anniversary for their resource center

Mission Graduates Career & College Event

- Attended Career fair for students from grade K-5, informing them of the daily duties of Firefighters
- Discussed fire safety, and how to prepare for an earthquake

Command Staff Visits CCSF Fire Academy Facility

- SFFD command staff visited CCSF John Adams training facility.

Los Medanos College

- Attended Los Medanos Fire Science class to provide information about SFFD's hiring process and other opportunities within the department .

SFUSD

Galileo's Health Academy EMT Program

- Presented proper electrode application, along with how to load a patient onto a gurney.
- Taught EMT Obstetric assessment along with Delivery of a newborn.

MLK/JCYC Career Day

- Provided overview of career pathways, hiring process and opportunities within the department.

Opioid Use and Narcan Workshop

- Presented Opioid Use and Narcan workshop to SFUSD High School students at Southeast Community Center

Station visit to Station 35

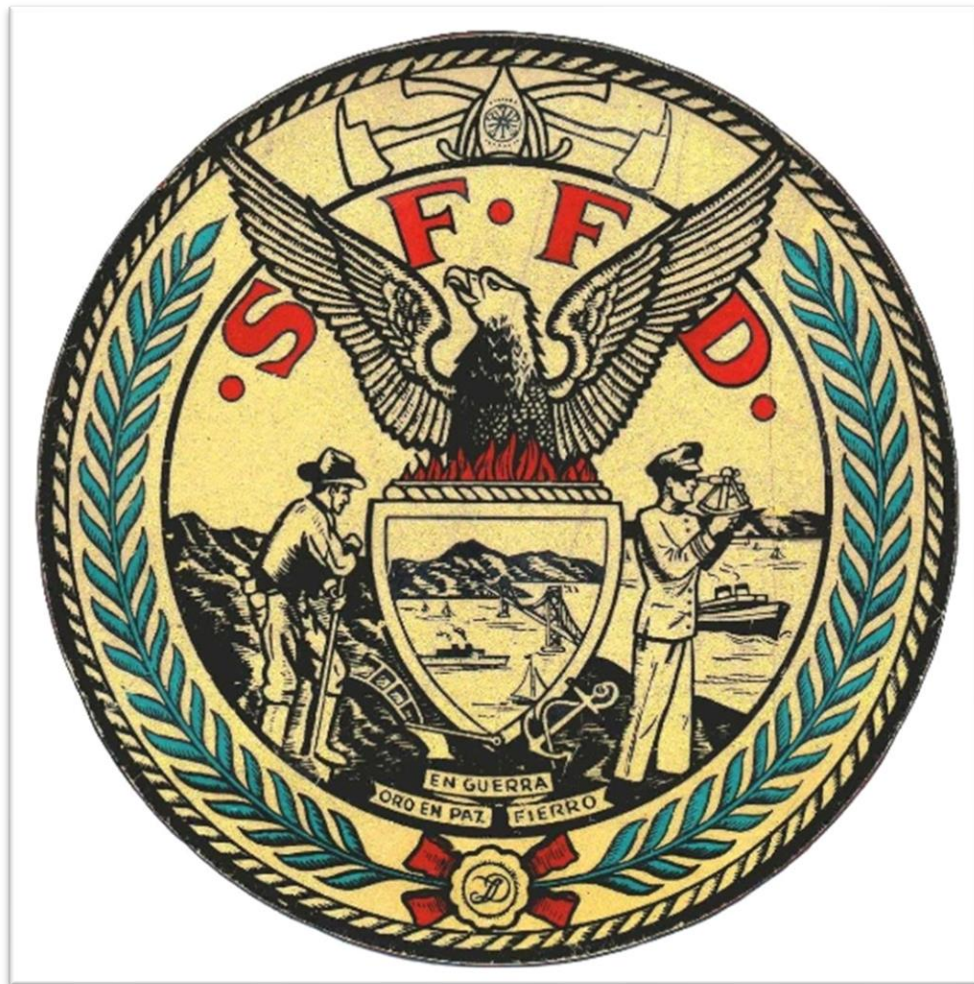

- Took Mission High Schools EMS Program students to a tour of fireboat, and fire station 35.

Other ORD Activity

- Attended Future Fair at SOTA High School, providing student with information on potential career opportunities within the San Francisco Fire Department.
- Presented to Sierra College Fire Science students on March 6th, offering insight into careers within the SFFD.
- Conduct 9910 Exit Interviews for departing members.
- Met with SF Gov TV to plan out the upcoming 130th EMS Anniversary video.
- Collaborated with EMS staff to plan 9910 Cohort #8.
- Met with the San Francisco Public Library to organize annual public presentations for recruitment and public education across various branches.
- Conducted Chief's Interviews for H2

Health, Safety and Wellness

Health, Safety and Wellness
BC Matthew Alba

Commission Meeting Report for Health, Safety, and Wellness March 2025

Every Monday: Meet with BHU Captain Buren
Every 2nd Tuesday: Meet with Chief Brannan
Every Friday: Follow up with members on DP, retired members and others who have cancer
Every 2 Weeks: Working Group on Wildland and WUI Respiratory Protection
Every 2 Months: Represent Chief of Dept in Family Violence Council Meeting
Every 3 Months: CD1 Check in
3rd Tuesday: Health and Safety Committee Meeting
3rd Wednesday: SF First Responder Peer Support Advisory Committee
3rd Thursday: San Francisco Firefighters Cancer Prevention Monthly Meeting
4x/year: Fire Fighter Cohort Cancer Study: Women Firefighters Quarterly Meeting

- **NUTRITION STUDY UPDATE – Funded by San Francisco Firefighters Cancer Prevention Foundation**
 - Documentary
 - We have now had 3 very successful days of filming – the orientation meeting (at station 35), baseline blood draws (at DOT), and food delivery (Station 1).
 - These six participants are currently at week 2 of the 12-week study.
 - Randomization & Food Delivery
 - 14 people have gone through all the baseline data collection and have been randomized thus far. 7 to maintain their current diets, and 7 to the whole food, plant-based diet.
 - For those participants that have been assigned to the whole-food, plant-based diet, they are receiving food!
 - Blood Draw Appts
 - In addition to those 14 mentioned above that have been randomized, we have another 9 people either completing their baseline data collection or being scheduled for it.
 - Our first date of baseline blood draws was on Friday 2/7 at DOT. Overall, the day went really well. It was a full day with 8 appointments and the full film crew there!
 - Our blood draw and DXA appointments are in Palo Alto, and we plan to keep that as an option for the two time points (wk 0 and wk 8) when DXA scans occur as well.
 - Orientation Meetings
 - In addition to the 23 people mentioned above (14 randomized, 9 doing baseline data collection), another 15 have attended an Orientation meeting.

