

San Francisco Fire Department

**Deputy Chief of Administration
Sayumi Brannan**

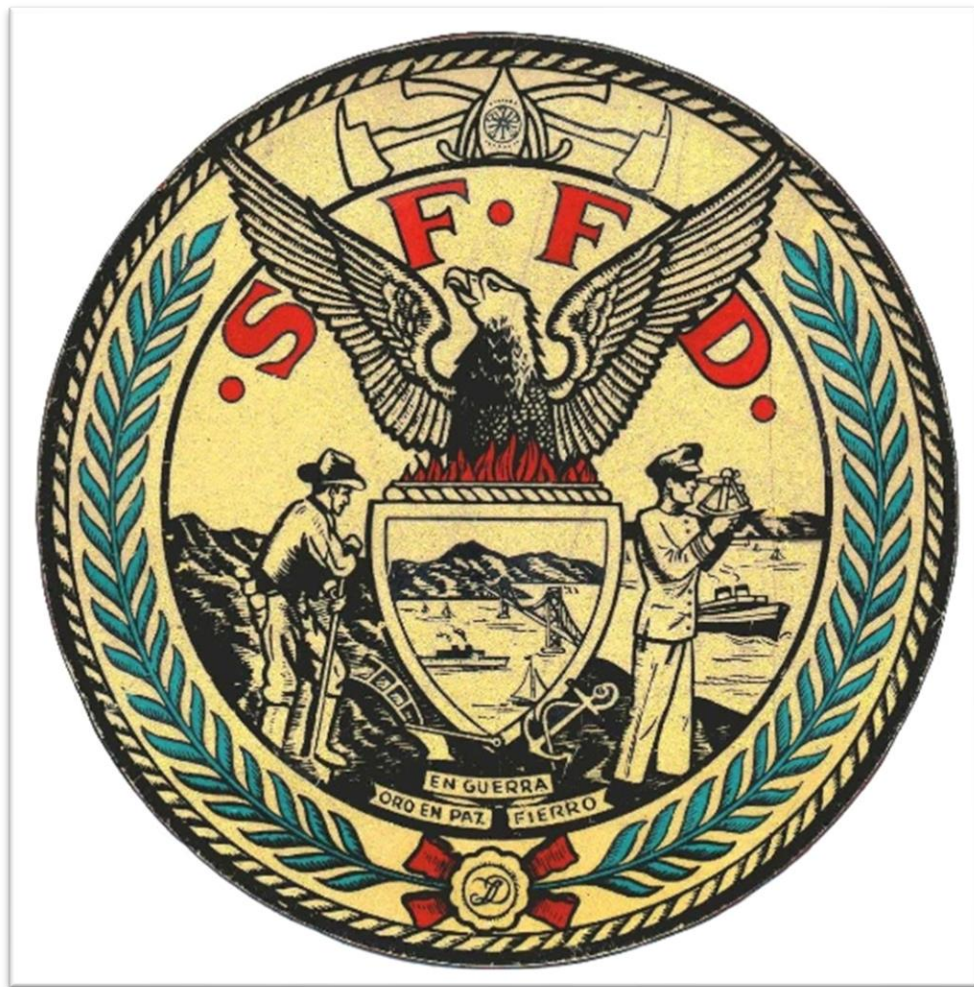

**Fire Commission Report
June 2025**

Glossary of Terms

5/5	Out of service/Out of order
300A Form	OSHA Summary of Work-Related Injuries and Illnesses
3807 Event	Injury Report - did not require medical treatment
5020 Event	Injury Report - required medical treatment
ACLS	Advanced Cardiac Life Support
ACS	Auxiliary Communications Service
ADF	Ambulance Deployment Facility
AHMT	All Hazards Incident Management Team
AOA	Airfield Operating Area (secured airfield area)
APOT	Ambulance Patient Offload Time
APEC	Asia-Pacific Economic Cooperation
ARFF	Aircraft Rescue Firefighting (airport apparatus used on the airfield for fighting aircraft incidents)
AWSS	Auxiliary Water Supply System
BAAQMD	Bay Area Air Quality Management District
BATEP	Bay Area Training & Exercise Program
BAUASI	Bay Area Urban Areas Security Initiative
BBR	Bureau of Building Repair (Department of Public Works)
BHU	Behavioral Health Unit (formerly known as the Stress Unit)
BLS	Basic Life Support
BOE	Bureau of Equipment
BUF	Bureau of Urban Forestry
CA TF3	California Task Force 3 - Urban Search and Rescue
CERS	California Environmental Reporting System
CIRT	Critical Incident Response Team
CJAC	California Fire Fighter Joint Apprenticeship Committee
COES	California Office of Emergency Services
DBE	Design-Build Entity
DBI	Department of Building Inspection
D & D	Doffing and Donning
DEM	Department of Emergency Management
DOC	Department Operations Center
DOC	Daily Operational Check
DOT	Department of Training
DSCA	Defense Security Cooperation Agency
DWC	Division of Workers Compensation
EAP	Event Action Plan for Planned Events
EAP	Employee Assistance Program
EFWS	Emergency Firefighting Water System
HER	Electronic Health Records
EHMR	Elastomeric Half-Mask Respirator
EMS PIP	EMS Performance Improvement Plan
EOC	Emergency Operations Center
EtOH	Ethyl Alcohol
FAR	Federal Aviation Regulations (FAA guidelines for operating)

FDOC	Fire Department Operations Center
FFCCS	Fire Fighter Cancer Cohort Study
HAZWOPER	Hazardous Waste Operations and Emergency Response
HPH	High Pressure Hydrant
HRET	High Reach Extendable Turret (piercing nozzle on ARFF rig)
HSS	Health Service System
IAFF	International Association of Firefighters
IAP	Incident Action Plan
IPSDI	International Public Safety Data Institute
JOC	Job Order Contracting
LARRO	Low Angle Rope Rescue Operational
LODD	Line of Duty Death
MCI	Multi Casualty Incident
MEP	Mechanical, Electrical and Plumbing
MSE	Minor Sidewalk Repair
NCRIC	Northern California Regional Intelligence Center – member of the National
NFA	National Fire Academy
NFORS	National Fire Operations Reporting System
NIOSH	National Institute for Occupational Safety and Health
NTP	Notice to Proceed
OES	Office of Emergency Services
OFA	Opportunities for All
OOS	Out of Service
ORD	Outreach, Recruitment and Development
PSS	Peer Support Team
PX Members	Probationary Members
RC	Rescue Captain
RS	Rescue Squad
SCBA	Self Contained Breathing Apparatus
SFIA	San Francisco International Airport
SPCC	Spill Prevention Control and Countermeasures Plan
SWOT	Strengths, Weaknesses, Opportunities and Threats
TDA	Tractor Drawn Aerials
TITF	Treasure Island Training Facility
USCG	United States Coast Guard
US&R	Urban Search and Rescue
UST	Underground Storage Tank
VAR	Vehicle Acquisition Request
WDO	Working Day Off
WOW	Wellbeing at Work
WMD	Weapons of Mass Destruction

Homeland Security

***Homeland Security
ADC Erica Arteseros Brown
June 2025***

Meetings/ Events/ Training & Exercises Attended

- HS1 Medical Leave
- Pride Parade

- Training & Exercise
 - MGT 466 Sport & Special Event Enhanced Risk Management Course
 - MGT 308 Incident Coordination Course
 - ESF7 Logistics Seminar

- CCSF
 - Lifelines Council Meeting
 - HAQR (Heat & Air Quality Resilience) committee meeting
 - 4th of July Citywide/USCG meeting

- Department of Emergency Management (DEM)
 - 1st Amendment Activations Coordination Call
 - Quarterly SFFD/DEM meeting
 - Citywide Disaster Preparedness Coordinator (DPC) meeting
 - State Homeland Security Grant (SHSGP) meeting
 - Pride Weekend Coordination call

FEMA CA-TF3

- Search Canine Unit
 - Monthly Drills
 - Cristina Padilla and Samantha Mar session 1 training at Search Dog Foundation
- Rescue/Hazmat/Logistics/Comms specialists
 - Monthly drills
 - Red team on standby June

IMT/Mutual Aid/Disaster

CHEMPACK site visit. CHEMPACK is a nerve agent antidote. The program is led by SFDPH.

