NATIONAL VICTIMS' RIGHTS WEEK

SFPD and the DA's office hosted an event with other notable stakeholders including the Office of Victims and Witness Rights to honor victims of violent crimes in San Francisco. A tree was planted in Golden Gate Park to honor those lost.

FIREOPS 101

FireOps 101 is a fully immersive simulation of what a day in the life of a member of the SFFD entails. There were 4 sections.

- An auto extrication
- Overdose with CPR in the back of a moving ambulance
- Structural building collapse and rescue with the USAR dogs
- Burn Room

Several members of the Board of Supervisors and the Mayor's office were in attendance.