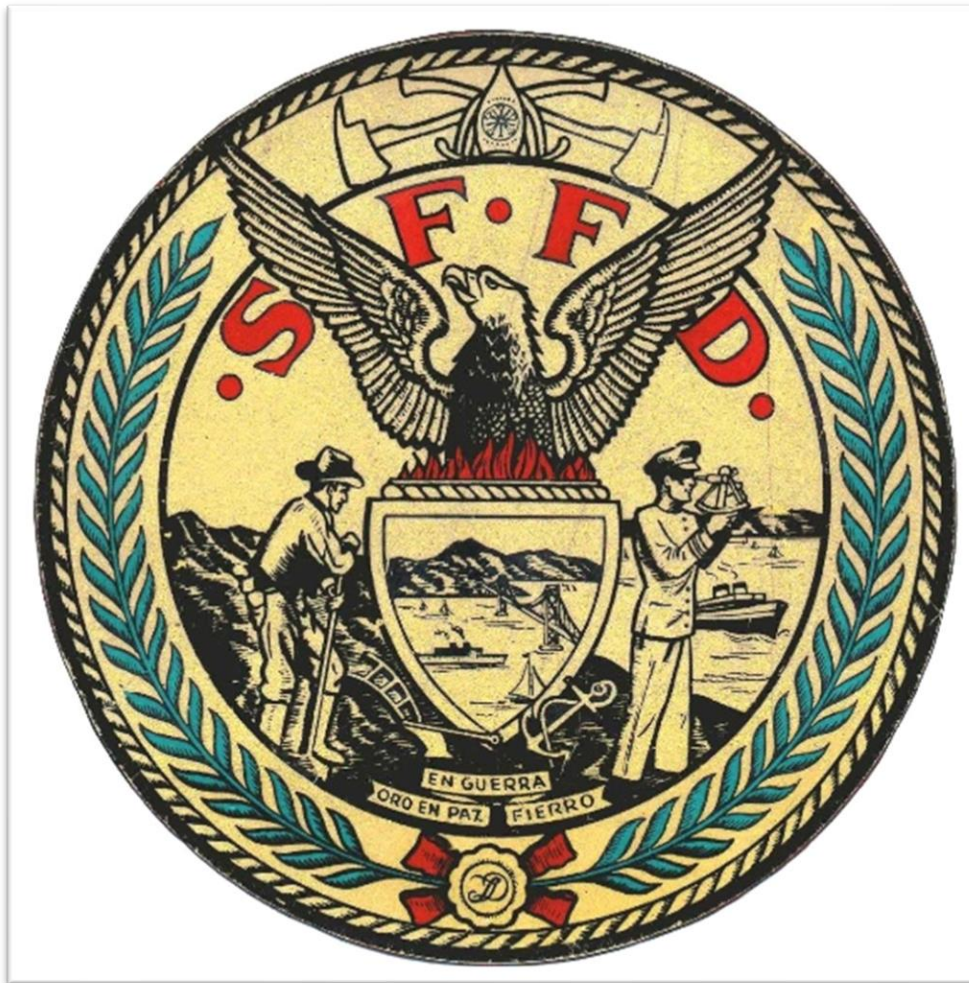

- These meetings are going well and are well attended. We are hitting a rhythm where we offer one via zoom and one in person at DOT each month.
 - Recruitment
 - We still have an addition 10-15 people that our team is talking with and taking through the screening process.
 - **That said, we are opening recruitment again!**
 - Chief Alba has sent out the attached flyer to the Cancer Champions, and Meg sent out the request to anyone currently on the study.
- **FUEL PUMP STUDY – 2 Stations funded by MKThink**
 - We have now collected & received one month of incident data and roster information from January 20 - February 20.
 - We are also gathering data from the environmental sensors installed, and we get the following data points from those sensors:
 - temperature
 - humidity
 - light
 - noise
 - co2
 - particle2
 - particle10
 - Volatile Organic Compounds (VOC)
 - Where VOCs Come From in Fire Stations:
 - **Fuel:** Gasoline or diesel from fire trucks and fuel pumps.
 - **Exhaust:** Vehicle emissions when engines run indoors.
 - **Cleaning Products:** Chemicals used for cleaning surfaces or equipment.
 - **Building Materials:** Paints, adhesives, and other construction materials release VOCs as they dry.
 - We are also measuring the following outdoor data points at each station:
 - AQI (Air Quality Index)
 - temperature
 - humidity
 - wind speed
 - precipitation
 - With all these together, find below initial findings:
 - Particle 2 (PM2.5) saw the most significant increase during incidents
 - +12.56% from no incidents to incidents across all locations
 - +95.03% from no incidents to extreme incidents
 - Station 2 shows greater pollutant increases than Station 5
 - PM2.5 at Station 2 increased by 109.86% from no incidents to extreme incidents, compared to 70.39% at Station 5
 - PM10 at Station 2 increased by 99.32%, compared to 59.84% at Station 5
 - VOC levels at Station 2 increased by 14.27%, compared to 5.19% at Station 5

- Dormitory Areas Show Increases in Exposure
 - At Station 2 Dormitory, PM2.5 spiked 239.59% in extreme incidents (we don't know the cause, which may have been several and not necessarily a pattern to elicit concern)
 - PM10 increased 195.97% (we don't know the cause, which may have been several and not necessarily a pattern to elicit concern)
- Dining Areas & Apparatus Rooms Show Increases
 - Dining Areas: VOC levels increased 31.73% in extreme incidents
 - Apparatus Rooms: CO2 levels increased 4.21%, indicating potential ventilation inefficiencies
- **SULFORAPHANE (SFN) STUDY- Funded by the San Francisco Firefighters Cancer Foundation**
 - The samples will be sent out next week for epigenetics, metals, and CRP (inflammation) analyses.
 - Based on the lead researchers (Dr. Jackie Goodrich, University of Michigan) experience, she thinks we'll have the epigenetic results first. She anticipates the results by mid-April.
 - The CRP and metals results could also be that fast, but it depends on how many other clients those labs are working with at the time. (The epigenetics lab gives out a guaranteed deadline of when they will finish, but the other 2 labs don't).
 - The researchers were also able to capture data on 85 individuals, instead of the 80 we originally proposed.
- **BHU**
 - Vacated 870 Bush (The Chiefs Residence) and moved into a temporary housing at Station 20.

***Environmental Occupational Health and Safety
Anthony Boone, CIH, CSP, CHMM, CEI
March 2025***

- Performed Spill Prevention and Countermeasures Plan (SPCC) inspections.
- Reviewed Monthly UST inspections.
- Attended monthly health and safety meetings.
- Sent Quantifit s/n ending 8166 out for calibration. Anticipate return week of 4/7.
- Responded to Cal-OSHA inquiry regarding injury at DOT TI.
- Reviewed fit testing at DOT Folsom, provided support for malfunctioning testing machine.
- Assisted Support Services in securing information for diesel generator engine at Station 42.
- Recertified Hazardous Materials Manager (CHMM) for five more years.

Office of Employee Health

*Office of Employee Health
Steven Chang, DO, DABFM, Supervising Physician
March 2025*

Summary of Activities

Return to Work Clearances: 22

New Hire Activities

- Screening candidates for the EMS Academy scheduled for April 2025.

Promotional Exams: 5

End of Probation Exams: 18

Summary of Work-Related Injuries and Illnesses

Total Injuries/Illnesses

- 3807 Forms: 64 cases (No medical evaluation required).
- 5020 Forms: 29 cases (Completed medical evaluations).

Top Three 5020 Events

1. Back: 8 cases
2. Arm: 5 cases
3. Eyes: 3 cases

5020 Events Resulting in Time Off Work

- Total incidents: 16
-

Other Activities

Meetings & Collaborations

- **Technology and Data Management**
 - Enhancing technology systems for:
 - Tracking promotional and probationary exams.
 - Monitoring workers' compensation claims.
 - Streamlining processes related to Supervisor Accident Investigation Reports (SAIRs) and Exposure Reporting.

- **Occupational Health Coordination**
 - Engaged in discussions with ZSFG Occupational Health to align workflows and define the scope of work for member services.
- **Workers' Compensation & Legal Engagements**
 - Collaboration with Workers' Compensation Representatives for improved care coordination.
 - Engagement with City Attorneys on relevant legal matters.
- **Committee Participation**
 - Actively participating as a member of the CCSF Joint Labor Management Committee.
 - Continued involvement in the BHU Subcommittee.
 - Participation in the Health and Safety Planning Committee.
- **Recruitment & Hiring Initiatives**
 - Collaborating with the recruitment team to streamline and enhance hiring processes.