Fleet Week

Planning Meeting 1

Urban Area Security Initiative (UASI)

Approval Authority Meeting

Incident Management Team Development:

EAP development for planned events

Drone Program

Citywide UAS workgroup

NCRIC (Northern California Regional Intelligence Center):

- Lt. Mauberret NCRIC update report
- SAR (suspicious activity report) reporting and review of alerts
- Situational Awareness Distribution to EAP Group

Major Incident Planning

- Superbowl 2026
 - Bay Area Update: Operational Area Coordination at Santa Clara Emergency Management Office
- World Cup Soccer 2026
 - Federal Coordinator Meeting Moffit Field

On-going Coordination/Projects:

- Disaster Manual updates & Disaster Checklist Project ongoing- Committee Chair coordination
- UASI grants management
- FDOC
 - Maintain situational awareness
 - Orientation for new command staff
 - Update job aids
- SFPD Operational Orders distribution
- Mobile Command Vehicle

Activation:

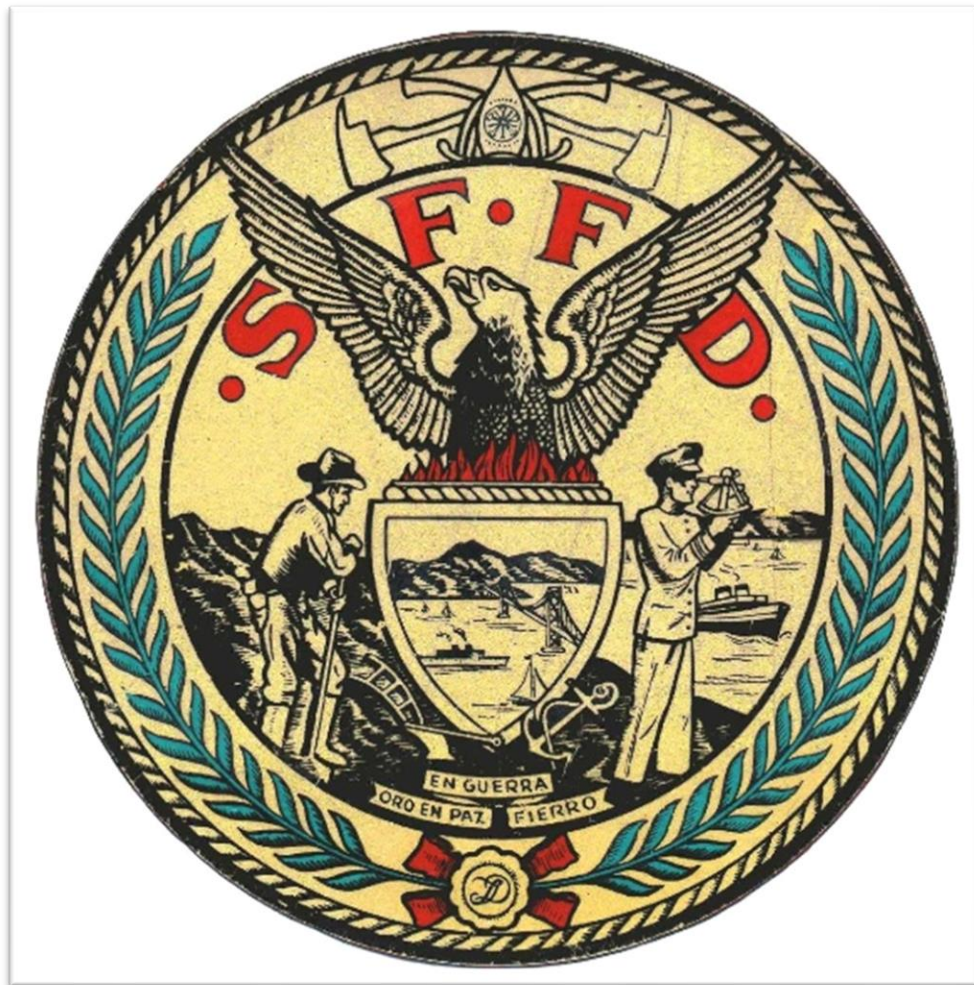

1st Amendment Activations Coordination City Emergency Operations Center (EOC)/P(olice)DOC

Event/Incident Action Plans (EAP/IAP) Completed:

1st Amendment Activations Plan

Pride Weekend Plan

Outreach, Recruitment and Development

Outreach, Recruitment and Development
June 2025
Lt. Hashim Anderson

Youth Career Academy

- AFA: The Asian Firefighter's Association hosted youth from YCA at TITF
- CHP Every 15 Minutes: California Highway Patrol provided their "Every 15 Minutes" curriculum to TCA.

Community Outreach

- Pride
 - Staff Booth at Pride on Saturday and Sunday
- CORE Meeting
 - Met with new CORE Workgroup members
 - Establish priorities on Outreach and Education Programs
- Career Fair
 - 3rd Street Youth Center and Clinic

Opportunities for All

- OFA Kick Off
 - The Human Rights Commission hosted all OFA participants and city partners at Civic Center Plaza
- OFA Summer Internships: 2 Cohorts
 - Cohort #1 – 24 Participants EMT 100 – CCSF
 - Cohort #2 - 21 Participants EMT 14-CCSF and NERT

H2 Hiring

- FCTC Test Prep Course
 - Hosted a FCTC Written Test Prep session at our Division of Training Folsom Facility
- FCTC Test
 - Administered the FCTC Written Test at our Division of Training Facility
- Career Information Session
 - Conducted an SFFD information session to educate interested candidates on job duties and the hiring process
- DHR Eligible List
 - Close the application cycle for H2 Recruitment on June 30
 - Total of 785 New Applications
 - Match Applicants with FCTC

Health, Safety and Wellness

Health, Safety and Wellness
BC Matthew Alba

Commission Meeting Report for Health, Safety, and Wellness June 2025

Every Monday:	Meet with BHU Officer Scola
Every 2 nd Tuesday:	Meet with Chief Brannan
Every Friday:	Follow up with members on DP, retired members and others who have cancer
Every 2 Weeks:	IAFF NFPA Standards Representatives Meeting
Every 2 Months:	Represent Chief of Dept in Family Violence Council Meeting
Every 3 Months:	CD1 Check in
3 rd Tuesday:	Health and Safety Committee Meeting
3 rd Thursday:	San Francisco Firefighters Cancer Prevention Monthly Meeting
4x/year:	Fire Fighter Cohort Cancer Study: Women Firefighters Quarterly Meeting

STUDY UPDATES

- Sulforaphane Study – Funded by SFFCPF
 - The samples are out at 3 different labs for:
 - Epigenetic Analysis
 - CRP (inflammatory marker)
 - Metal Analysis
 - PFAS Analysis
 - Results expected to be late July
- IGNITE (AKA Nutrition Study) - Funded by SFFCPF
 - HSW was able to send another recruitment letter, hoping to keep the recruitment to SFFD but we are experiencing low numbers, Stanford may open it to outside SFFD.
 - In an effort to recruit more SFFD members, HSW was able to put this link on Sharepoint: [Christopher Gardner IGNITE Recruitment Video.mp4](#)
- Fuel Pump Study – Funded by MKThink
 - Station 2 & 5
 - Phase 2 of the study is launching next week.
 - As a summary, we are collecting Indoor Environmental data from 3 sensors in each station and received one month of roster activity (1/20 to 2/20). We are now proceeding with installing computer vision sensors to map at the station level 3 types of behaviors, plus benzene sensors, and to have the best possible outcome/value
 - Working with I.T/Facilities. to get:
 - Roster information by day per station

- Sick day requests per station per employee (anonymous) (start date, end date)
 - Avg hourly compensation rate
 - Capacity per room in each station (or total personnel per station)
 - NSF, GSF per room in each station
- HSW Liaison – TMD FF Tyler Leboa (Talking Points below)
 - Stations visited so far:
 - Battalion 8 – Stations 18, 23, 20, 40
 - Battalion 4 – Station 16
 - Battalion 5 – Stations 5, 12, 21
 - Battalion 2 – Station 6
 - Battalion 7 – Stations 31, 22

Health, Safety & Wellness Liaison - Talking Points & Focus Areas in Station Visits:

1. IGNITE Nutrition Study

A firefighter-focused cancer prevention study led by Stanford and supported by SFFCPF and SFFD.

