RE: Written submission for Fire Commission meeting on May 14, 2025 agenda item #2 General Public Comment re supporting California State Assembly Bill No. 1181 (Haney) - Firefighter Personal Protective Equipment: Perfluoroalkyl and Polyfluoroalkyl

On April 29, 2025 the San Francisco Board of Supervisors unanimously passed a resolution supporting AB1181 by Assemblymember Haney focused on improving safety for firefighters gear and also reaffirming San Francisco's commitment to the safety of its first responders.

AB1181 (Haney) is about removing toxic chemicals from firefighters gear.

The San Francisco Board of Supervisors resolution passed on April 29, 2025 is also consistent with previous legislation passed by the BOS.

Sunset-Parkside Education and Action Committee (SPEAK) and People of Parkside Sunset (POPS) aka Taraval Merchants Association are strongly supporting AB1181 (Haney).

SPEAK and POPS are also acknowledging the role of the California Professional Firefighters as the official sponsor of AB1181 for working with Assemblymember Haney in drafting this legislation.

SPEAK and POPS are strongly urging the Fire Commission to pass a resolution similar to the San Francisco Board of Supervisors resolution in support of AB1181 (Haney).