Health and Wellness Initiatives

- **Annual TB and Hearing Screenings**
 - Drafted and finalized General Order for annual TB and hearing screenings.
 - Coordinating screenings scheduled for April / May 2025.
- **Annual Wellness Exam Program**
 - Managing and refining the program to enhance participation and effectiveness.
 - Ongoing efforts to promote the program to ensure broad engagement.
- **Recruit Nutrition Program**
 - Partnering with Health Service Systems and Kaiser to implement a structured nutrition program for recruits:
 - Pre-Physical Training Nutrition Talk: Successfully conducted on January 22, 2025.
 - Post-Physical Training Nutrition Talk: Scheduled for May 2025.
- **Ergonomics & Injury Prevention**
 - Collaborated with Health Service Systems and YMCA to develop a strength and core training class aimed at improving ergonomics and preventing injuries among EMS members.
 - Pilot program: Completed in March 2025.
 - Follow-up meetings to be scheduled to discuss program outcomes and explore the potential for expanding the scope to include more members.
- **Electronic Health Records (EHR) System**
 - Ongoing discussions about the implementation of a new EHR system to improve healthcare documentation and accessibility.

Continuous Quality Improvement (CQI)

- **Data and Reporting Needs**
 - Ongoing collaboration with IT to identify key data and reporting requirements. This is essential for supporting data-driven decision-making, better planning, and identifying trends that inform improvements in care and operations.

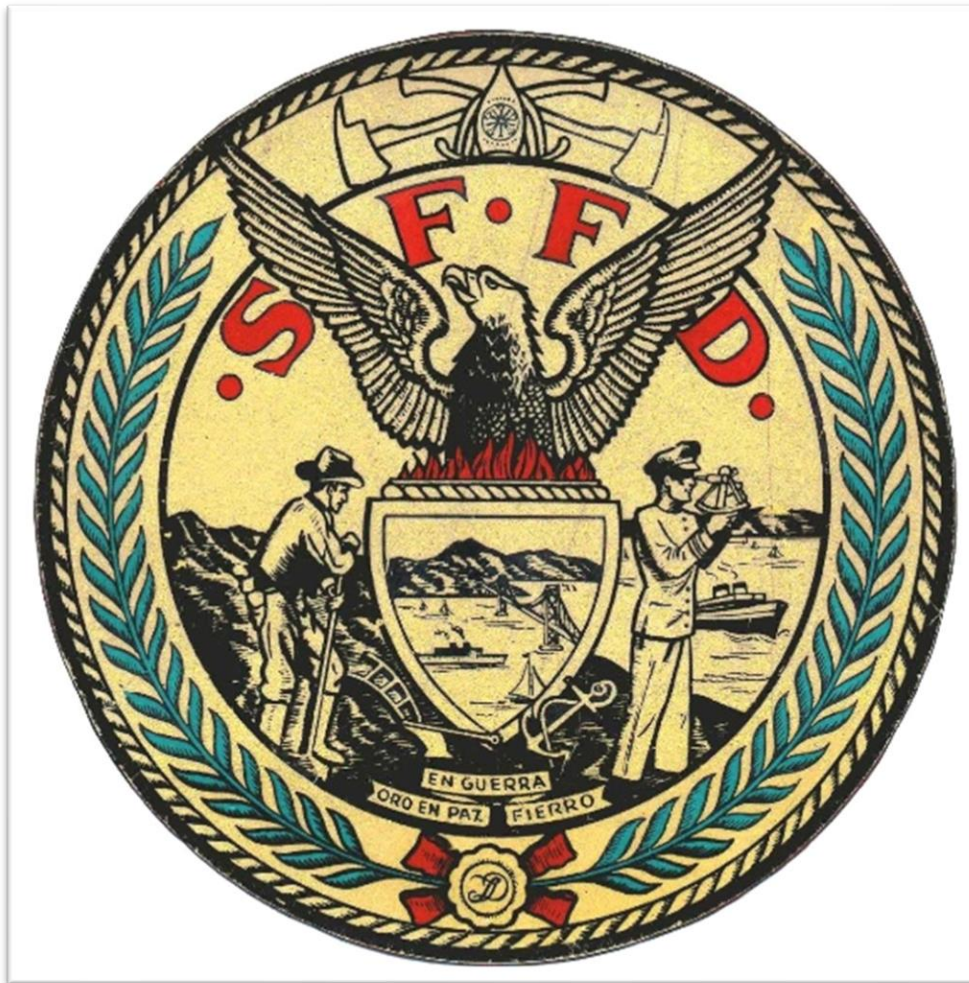

- **Baseline Data Collection**
 - We have successfully gathered **baseline data** across multiple CQI measures. This provides a foundation for tracking progress, identifying areas for improvement, and setting clear benchmarks for future performance.
- **PDSA Cycles Development**
 - Brainstorming and planning **PDSA (Plan-Do-Study-Act) cycles** to test small-scale changes in processes and workflows. These cycles will help us evaluate the effectiveness of new initiatives, assess outcomes, and refine strategies before broader implementation. The goal is to foster a culture of continuous learning and agile problem-solving.

Total Body Conditioning Class at Station 49!

Research and Planning

Research and Planning (Assignment Office)
Captain Matthew Balzarini

List of recent activities in the Assignment office for **March 2025**

1. Assignment Office is working with the EMS Division and Community Paramedicine for on-going staffing and scheduling.
2. Assignment changes for Fire Suppression, all ranks. For staffing and promotions.
3. Associated movement with the recently adopted H20 eligibility list.
4. Promotional and separation entries in HRMS.
5. Ongoing work with Fire Prevention and Fire Investigation on staffing and scheduling.
6. Working with Airport Division for staffing.
7. Ongoing work with Fire Payroll for discrepancies every pay period.
8. Ongoing work with the Office of Employee Health with placement of members on Temporary Modified Duty.
9. Working with Homeland Security for the staffing of special events.
10. Preparing for Vacation Relief movement
11. Preparing for Movement of 133rd, 134th and 135th Academy Classes.
12. The EMS WDO-In-Advance continues per General Order 20 A-08. In accordance with the policy, pre-hiring 75% of open ambulance shifts seven days in advance.
13. Continue WDO-In-Advance Policy for Suppression members, General Order 21A-64. Pre-hiring 50% of shortage seven days in advance on Thursday, Friday, Saturday, and Sunday.
14. Continue Mandatory Credit given WDOs for weekends to increase voluntary WDOs.

Investigative Services Bureau

***Investigative Services Bureau
Captain Colin Carter
March 2025***

Fireboat/Energetix DOT Testing Program

- The Fireboat / Engineer testing is now under the random testing program and the names are added to the draw pool daily from Datco Services.

Random Alcohol and Drug Testing Program

- The Random Alcohol and Drug Testing Program was in compliance for the month of February. Monthly checks of testing equipment / inventory completed for ISB 1&2, AP, D2, D3, and MD office.

- Ten (10) Quantasil confirmatory tests received (Med Tox tests).

- Three (3) Breathalyzer machines received back from certification / calibration, to bring all 13 SFFD machines up to date and in compliance.

Conditional Offer, Promotional and End-of-Probation Alcohol and Drug Testing Program

- Forty-four (44) members participated in pre-employment, promotional, and end of probation alcohol and drug testing with the Dr. office. Fourteen (14) DOJ LiveScan were also completed.

Post Accident Investigations

- Investigative Services conducted 2 (two) post-accident Truck Company investigations in March. 4 (four) members tested.

California Driver Licenses (CDL)

- Cpt Carter continued to monitor all dept. members' driver licenses via CA DMV Pull Notifications.

- ISB continued driver license audits. Added new employees into DMV system and removed employees no longer employed by SFFD.

- ISB office continued to update all members' licenses and DL546 forms in HRMS. 31 CDLs updated/renewed in March.