2. Cancer Champions Program

We need at least one Cancer Champion in every firehouse (more are welcome).

- Champions serve as a conduit for health and safety info related to prevention and screening.
- Your role includes helping identify these members and reinforcing their purpose across the station.

3. DetectTogether.org – Early Detection & Education

Educate members about the value of early detection and available resources:

- Promote [DetectTogether.org](https://www.detecttogether.org) as a trusted tool tailored to firefighter risks.
- Encourage members to be proactive in cancer screenings and symptom follow-up.
- Stress that early detection saves lives—and our exposure risk is higher than the general population.

4. Broc Shot – Firefighter Protection Program

Make members aware of the Broc Shot Firefighter Protection Program:

5. Firefighter Cancer Screening Recommendations

Encourage members to be proactive with their annual physicals by discussing these SFFCPF-backed cancer screenings with their Primary Care Provider (PCP):

- **Lab work:** SMAC20, CBC w/ diff, CRP, A1c, Vitamin D, Urinalysis
- **Skin:** Annual head-to-toe by dermatologist
- **Oral:** Dental exam of mouth and throat
- **Thyroid:** Physical exam

- **Lung:** If 55+ with smoking history
- **Cervical:** Starting at age 21
- **Breast:** Age 40+, or earlier if high-risk
- **Colorectal:** Starting at age 40
- **Bladder:** Annual exam for blood in urine
- **Prostate:** PSA and digital exam starting at 45
- **Testicular:** Baseline exam starting at 40

6. Annual Wellness Exam Policy

Starting in **January 2025**, all SFFD members must complete an **annual wellness exam** through their PCP. Participation directly affects Grant Qualification.

Behavioral Health Unit
Lieutenant Matthew Scola and Firefighter Chelsea Nelson
June 2025

Meetings:

Mental & Behavioral Health Sub-Committee

Meeting of department members and staff to improve support, education, and access to resources for psychological wellness.

- Members in Attendance: Lt Scola (Chair), MD Chang, NP Phelps, Boone, Cpt Buren, Lt Stevenson, FF Nelson
- Address Peer Support program oversight & plans for operations.
- PTSD, Suicide Prevention, and Stress Resiliency Training.
- Resource development to improve adult learning and awareness of services.
- SFFD Lighthouse App updates

Community Paramedicine Division

Objectives:

- Identify concerns affecting CP Division members and leadership.
- Set up ride-along for the BHU navigator Nelson to observe CP calls.
- Create a plan to address the best support options for CP members and operations.

SFHSS Employee Assistance Program ComPsych Monthly Check-In

Joint meeting of SFHSS EAP staff and department Peer Support representatives

On-going:

- Address any issues with members accessing EAP therapy via ComPsych.

Upcoming:

- In-Person Provider & Peers Meet & Greet, September 8th
- Location: SFFD DOT (Folsom)

SF First Responder Peer Support Summit & Advisory Committee

Monthly First Responder Peer Support meeting.

- Departments in Attendance: ACC, DEM, ME, SFFD, SFPD, SF Sheriffs
- Discussed current critical incidents and issues for each department.

Trainings:

SFFD Lieutenant Academy

- Facilitators: BHU Officer Matt Scola and Peer Navigator Chelsea Nelson
- Topics: BHU Services, Mental Health & First Responders, Role of the Officer
- Offerings: Educational materials on local and national crisis response organizations, SFFD Wellness App (Lighthouse)

EAP Onboarding

- Lt Scola with SFHSS-EAP Staff: Jeannette Longtin, Carrie Beshears
- Introduction to SFHSS-EAP operations and services

Lighthouse Tune-up

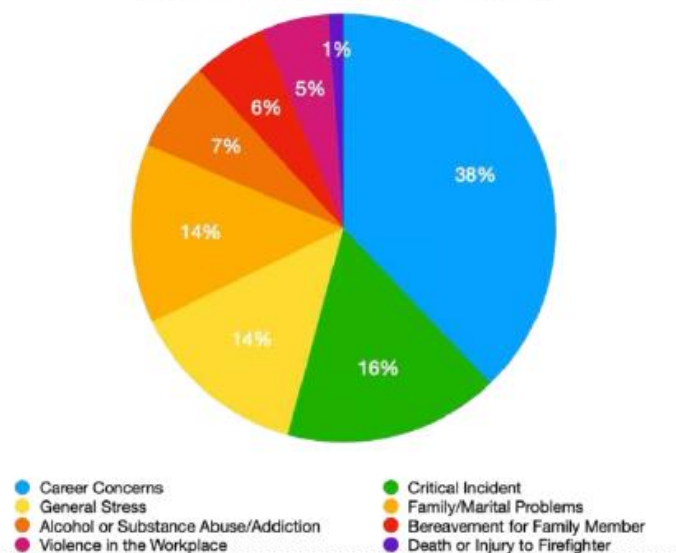

- Lt Scola and Navigator/FF Nelson with Lighthouse Rep: Allie Carpenter
- Introduction to SFFD Wellness App/Lighthouse infrastructure and analytics

Webinar Training

- 2nd Alarm Project: “Relief for First Responders: How an Embedded Mental Health Clinician Can Enhance Behavioral Health Programs”
- Attended by Lt Scola and Navigator/FF Nelson

Analytics:

BHU Peer Support Calls for Service - June 2025

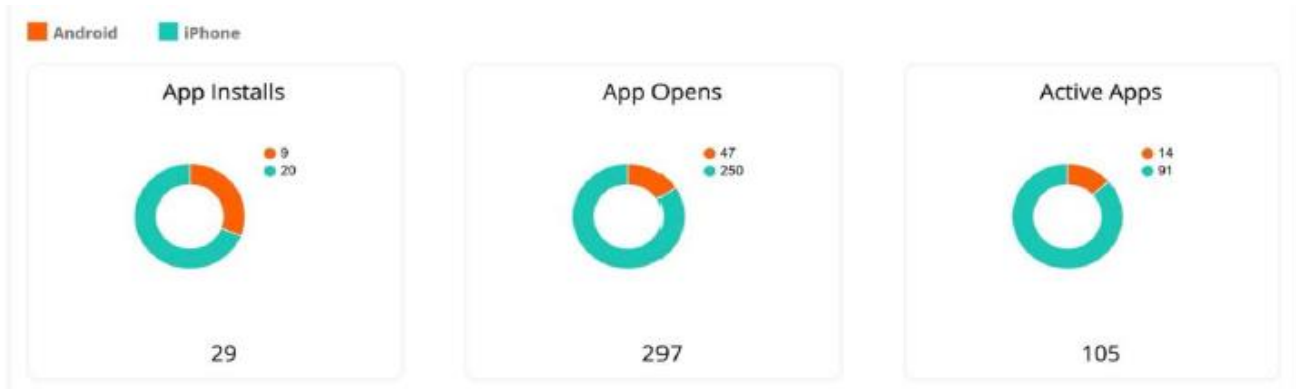

Stress Factor	Total
Career Concerns	67
Critical Incident	29
General Stress	24
Family/Marital	24
Alcohol/Substance Abuse	12
Bereavement	10
Violence in the Workplace	9
Death or Injury to FF	2
Total	177