Background Investigations

- Cpt Carter finished the H3 (Station 49) Level 1 (class 27) and Level 2 (class 13) academy background investigations at the end of February. 26 candidates went through an in-depth background check. Academy to start in April, 2025. 19 candidates received offers for employment.

- Ten (10) additional candidates were added for this academy and backgrounds on these candidates began in March.

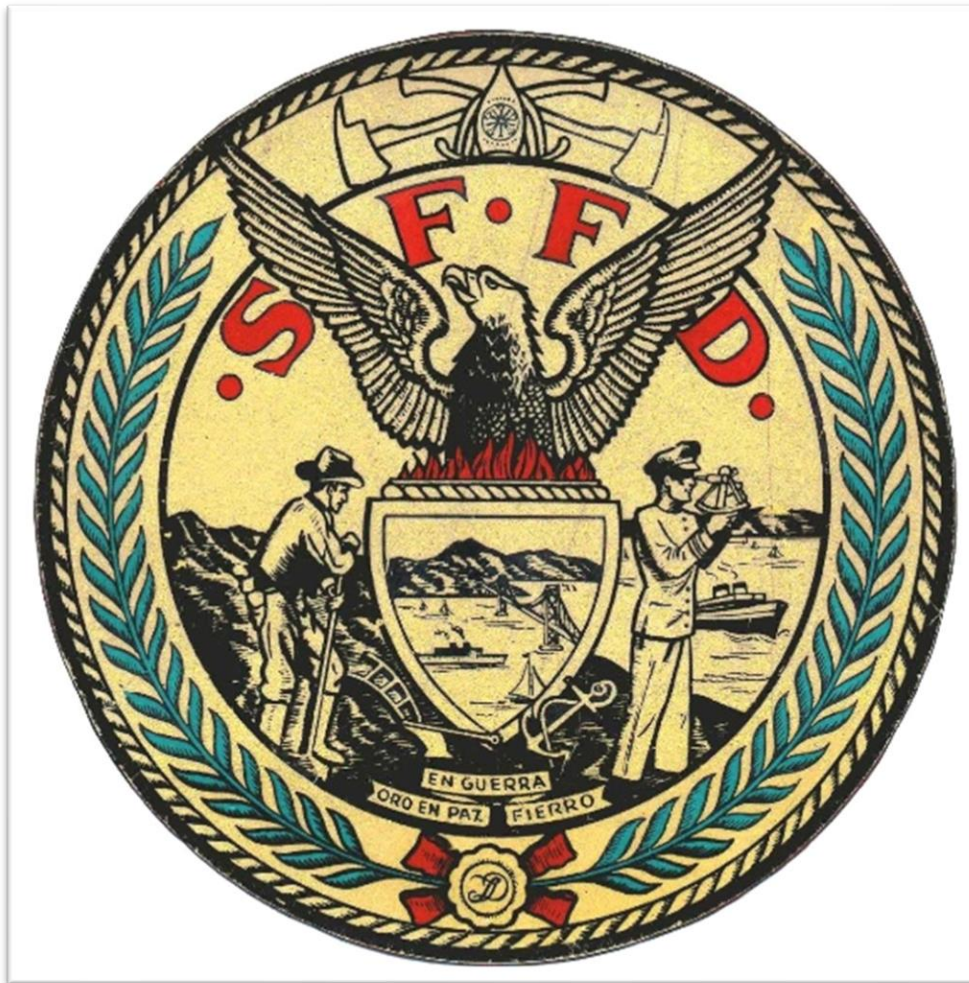

Other Business

- Cpt Carter participated in the Firefighter Bill of Rights class course held at SFO Airport Division on 3/12 & 3/13/25.

- Cpt Carter and Therapy K-9 Clifford visited 1011 Turk St. (dispatch) on 3/18 and 3/26 per request by the BHU for emotional support for our members there grieving the loss of two coworkers.

- Cpt Carter attended the memorial services for retired AC Art Kenney on 3/20.

Support Services

Support Services – ADC Michael Mullin
March 2025

FACILITY MAINTENANCE & PLANNING (June Waechtler, SFFD)

- A total of 130 requests for service were initiated and 150 service orders were completed and closed out in March.

PLUMBING

- Twenty service calls were placed to resolve minor plumbing issues (faucet, toilet, urinal repairs; clogged sinks, shower drains) in the month of March. Four sewage backups were reported during this month (FS 8, 32, 29, 42).

HVAC/HEATING/BOILER

FS 13: SO #2154832. ESTIMATE RECEIVED for Furnace/Forced air units in dorm; price also includes replacing existing ductwork; preliminary estimate is \$80,000. Awaiting formal ESTIMATE from DPW/BBR. DPW's Steamfitters made a temporary repair, however 2/4 zones have bad heat exchangers and gas is locked out. Unit is working with temporary repair in place. Received estimate for \$104,888.00. Quote approved by Support Services. Waiting for labor availability and funding transfer. DPW Steamfitters are reviewing system operations of new units at St 26 then they will replicate system for St 13 as per discussion with Support Service's Assistant Deputy Chief and Stationary Engineer. Still discussing which units to purchase with SFFD Stationary Engineer. Waiting for equipment to be approved by Support Services. Steamfitters also propose surveying the electrical panel as discussed with SFFD. Waiting for labor. Equipment has been ordered from Norman S. Wright. As of 10/8/24, Steamfitters are waiting on a PO for the new equipment. Equipment due to arrive week of December 2, 2024. After inspection, work will be scheduled to commence. Work has started on the furnace replacement. Gas piping has been capped off for demolition. New thermostat wire is needed to operate new units; conduits and junction boxes have been traced to pull new wires. New wire has been pulled throughout dorm. Four new furnace units are set in place. Gas will be piped after ductwork is complete. Gas piping is complete. Power and controls to the 2 fan units are complete. Flue piping on furnace is scheduled to be completed 2nd week in March. Start up of new units will take 3rd week in March. Status Update: Sheet metal materials were delayed. The installation will take place 4/9-4/10. Units will start the day after sheet metal is complete.

FS 17: Boiler replacement estimate is being revised by DPW Steamfitters for consideration. Status Update: Estimate was submitted to SFFD in March. SO# 2484755.

FS 22: Re-circ pumps need to be replaced. DPW Steamfitters to conduct walk through with Support Services then provide estimate for re-pipe. Moving forward with estimate for re pipe. SO # 2314145 was submitted to SFFD for approval to re-pipe boiler. Waiting on Client approval. SFFD approved scope of work to be performed. Re-piping material estimate has been submitted to DPW's Purchasing Department. ETA for equipment and material week of 2/17/25. Currently making improvements on re-piping the mechanical room to include new pumps and new caleffi hydraulic separator. Installation is complete. Status Update: System operation is being observed and temps are being adjusted to system design.

FS 23: Heater in Officer's Room needs to be replaced including new t-stats, on-off switch. Drying Room needs new heater and exhaust fan. Modifying controls to include timer and on/off switch in or outside the Drying Room. Waiting for a quote from DPW's Steamfitters Shop for two heaters, one exhaust fan and the necessary control work. Quote received from DPW, in for ADC of Support Service's review. ADC of Support Services requested that a quote be provided just for the fan coil replacement. Steamfitters propose to modify the existing estimate and resend mid-July. SO # 2115449 was submitted to SFFD for the Officers Room heater replacement. Waiting on Client approval. Approved by SFFD. Unit heater has been ordered. Status Update: Unit is expected to arrive week of 4/18.

FS 29: SO #2249790 Heating system is down. Noted that the pumps here on this system are frequently replaced. Steamfitters are recommending re-pipe unit similar to FS 12. Waiting on Client approval. SFFD approved scope of work to be performed. Re-piping material estimate has been submitted to DPW's Purchasing Department. Status Update: Waiting for material and labor.

FS 37: RADIATORS It was discovered that 17 radiators need new valves to control on/off. Nine units do not work. Waiting for the proposal to change out all valves. The Drying Room Heater needs a 3-way valve and an outdoor air override that needs to be installed. Proposing two men to take nine days, plus \$3500 in parts. The heat is on in the Station and the new program settings are adequate to get through the winter. Work will need to be done when they are permitted to shut boiler down for a few days. Waiting for a formal quote to be sent to ADC Support Services for sign off. Status Update: Deferred by SFFD, however DPW will be submitting a new estimate for the boiler work.

FS 38: Drying Room pump has failed. New drying room pump has been ordered for replacement. Status Update: Job Completed.

FS 41: SO #2155508. Boiler controls proposal. Received revised quote from DPW Steamfitters \$23,559.83. Approved by Support Services. Order of new relays and wire has arrived; DPW will schedule labor to replace contactors and relays in the control panel. Status Update: Work is scheduled to start on the boiler controls mid-October, including new pump contactors and relays. Status Update: System needs new expansion tank and PRV. Boiler is working; new parts will prolong the life of pump and boiler. Anticipate that the new parts will run approximately \$3,000; 32 hours of labor needed for install. Waiting for client approval. SFFD approved scope of work to be performed. Parts estimate has been submitted to DPW's Purchasing Department. PRV and new expansion tank have been installed. Status Update: Job complete.

CEMENT/ASPHALT

No major cement/asphalt issues were reported.

EXHAUST EXTRACTORS

For March, FS 6, 20, 39, 8 and 51 reported issues with their equipment; all units were repaired and returned to service.

GLASS/WINDOWS/SCREENS

No major glass/window/screens issues were reported.

CARPENTRY

Solicited estimates to replace outdated appliances, cabinetry, flooring and tile at the Chief's Residence. Status Update: Purchase orders issued to vendors; work has commenced.

ELECTRICAL

No major electrical issues were reported.

LANDSCAPING

No major landscaping issues were reported.

E.S.E.R.—Emergency Firefighting Water System (EFWS), SFPUC, March 2025

- 2000 Marin EFWS Expansion – Construction continued to extend the EFWS along Marin Street from an existing 12-inch along Evans Avenue. The extension is about 800-ft and 12-inch earthquake resistant ductile iron pipe (ERDIP).
- Clarendon Supply EFWS Pipeline – Construction reached substantial completion January 2024. Continued to address closeout items, expected final completion by Spring 2025.
- Fireboat Manifolds – Planning for new pipeline and fireboat manifold near Fort Mason Pier 2 and Pier 33.5 for fire suppression continued. Design for a new fireboat manifold at Mission Bay Ferry Landing continued.
 - Fort Mason Conceptual Engineering Report (CER): Geotechnical investigation is scheduled toward the end of March 2025.
 - Pier 33.5 preliminary Alternative Analysis Report (AAR): Project team continued evaluations to address stakeholders' review comments.
 - Mission Bay Ferry Landing Design: Design progressing to 65%
- Potable Emergency Firefighting Water System (PEFWS) project – Continued design for Contract A (42-inch from Lake Merced Pump Station to Sloat Blvd/19th Ave) and Contract B (36-inch from Vicente Street / 23rd Ave to 42nd Ave / Lawton St.). Continued planning for Contract C (24-inch 42nd Ave / Lawton St. to Cabrillo St / 23rd Ave) and D (24-inch 43rd Ave to California St / 20th Ave) Conceptual Engineering Report (CER).
- Street Valve Motorization at Evans and Napoleon – Continued construction to replace and modernize an existing 12-inch pressure valve with a new ball valve. This also serves as a pilot project for the PEFWS Pipeline.

E.S.E.R. BOND 2010 NFS – Updates through March 2025

Additional Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Emergency Generators:

- Fire Station 14 – Moved to ESER 2014 section

E.S.E.R. BOND 2014 NFS – Updates through March 2025

Seismic Improvement Program (Magdalena Ryor, San Francisco Public Works):

- **Fireboat Station 35 (\$50.5M)** – Certificate of Final Completion was issued on November 11, 2022.
 - [M. Rossetto] FS35 Security Gate Enhancement:
 - 1/6/25. The contractor mobilized on Monday Jan 6, 2025.
 - SFFD requested change PCO 1,2,3 - (per RFI's 2 & 3) are under review: Added horizontal bars at/adjacent to (4) gates and additional pickets to close the gap at

top of fence and gates. This will require a permit revision to the Port. BCDC approved the additional work on 1/23/25. Cost & schedule extension being prepared by the contractor. Base scope is nearing completion.

Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Total Funding allocated for the Focused Scope Program is \$21,407,279, approved by SFFD on 8/17/17. Work is complete in 8 of 9 of the Focused Scope categories comprising Roofing, Apparatus Bay Door Replacements, Exterior Envelope Improvements, Windows, Showers, HVAC/Mechanical, Sidewalk/Slabs, and Security Access Control. Work continues to progress through the last scope category, Generator Replacements.

Emergency Generators:

- **FS 2** – Scope of work: replace existing rooftop generator set, structurally strengthen roof structure to support new fuel tank with capacity for 72-hour run time and provide new fuel fill port and piping to generator.
This project is complete.
- **FS 19** – Scope of work: replace existing generator at grade and replace main electrical panel.
 - The generator lead time has increased. The manufacturer now reports a delivery date of April 2025.
 - 11/27/24: DPW-BUF tree removal & general pruning of trees adjacent to the emergency generator was completed in Dec 2024. Revision of generator enclosure to A-Frame design completed by BOA.
 - The generator load bank lead time has increased. The manufacturer now reports a delivery date of November 2025, or later. However, deletion of the load bank is being considered which would eliminate approximately 6 months of delay.
- **FS 14** – Scope of work: replacement of existing generator with new rooftop generator, new subgrade fuel fill port at the sidewalk in front of the station, and new fuel piping from sidewalk to generator.

- DPW-BOA has been approved to re-initiate the project with a concepts phase to validate changing the generator from a rooftop to a ground-mounted location that will be fuel-filled by hand in lieu of piped.
- 10/25/24: A pre-application meeting was held with Fire Prevention to discuss the redesign concept with the Fire Marshal. 10/31/24: BOA delivered pre-app. meeting minutes which were approved by Chief Harold. BOA will begin composing AB-005 for the redesign proposal.
- 1/23/25: NTP for design issued to the electrical engineer (GHD). BOA will produce 50% revised design documents in late March 2025.
- 04/08/25: BOA has completed 50% revised design documents and associated reviews. 95% permit set documentation is expected in May 2025.

Exterior Envelope:

o **Package 1 (FS 8, 20, 23, 29)** – FS 8, 20, and 29 are complete; On 1/15/21, SFFD requested a hold on FS 23 painting due to other priorities.

o **Package 2 (FS 24, 34)** – This project remains on HOLD initially placed at the request of Capital Planning in order to provide supplemental funding to the Police TC&FSD project. It is now expected that those funds will be returned to the SFFD for allocation to a priority project, possibly FS24 and/or FS34.

o **FS 17 & 31** Exterior Envelopes were requested as new projects by SFFD in August 2023, both as lower priorities. These were approved by the Capital Planning Committee for use of ESER 2014 interest. A waterproofing consultant is recommended to determine corrective measures and potential costs.