BHU Journal Highlights:

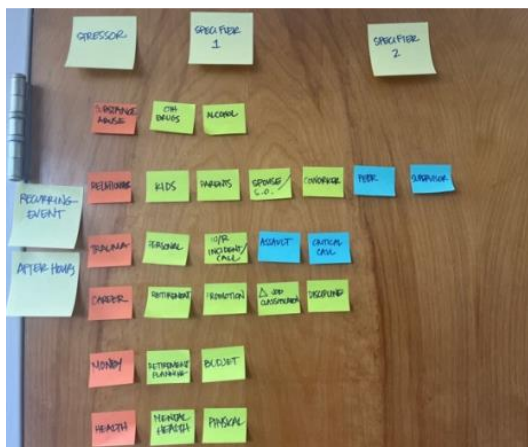

- Calls for service continue to increase, illustrating a growing awareness of the BHU team, greater comfort with accessing BHU services (reduced mental health stigma), and a growing demand for first responder support services.
 - Calls for service increased by 252% compared to June 2024 (6/2024: 70; 6/2025: 177).
- June 2025 Top Stressors:
 - Career Concerns: interpersonal issues with coworkers, change of assignment, promotional exams, leave options, workers' compensation claims.
 - Critical Incident: pediatric trauma/death, traumatic death, suicide.
 - General Stress: referral to therapy, health concerns, and anger management.
 - Family/Marital Problems: therapy for family members, couples counseling, separation/divorce, child custody.

SFFD Wellness App (Lighthouse) Analytics – June 2025

Misc.:

- Staffing Update:
 - Lost 1 Peer Navigator (Lt. Stevenson) due to retirement;
 - In the process of hiring through job announcements and interviews;
 - Applications due by 7/11; Interviews tentatively scheduled 7/21-7/24
- Analytics & Data Tracking:
 - Journal Mapping to improve BHU Calls for Service data (see picture)

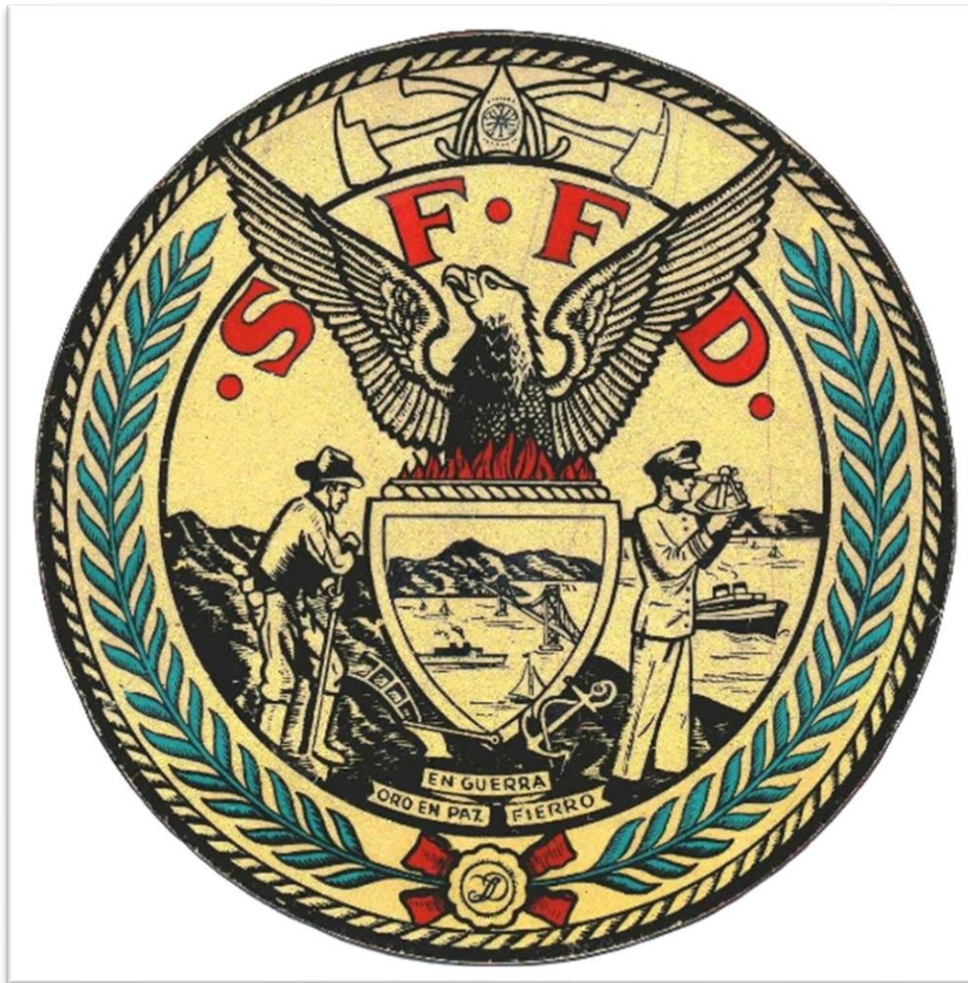

- On-going Outreach: Station visits; 1-3 per week; introduce team; make connections; inform members; empower Captains
- Operations & Infrastructure:
 - Updated PN job announcement to refine duties and ranks that are eligible to apply
 - Updated BHU description to include more accurate information

***Environmental Occupational Health and Safety
Anthony Boone, CIH, CSP, CHMM, CEI
June 2025***

- Performed Spill Prevention and Countermeasures Plan (SPCC) inspections.
- Reviewed Monthly UST inspections.
- Attended monthly health and safety meetings. New Health Safety Committee members. Focus on 2025 goals established.
- Investigated several member exposure reports.
- Updated CERS inventory for Fire Station 37 and 44 to reflect increase in fuel storage for emergency generators.
- Conducted hazardous materials inspection with CUPA inspector at Fire Station 48.
- Updating IIPP and RPP in response to Cal-OSHA citations at Fire Station 3
- Conducted ergonomics review for Community Paramedicine Captain Chelsea Meyers
- Conducted close out call for Cal-OSHA investigation for incident at Treasure Island Training Facility. Inspector indicated two citations will be labeled as serious. Awaiting final documents to proceed.

Office of Employee Health

***Office of Employee Health
Steven Chang, DO, DABFM, Supervising Physician
June 2025***

Summary of Activities

Return to Work Clearances: 30

New Hire Activities:

- Continued screening and evaluation of candidates for the H2 Academy, scheduled for July 2025.