Miscellaneous:

FS35 Security Fence Enhancements, FS17 Boiler Replacement & FS 29 Apparatus Bay Door Replacement were requested as new projects by SFFD in August 2023. These are ranked as the highest priority (most urgent) projects after the Network Modernization project.

o **FS 35** – See Fireboat Station 35 description.

o **FS 17** – Boiler Replacement ON HOLD per SFFD 12/12/23 email.

o **FS 29** – Apparatus Bay Door Replacement: JOC fee proposal from Rubecon was received, reviewed, and approved. Kick off meeting with Rubecon held on 6/13/24. Contractor agrees to provide door glass as specified at no additional cost. Submittals have been finalized allowing doors to be ordered. A 60-day door lead time is anticipated.

- 2/11/25: Project is in close-out.

o **DOT/FS 7** Railings: 2/28/25: final completion letter was delivered to SFFD by DPW-BOA.

Network Modernization Project (Michael Rossetto, San Francisco Public Works):

- o 2/28/25: With the exception of Ring 9 stations and station 51, all work has been completed. Electrical inspections have been completed on Rings 1-4. The remaining rings to follow. DPW will begin punch list walks with the contractor.
- o Station 51 is under the jurisdiction of The Presidio Trust. The building permit review is delayed due to a revision needed to an MOU between the Trust and SFFD. DT has deferred delivery of fiber to the station, but SFFD has requested completion of the scope managed by DPW. SFFD has contacted a CAT to coordinate the Agreement modification required by the Trust.

E.S.E.R. BOND 2020 NFS – Updates through March 2025

Division of Training – Formerly “Fire Training Facility” (Scott Moran, San Francisco Public Works)

Design Development Rendering, DLR Group, 12/13/24

Budget: \$275M

Phase: Design (Design Development)

Schedule:

- Estimated Start of Construction – Fall 2025
- Estimated Substantial Completion – Fall 2028

Highlights:

- Planning released a draft the CEQA Addendum for team review on 3/31/25. The Addendum includes new language for one of the mitigations measures, requiring documentation and monitoring of annual burn material usage – in lieu of requiring a smoke capture system.
- The 100% Design Development package was released on 3/10/25 and the two estimators will have estimates for review in mid-April. Any necessary value engineer (VE), to bring the project back within budget, will be proposed and agreed to with SFFD prior to the project advancing on the Construction Documents – the final phase of design.

- The Public Works Commission approved the award of contract for CMGC Services to Swinerton Builders on 3/27/25. The agreement is being finalized and a Notice to Proceed (NTP) for pre-construction services is anticipated to be in late-April or early-May 2025, during the early stages of the Construction Documents phase of design.
- Phase 2 Civic Design Review with the San Francisco Arts Commission scheduled for 4/21/25.
- Key Project Entitlements Timeline:
 - CEQA Addendum – target completion May 2025
 - Planning Commission Approvals for Planning Code Map Amendments (zoning & bulk/height changes) –targeting May or June 2025
 - SF Public Utilities Commission completion of Memorandum of Understanding regarding existing underground wastewater infrastructure – targeting May 2025
 - Board of Supervisors introduction of legislation for Planning Code Map Amendments and Street Vacations –targeting June or July 2025

Fire Station 7 Replacement (San Francisco Public Works)

Budget: Expected budget of the Fire Training Facility does not create funding opportunity for the FS 7 project

Phase: N/A

Schedule: N/A

Highlights: N/A

P.H.S. BOND 2016 NFS – Updates through March2025

The total funding allocated for Neighborhood Fire Stations is \$9.1M.

Seismic Improvement Program (Michael Rossetto, San Francisco Public Works):

Hose Tower Removal & Roofing (FS 6, 11, 12, 21, 38) – Complete.

Hose Tower Removal & Replacement (FS 15)

December 2023 JOC fee proposal was received and is in excess of the \$1M threshold. Design-bid-build will be pursued, adding approximately 6 months to the start of construction. SFFD has requested minor design changes with the addition of electrical outlets and a ship’s ladder in lieu of a vertical ladder to the roof. BOA has met with SFFD to review design changes. An on-site meeting occurred with the radio Shop to determine replacement of antennas currently mounted on the existing tower. BOA will revise the drawings for final draft review with SFFD. BOA is producing fee proposal inclusive of structural and electrical for the SFFD requested changes.

- 11/27/24: Pre-Bid Phase - BOA (Vito V) to have final signed drawings as of 12/2/24. Vito re-sending 2022 QAQC forms to Reg. Affairs and SAR for their review and sign off.
- Pre-bid preparations underway at DPW PCS.

Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Emergency Generators:

• FS 37 & 44:

- On-site construction activity began the week of April 22, 2024.
- Load bank delay from manufacturer until August 2024. The generators are at a Stockton facility waiting for load bank installation prior to site delivery.

- As of March 2025, fuel oil piping scope is nearing completion.
- 3/30/25: Substantial Completion. Testing and inspections remain to be performed.

• **FS 18:**

- 12/2/24: J56-14.0 NTP Date is 07/22/24. Duration is 600 Calendar Days. Completion Date 3/13/26. In submittal review & approval phase. Generator lead times pushed out to April 2025 delivery, but similar load bank delays seen at FS 19 will increase the lead time by approximately 6-7 months.

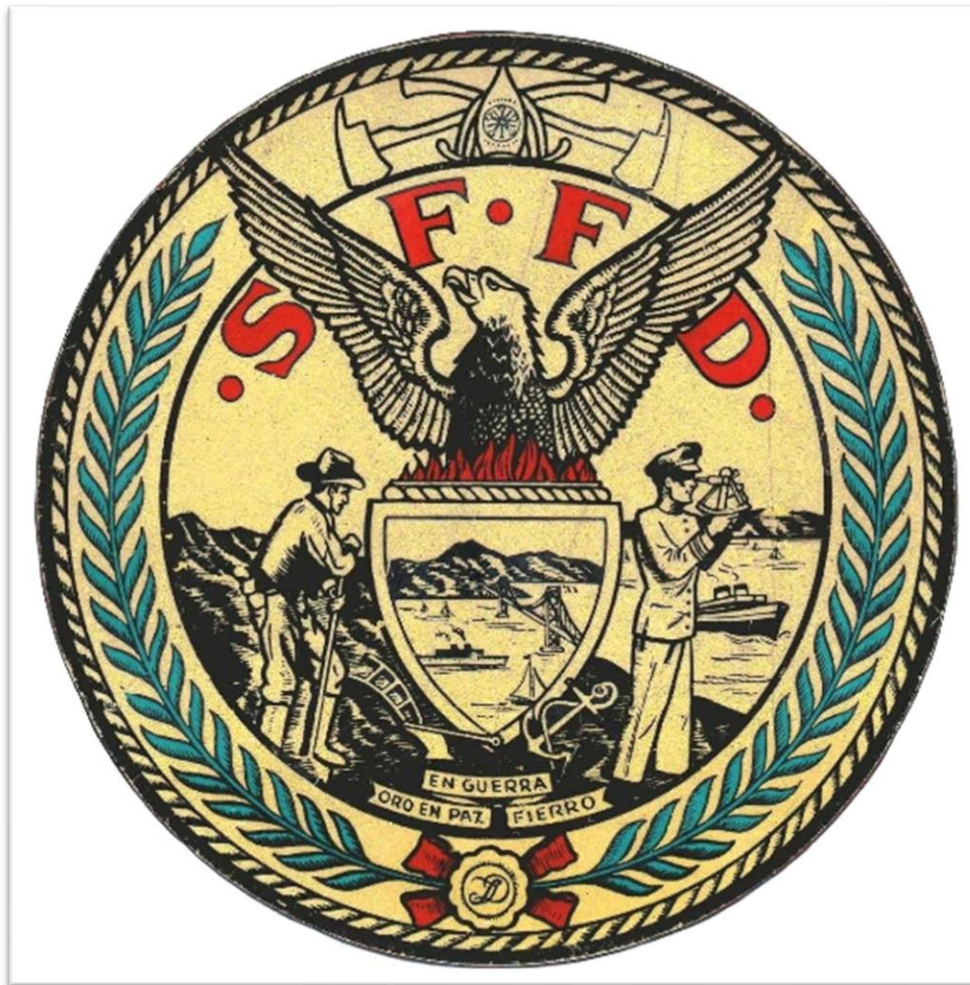

BUREAU OF EQUIPMENT (Captain Jason Watrous)

- New Arson pick-up truck placed into service replacing 2008 Ford E350.
- Chief Mullin and I took a trip to Rosenbauer MN to check on build status of our 3 TDA.
- BOE provided 3 antique apparatus and RA for St Patrick's Day Parade.
- Four (4) new PPV Explorers were received.
- BOE facilitated 19 changeovers for the month of March.