Promotional Exams Conducted: 1

End of Probation Exams Conducted: 15

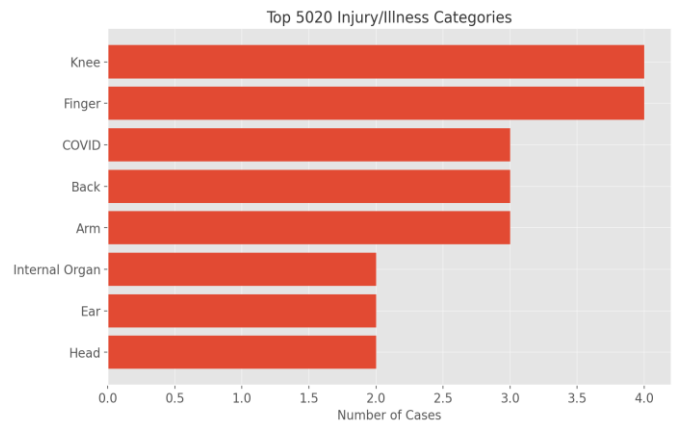

Summary of Work-Related Injuries and Illnesses

Total Reported Incidents:

- 3807 Forms: 71 cases (no medical evaluation required)
- 5020 Forms: 31 cases (completed medical evaluations)

Top Three 5020 Injury/Illness Categories:

1. Finger, Knee - 4 cases each
2. Arm, Back, COVID - 3 cases each
3. Head, Ear, Internal Organ - 2 cases each

5020 Incidents Resulting in Time Off Work: 18

Other Activities

Meetings & Collaborations

- **Technology and Data Management**
 - Enhancing systems for:
 - Supervisor Accident Investigation Reports (SAIRs)
 - Workers' Compensation claim monitoring
- **Occupational Health Coordination**
 - Ongoing partnership with ZSFG Occupational Health to provide member services
- **Workers' Compensation & Legal Engagements**

- Continued coordination with Workers' Compensation Representatives to improve care delivery
- Engagement with City Attorneys on pertinent legal issues
- **Committee Participation**
 - CCSF Joint Labor Management Committee
 - Behavioral Health Unit (BHU) Subcommittee
 - Health and Safety Planning Committee
 - Initiated the Physical Health and Injury Prevention Subcommittee
- **Recruitment & Hiring Initiatives**
 - Collaborative efforts with the recruitment team to enhance and streamline hiring processes

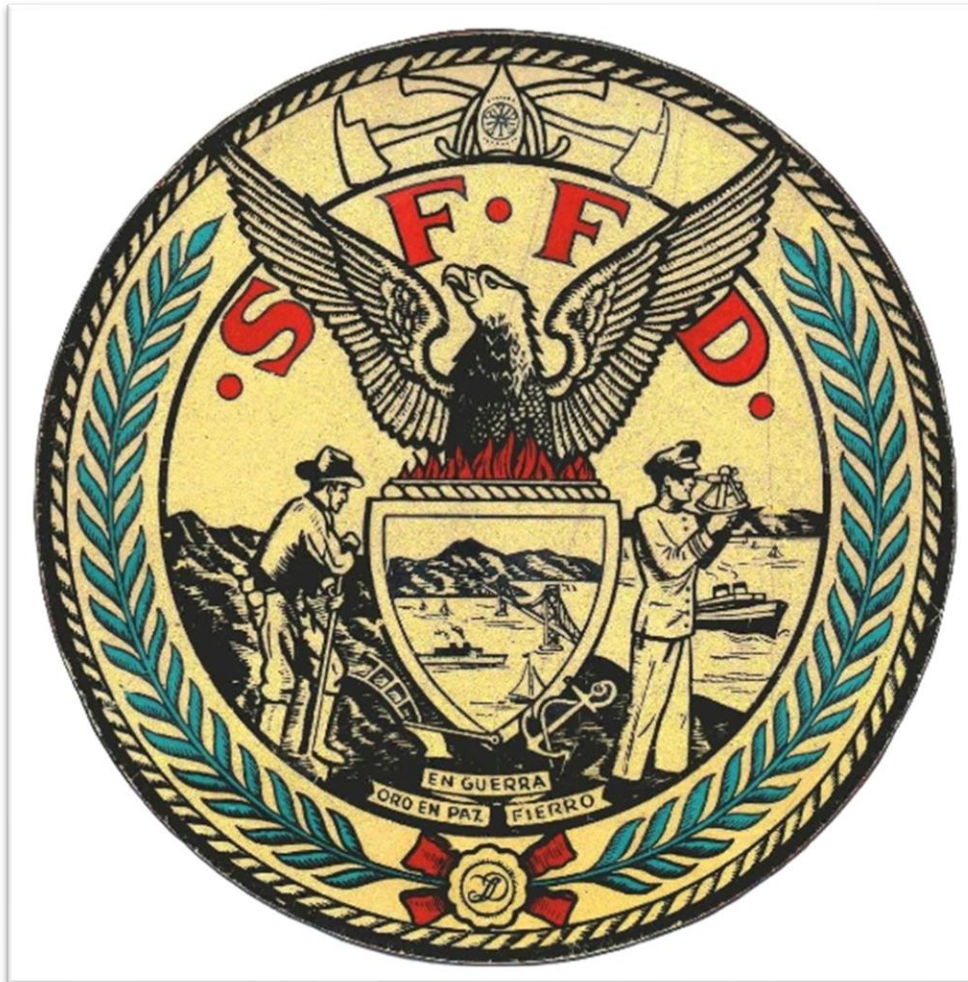

Health and Wellness Initiatives

- **Annual TB and Hearing Screenings**
 - Conducted large-scale events throughout April and May 2025
 - Make-up screenings offered to increase participation
- **Annual Wellness Exam Program**
 - Emphasis on increasing participation and improving program effectiveness
 - Promotional efforts to boost engagement
- **Recruit Nutrition Program**
 - In collaboration with Health Service Systems and Kaiser:
 - Pre-Physical Training Nutrition Talk: successfully conducted January 22, 2025
 - Coordination underway to deliver the talk for the upcoming H2 Academy
 - Post-Physical Training Nutrition Talk: Webinar to be distributed July 2025
- **Physical Fitness and Training Support**
 - Discussions with Health Service System to offer strength and fitness classes at various fire stations
- **Electronic Health Records (EHR) System**
 - Continued progress toward implementing a new EHR system to improve documentation and accessibility

Continuous Quality Improvement (CQI)

- **Data and Reporting Needs**
 - Collaborating with IT to define essential metrics for:
 - Strategic decision-making
 - Operational planning
 - Trend analysis
- **PDSA (Plan-Do-Study-Act) Cycle Development**
 - Testing and refining small-scale improvements
 - Assessing effectiveness before full implementation
 - Fostering a culture of continuous learning and responsive problem-solving

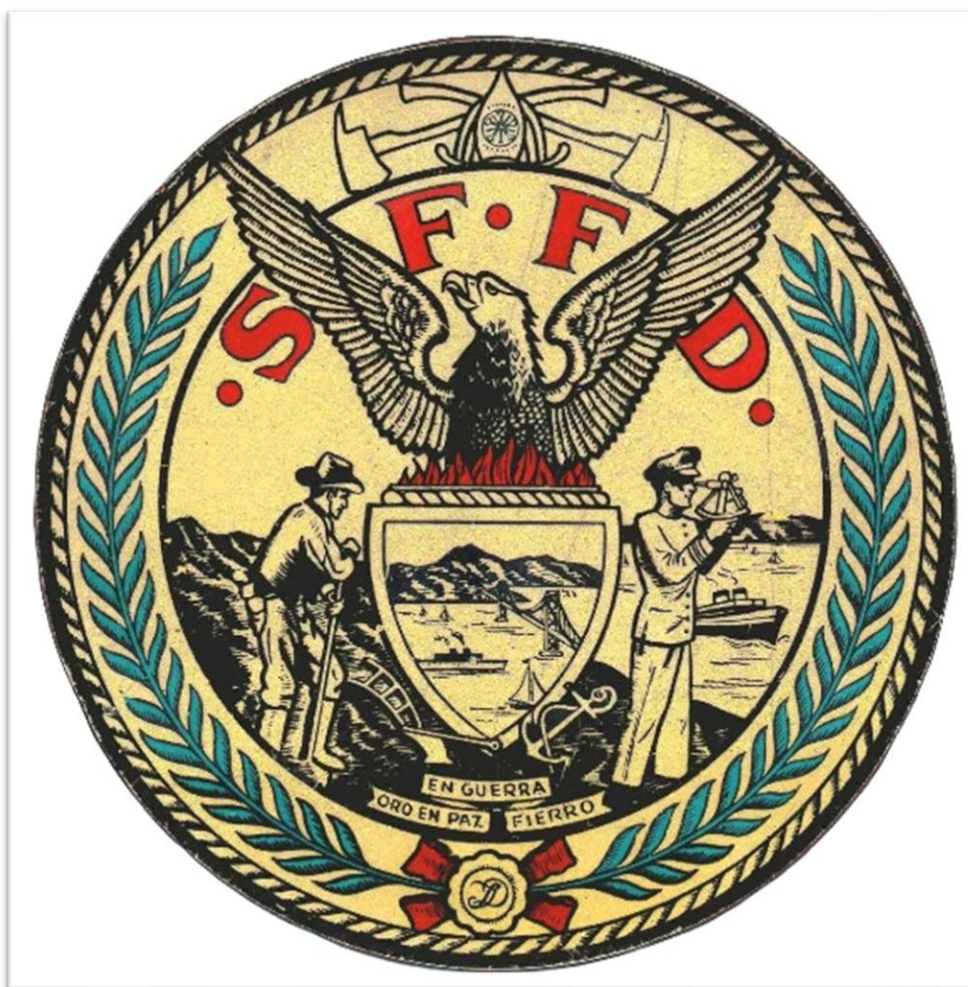

Research and Planning

Research and Planning (Assignment Office)
Captain Matthew Balzarini

There is no AO report for the month of June.

Investigative Services Bureau

***Investigative Services Bureau
Captain Colin Carter
June 2025***

Fireboat/Energetix DOT Testing Program

- The Fireboat / Engineer testing is now under the random testing program and the names are added to the draw pool daily from Datco Services.

Random Alcohol and Drug Testing Program

- The Random Alcohol and Drug Testing Program was compliant for the month of June. No positive tests recorded. Monthly checks of testing equipment / inventory completed for ISB 1&2, AP, D2, D3, and MD office.
- ISB equipment & supplies at sufficient levels.
- Continued to monitor last chance agreements and testing as outlined in agreements.

Conditional Offer, Promotional and End-of-Probation Alcohol and Drug Testing Program

- Fifty-Six (56) members participated in pre-employment, promotional, and end of probation alcohol and drug testing with the M.D. office. Seven (7) DOJ LiveScan were also completed.

Post Accident Investigations

- Four (4) post-accident investigations were conducted in June. Four (4) members tested in total (One hose tender, three engines).

California Driver Licenses (CDL)

- Cpt Carter continued to monitor all dept. members' driver licenses via CA DMV Pull Notifications.
- ISB continued driver license audits. Added new employees into DMV system and removed employees no longer employed by SFFD.
- ISB office continued to update all members' licenses and DL546 health questionnaire forms in HRMS. Forty-two (42) CDLs updated/renewed in June. CD3 memo (25-03) was released 5/21/25 to assist getting all members current with DMV health questionnaires and completing the Firefighter endorsement on their driver licenses. One-hundred three (103) DL546 forms completed and verified with the DMV between 6/01/25 and 6/30/25.

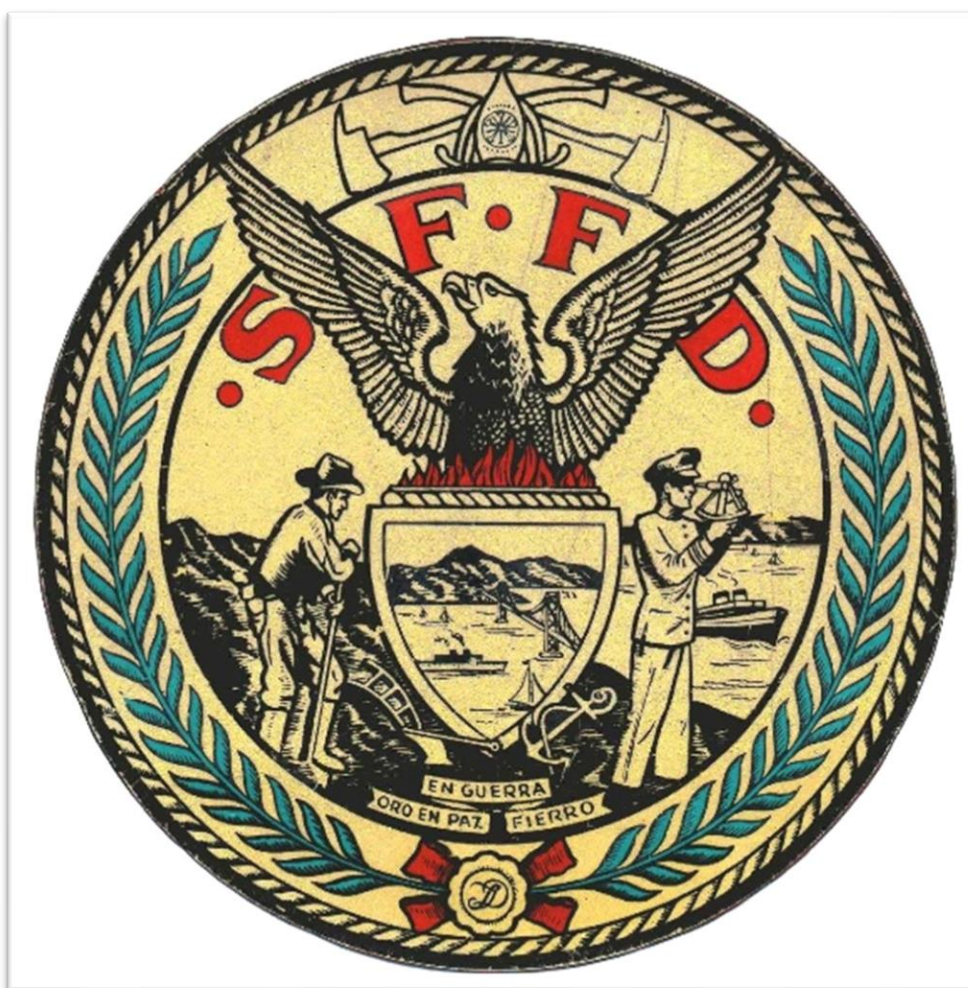

Background Investigations

- After completing thorough background investigations, twenty (20) candidates began the EMS Academy class 27/13. Eighteen (18) recruits currently enrolled as of 6/30/25.
- ISB began digitizing all records of all past background classes, a monumental task but much needed to adequately store personnel records.

Other Business

- Cpt Carter and Therapy K-9 Clifford met with the Officer of BHU (Scola) of the BHU to discuss the possibility of a psychiatric portion for the background process.
- ISB vehicle 145-276 to central shops for routine service, brakes, and shocks.

Support Services

Support Services – ADC Michael Mullin
June 2025

FACILITY MAINTENANCE & PLANNING (June Waechtler, SFFD)

- A total of 87 requests for service were initiated and 84 service orders were completed and closed out in June.

PLUMBING

- 16 service calls were placed to resolve minor plumbing issues (faucet, toilet, urinal repairs; clogged sinks, shower drains) in the month of May. Four sewage backups were reported during this month (FS 34, 23).