DEPARTMENT ENGINEERING (Stationary Engineer Avo Sarkissian, SFFD)

- Ongoing and routine maintenance at Fire Stations, HQ and ADF.
- Funds have been transferred to SFWD for replacing HQ main water back flow device. No date has been set for installation.
- HQ Elevator modernization quote was submitted to CFO for viewing.
- Station 17 Boiler replacement cost proposal from outside vendor was received and forwarded to ADC's.
- DPW steamfitters have begun replacing the HVAC units for Station 13 work is 80% complete DPW sheet metal shop needs to install the exhaust.
- We are getting a proposal to mitigate water intrusion on an exterior wall at Station 31. The quote will be available shortly.
- Chiefs' residence interior/exterior upgrade is complete.
- Fire prevention is moving back to 1152 Oak Street, walk thru with ADC Mullin was done and SS reinstalled cubicles as designed.

Earthquake Safety and Emergency Response (ESER) Bond

Earthquake Safety and Emergency Response (ESER) Bond
Assistant Deputy Chief Garreth Miller
March 2025

New SFFD DOT Development

- The design team delivered a presentation of current renderings of the Division of Training to the Chief of Department, the Deputy Chiefs and the Chief of Training
- A full construction estimate based on the 100% Design Development package is being completed
- Met with Arts Commission representatives and agreed on the location of the art enrichment at the site
- The Public Works Commission approved the selection of Swinerton Builders as the Construction Manager/General Contractor
- SFFD provided comments on the draft CEQA Addendum
- SFFD ESER staff delivered a presentation of the design renderings to Battalion 10 personnel
- Public Works reports that actual spending on the project increased from \$12,376,552 to \$13,143,360

Water Supply

- SFFD continued bi-weekly meetings with the San Francisco Public Utilities Commission and their consultants planning for the Potable Emergency Firefighting Water System
- SFFD met with SF Port, SFPUC and Public Works in planning meetings for the Mission Bay Ferry Landing Fireboat Manifold

Fire Station 35 Security Fence Improvements

- Work delayed by materials procurement; completion planned in April

Station 49

- The contractor has engaged their insurance company to remedy the degraded finish on the cord reels

Network Modernization Project

- The construction component is complete except for Station 51 and 35
- Installation of outside fiber optic cable and internal wiring is ongoing

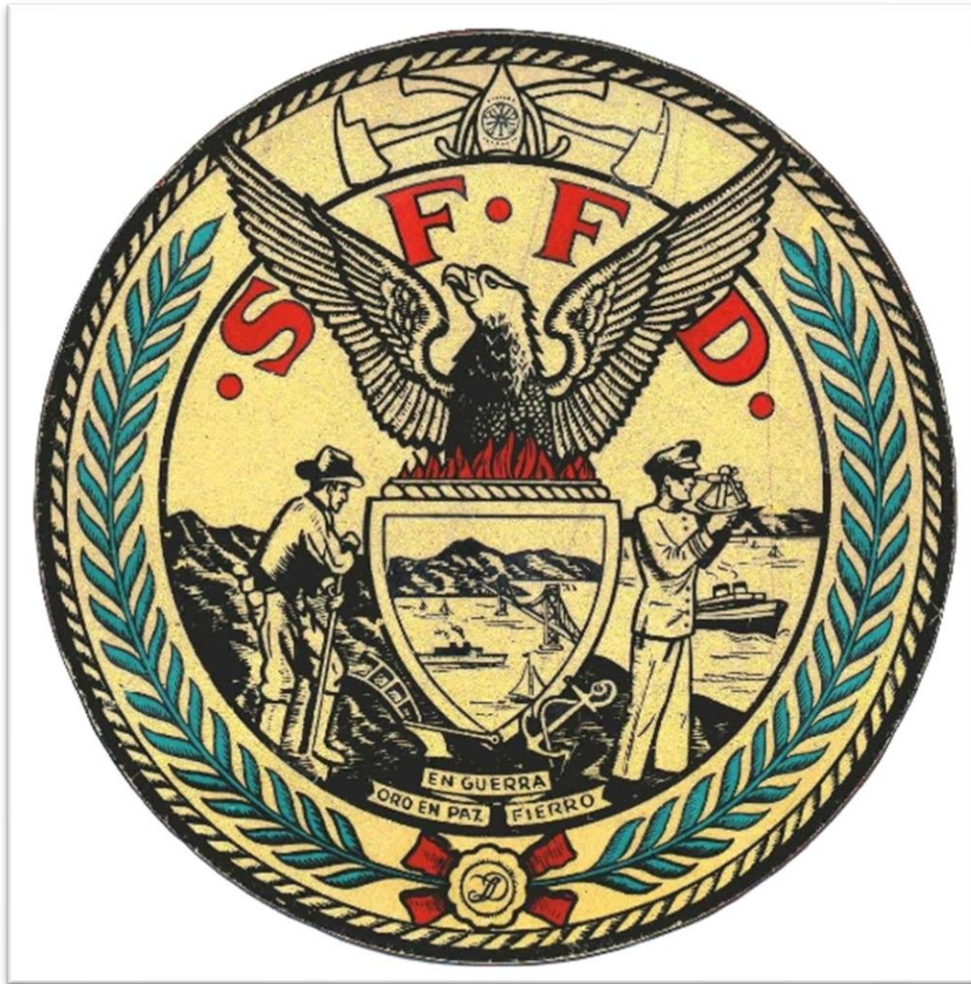

Neighborhood Fire Stations

- FS 37 and 44 – Substantially complete – Testing and Inspections required
- FS 19 and 18 generator replacements delayed 5-9 months in procurement
- Station 15 Hose Tower Removal/Replacement - Bid documents being developed

FY24 Roofing Program

- Fire Station 9 Roof Replacement - Job walk for interested contractors on April 8, 2025

Human Resources

***Human Resources

1	H8 Per Diem Paramedic
5	9910 EMT Trainee
5	H2 Firefighter

Human Resources
Lucy Chu
March 2025

Leaves of Absence with Pay

Submitting requests for leaves of absence with pay for the time period from February 2025 through June 2025 for the following:

<i>No. of Members</i>	<i>Rank</i>	<i>Total Amount of Leave (Days)</i>
1	Chief Officer	17
2	H33 Rescue Captain	9
1	BFP/I Officer	29
2	H20 Lieutenant	9
1	H4 Inspector	20
8	H3 EMT/PM/FF PM	97
10	H2 Firefighter	85
	Total Number of Days with Pay	266

Intermittent Leaves with Pay

Submitting requests for intermittent leaves with pay for the time period from January 1, 2025 through September 3, 2026 for the following:

<i>No. of Members</i>	<i>Rank</i>	<i>Dates of Leave</i>	
3	H33 Rescue Captain	Mar. 18, 2025	- Jun. 20, 2025
1	H30 Captain	Mar.15, 2025	- Sept. 16, 2025
2	BFP/I Officer	Mar. 10, 2025	- Mar. 18, 2026
3	H20 Lieutenant	Mar. 18, 2025	- Apr. 2, 2026