HVAC/HEATING/BOILER

FS 13: SO #2154832. ESTIMATE RECEIVED for Furnace/Forced air units in dorm; price also includes replacing exiting ductwork: preliminary estimate is \$80,000. Awaiting formal ESTIMATE from DPW/BBR. DPW's Steamfitters made a temporary repair, however 2/4 zones have bad heat exchangers and gas is locked out. Unit is working with temporary repair in place. Received estimate for \$104,888.00. Quote approved by Support Services. Waiting for labor availability and funding transfer. DPW Steamfitters are reviewing system operations of new units at St 26 then they will replicate system for St 13 as per discussion with Support Service's Assistant Deputy Chief and Stationary Engineer. Still discussing which units to purchase with SFFD Stationary Engineer. Waiting for equipment to be approved by Support Services. Steamfitters also propose surveying the electrical panel as discussed with SFFD. Waiting for labor. Equipment has been ordered from Norman S. Wright. As of 10/8/24, Steamfitters are waiting on a PO for the new equipment. The equipment is due to arrive week of December 2, 2024. After inspection, work will be scheduled to commence. Work has started on the furnace replacement. Gas piping has been capped off for demolition. A new thermostat wire is needed to operate new units; conduits and junction boxes have been traced to pull new wires. New wire has been pulled throughout dorm. Four new furnace units are set in place. Gas will be piped after ductwork is complete. Gas piping is complete. Power and controls to the 2 fan units are complete. Flue piping on furnace is scheduled to be completed 2nd week in March. Start up of new units will take 3rd week in March. Sheet metal materials were delayed. The installation will take place 4/9-4/10. Units will start the day after sheet metal is complete. Status Update: Start up was performed on all 4 units and are working as designed. The dorm room unit had obstructions in the ductwork and a separate estimate was submitted for a test and balance which included repairing the fusible links on 2 of the dampers. Scope of work and start up was discussed with SFFD Building Engineer. Thermostats programmed. Job completed.

FS 17: Boiler replacement estimate is being revised by DPW Steamfitters for consideration. Status Update: Estimate was submitted to SFFD in March. SO# 2484755. ESER funds have been approved and job is in planning stage.

FS 22: Re-circ pumps need to be replaced. DPW Steamfitters to conduct walk through with Support Services then provide estimate for re-pipe. Moving forward with estimate for re pipe. SO # 2314145 was submitted to SFFD for approval to re-pipe boiler. Waiting on Client approval. SFFD approved scope of work to be performed. Re-piping material estimate has been submitted to DPW's Purchasing Department. ETA for equipment and material week of

2/17/25. Currently making improvements on re-piping the mechanical room to include new pumps and a new caleffi hydraulic separator. Installation is complete. System operation is being observed, and temps are being adjusted to system design. Heating hot water pumps are running quieter than before. The hydronic heating system flow rate was lowered and radiators are working better. Status Update: Work completed.

FS 23: Heater in Officer's Room needs to be replaced including new t-stats, on-off switch. Drying Room needs new heater and exhaust fan. Modifying controls to include timer and on/off switch in or outside the Drying Room. Waiting for a quote from DPW's Steamfitters Shop for two heaters, one exhaust fan and the necessary control work. Quote received from DPW, in for ADC of Support Service's review. ADC of Support Services requested that a quote be provided just for the fan coil replacement. Steamfitters propose to modify the existing estimate and resend mid-July. SO # 2115449 was submitted to SFFD for the Officers Room heater replacement. Waiting on Client approval. Approved by SFFD. A unit heater has been ordered. Status Update: Waiting for unit to arrive.

FS 29: SO #2249790 Heating system is down. Noted that the pumps here on this system are frequently replaced. Steamfitters are recommending re-pipe unit similar to FS 12. Waiting on Client approval. SFFD approved scope of work to be performed. The material estimate has been submitted to DPW's Purchasing Department. Status Update: Waiting for SFFD approval to order additional materials as needed. Work has been approved, awaiting scheduling.

FS 37: RADIATORS It was discovered that 17 radiators need new valves to control on/off. Nine units do not work. Waiting for the proposal to change out all valves. The Drying Room Heater needs a 3-way valve and an outdoor air override that needs to be installed. Proposing two men to take nine days, plus \$3500 in parts. The heat is on in the Station and the new program settings are adequate to get through the winter. Work will need to be done when they are permitted to shut boiler down for a few days. Waiting for a formal quote to be sent to ADC Support Services to sign off. Deferred by SFFD, however DPW will be submitting a new estimate for the boiler work. Status Updates: Estimates for the controls work and radiator valves submitted to SFFD for approval. Work approved, awaiting scheduling.

FS 38: Drying Room pump has failed. A new drying room pump has been ordered for replacement. Status Update: Job Completed.

FS 41: SO #2155508. Boiler controls proposal. Received revised quote from DPW Steamfitters \$23,559.83. Approved by Support Services. Order of new relays and wire has arrived; DPW will schedule labor to replace contactors and relays in the control panel. Status Update: Work is scheduled to start on the boiler controls mid-October, including new pump contactors and relays. Status Update: System needs new expansion tank and PRV. Boiler is working; new parts will prolong the life of pump and boiler. Anticipate that the new parts will run approximately \$3,000; 32 hours of labor needed for installation. Waiting for client approval. SFFD approved scope of work to be performed. Parts estimate has been submitted to DPW's Purchasing Department. PRV and new expansion tank have been installed. Status Update: Job complete.

CEMENT/ASPHALT

No major cement/asphalt issues were reported.

EXHAUST EXTRACTORS

For May, there were two stations that reported issues with their equipment. FS13 requesting new sensors. FS 19 damaged hose. Awaiting parts.

GLASS/WINDOWS/SCREENS

No major glass/window/screens issues were reported.

CARPENTRY

No major carpentry issues were reported.

ELECTRICAL

No major electrical issues were reported.

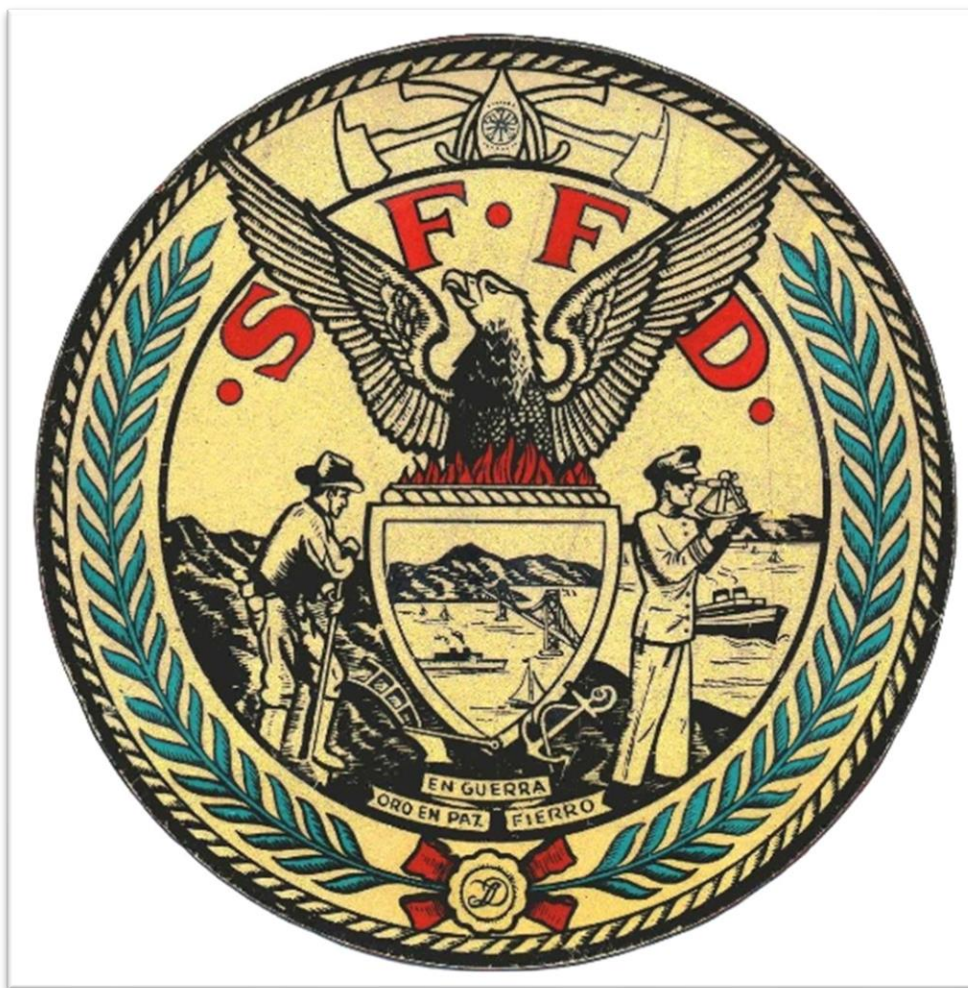

LANDSCAPING

No major landscaping issues were reported.