2	H4 Inspector	Mar. 28, 2025	-	Nov. 24, 2025
7	H3 EMT/PM/FF PM	Feb. 3, 2025	-	Mar. 16, 2026
5	H2 Firefighter	Jan. 1, 2025	-	Sept. 3, 2026

Leaves of Absence without Pay

Submitting requests for leaves of absence without pay for the period from March 2025 through August 2025 for the following:

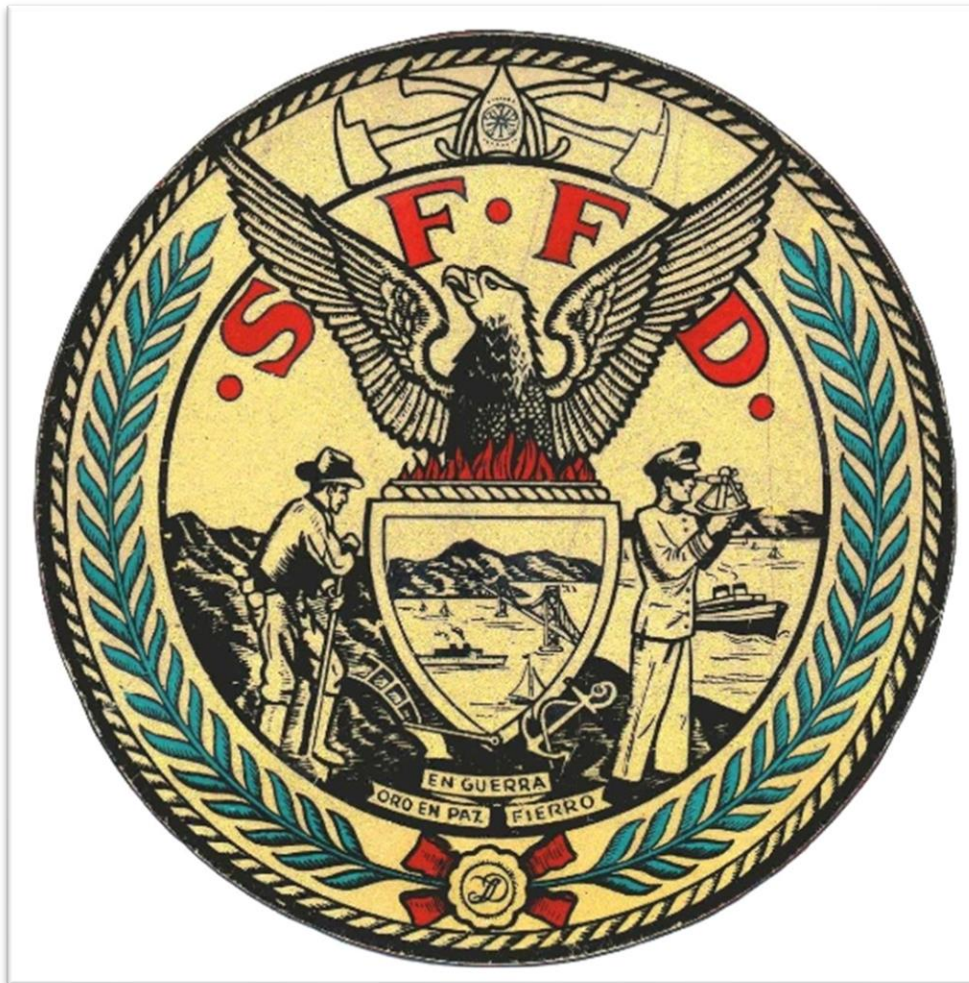

<i>No. of Members</i>	<i>Rank</i>	<i>Total Amount of Leave (Days)</i>
4	H3 EMT/PM/FF PM	37
1	H2 Firefighter	1
	Total Number of Days without Pay	38

Intermittent Leave without Pay

Submitting requests for intermittent leaves without pay for the time period from January 13, 2025 through May 19, 2025 for the following:

<i>No. of Members</i>	<i>Rank</i>	<i>Dates of Leave</i>	
1	H3 EMT/PM/FF PM	Jan. 13, 2025	- May 19, 2025

Public Information Office

***Public Information Officer
Captain Jonathan Baxter, Lieutenant Mariano Elias,
Rescue Captain Samuel Menchaca
March 2025***

March PIO Incidents: 186	Interviews: 100	Events: 317
--------------------------	-----------------	-------------

Operations:

The PIO office had an engaging month for operations and responses. There was an active attacker scenario at Oracle Park for all department members, featuring lifelike situations and rescues. The 130th anniversary of the Municipal Ambulance Service for the City and County of San Francisco was marked by a speech from Chief Crispin and Mayor Lurie. An amazing Saint Patrick's Day parade took place, featuring one of the first Instagram live streams from PIO officer Menchaca. The life of Art Kenney was celebrated and attended by both active and retired members of the PIO office. Overall, it was an engaging month, marked by collaboration with the department, community, and media partners.

Training and Education:

Members of the PIO team continue to pursue training opportunities to advance our ability to serve our community. This month, members participated in numerous drills and an off-site class related to Media Relations.

The PIO team is updating our 2025 PIO handbook, developing a PIO task book, and establishing a digital document system (Teams channel) to enhance efficiency.

Backup PIO Contreras has begun her ride-out shifts and is expected to be available for extra duties in April 2025.

Baxter: Advanced Crisis Comms, Interview skills by BATI, and Tsunami Awareness meeting

Elias: ICS 300, FORS Class

Menchaca: Active Attacker for Chiefs, ALS In-service (new EMS policies)

Sukai: Ride out training, ALS In-service (new EMS policies)

Equipment:

The team has been able to set up our new office at Station 4 with high tech resources including a first of its kind citizens app public safety dashboard and a dedicated charging system for our emergency laptops and iPads additionally we have been able to set up the multimedia room to accommodate immediate action messaging with branded backdrop lighting and aesthetics for on-the-spot broadcasting to our media partners and communities during emergencies and disasters.

March 2025 Targeted Outreach:

- Cancer Awareness
- Tsunami Preparedness Awareness
- Storm Safety
- Evacuation Orders
- Surf swell warnings
- APOT DELAYS FOR SFFD (SF Chronicle Feature) Rain delays and safety messaging
- Pet Holiday Safety
- Drone safety
- Escape plans, two ways out
- Family disaster planning
- Clean your gutters (Storm)
- 130 EMS Anniversary
- Hose Tender Awareness
- Space heater safety
- Air Quality
- See Something, Say Something EV Bike/Scooter Safety
- High Surf Warnings
- Coffee with public safety team - ORE Smoke Alarm
- Meeting places for escape
- BUASI Advisement for training Coastal Safety
- Smoking Safety
- Event Safety
- CP daily operations
- Hotel/Motel Fire Safety

Public Information Office Incident Responses

March 1st

0255 SIB – 50 Laguna Street

1027 FIR – Vehicle (smoke from pressure washer), Fillmore / Haight

Delays at S.F. hospitals keep patients waiting in ambulances and cost taxpayers thousands
Source: Newsbreak Original | Market: United States | Type: Digital News | Category: Consumer
 ... of patients, but there is little sign that a shared diagnosis of the issue is leading to solutions. The delays cost San Francisco taxpayers an estimated \$772,000 each year in staffing and overtime as paramedics idle for lengthy periods at hospitals, according to an estimate provided by the **San Francisco Fire Department**, which handles about 80% of all ambulance transports in the city. "It's a patient care issue, it's a patient safety issue, and it's a municipal budget drain," said Brian Rice, president of California Professional Firefighters.