DEPARTMENT ENGINEERING (Stationary Engineer Avo Sarkissian, SFFD)

- Ongoing and routine maintenance at Fire Stations, HQ and ADF.
- Funds have been transferred to SFFD for replacing HQ main water back flow device. No date has been set for install.
- HQ Elevator modernization quote was submitted to CFO for viewing.
- Station 17 Boiler replacement cost proposal from outside vendor was received and forwarded to ADC's. DPW Steamfitters are revising quote.
- We are getting a proposal to mitigate water intrusion on an exterior wall at Station 31. PO has been issued; we are coordinating access with neighbors. Waiting on contractor availability
- Annual fire alarm inspections for fire stations 1, 5, 16, 36 and HQ has been scheduled for 7/14 and 7/15/25.

Earthquake Safety and Emergency Response (ESER) Bond

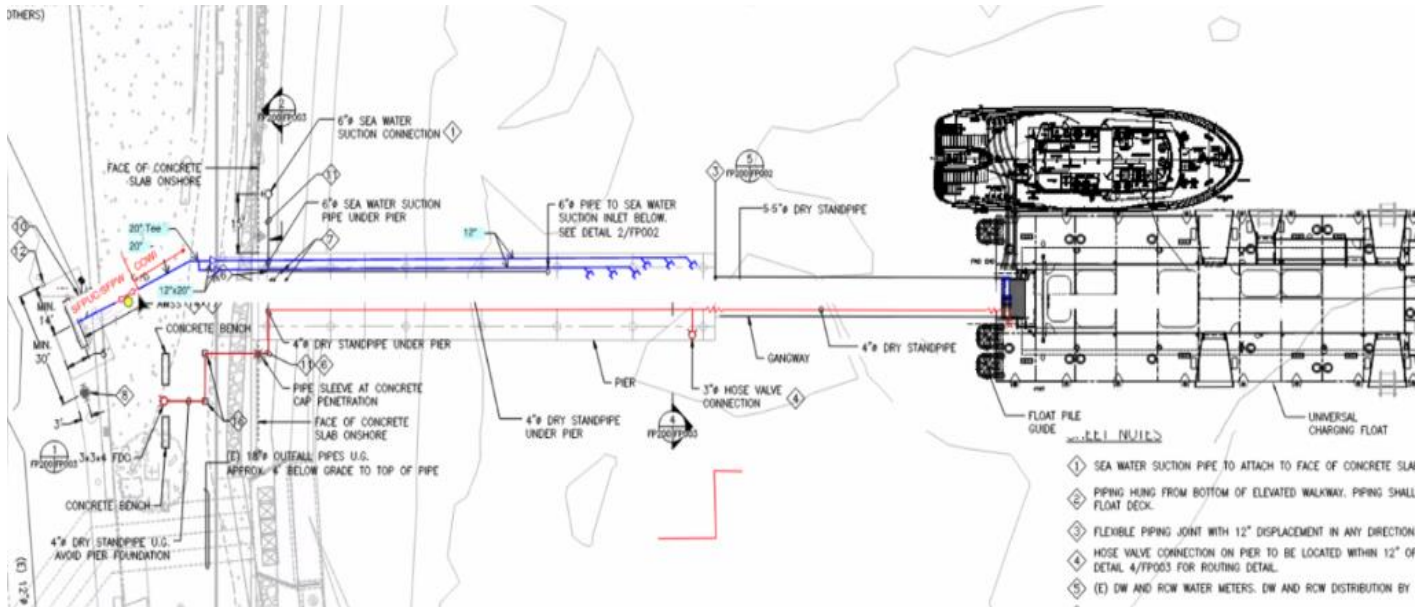

Earthquake Safety and Emergency Response (ESER) Bond
Assistant Deputy Chief Garreth Miller
June 2025

New SFFD Division of Training Development

- Swinerton Builders and the DOT project team visited the project site, explored options for the design and installation of the west side retaining wall and settled on a Basis of Design for the deep pile foundations
- Design meetings led to further definition of the wall assemblies, signage and wayfinding, and details of the training district
- Negotiations with the PUC regarding cost sharing for the cleaning and inspection of the box sewer and the sewer prior to the start of construction continued
- A reconciliation of construction cost estimates from the CM/GC Swinerton and two outside cost estimators project the construction costs to be within budgeted amounts
- Public Works reports that actual spending on the project increased from \$13,908,632 to \$15,841,504.

Water Supply

- Captain Kotter retired from the SFFD after more than 27 years of service. He made substantial contributions to the department throughout his career but was especially impactful since December of 2022 when he began serving as the Water Supply Officer. During his tenure he was instrumental in expanding and strengthening the SFFD's cooperation with the SFPUC. Captain Kotter planned and directed several large exercises utilizing the fireboat manifolds and the Portable Water Supply System. He participated in the design of the planned Potable Emergency Water Firefighting System. Captain Kotter oversaw the outfitting of the new high volume hose tender and planned and directed the training of SFFD personnel in the use of it. We will miss him but wish him well in retirement.
- Water Supply Officer Interviews July 14
- SFPUC began meeting with consultants to plan the replacement of the Bay Bridge western span standpipe and hydrant replacement – this is expected to be at least a two year project requiring SFPUC and CALTRANS coordination
- Mission Bay Fireboat Manifold – The design team is working to identify a suitable material for a standpipe to be attached to the pier to decrease the length of hose leads from the fireboat

E.S.E.R.—Emergency Firefighting Water System (EFWS), SFPUC, June 2025

- 2000 Marin EFWS Expansion – Construction continued to extend the EFWS along Marin Street from an existing 12-inch along Evans Avenue.
- Clarendon Supply EFWS Pipeline – Construction reached substantial completion January 2024. Continued to address closeout items, expected final completion by Fall 2025.
- Fireboat Manifolds – Planning for new pipeline and fireboat manifold near Fort Mason Pier 2 and Pier 33.5 for fire suppression continued. Design for a new fireboat manifold at Mission Bay Ferry Landing continued.
 - Mission Bay Ferry Landing Design: Design progressing to 95% includes addition of hard pipe along fixed pier.
 - Fort Mason Conceptual Engineering Report (CER) continued.
 - Pier 33.5 preliminary Alternative Analysis Report (AAR): Project team continued evaluations to address stakeholders' review comments.
- Potable Emergency Firefighting Water System (PEFWS) project
 - Contract A (From Lake Merced Pump Station to Sloat Blvd) – Design progressing to 95% milestone.
 - Contract B is evaluating revised route along Sloat Blvd to Sunset Blvd.
 - Contract C, D and E (Through Golden Gate Park and Richmond District): Continued planning for Conceptual Engineering Report (CER).
- Pumping Station No.2 (JOC) – Providing additional enhancement to the electrical power via Job Order Contract (JOC). Construction is pending to start once electrical equipment is delivered in August 2025.
- Street Valve Motorization at Evans and Napoleon – Continued construction to replace and modernize an existing 12-inch pressure valve with a new ball valve. This also serves as a pilot project for the PEFWS Pipeline.

E.S.E.R. BOND 2010 NFS – Updates through June 2025

Additional Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Emergency Generators:

- Fire Station 14 – Moved to ESER 2014 section

E.S.E.R. BOND 2014 NFS – Updates through June 2025

Seismic Improvement Program (Magdalena Ryor, San Francisco Public Works):

- Fireboat Station 35 (\$50.5M) – Certificate of Final Completion was issued on November 11, 2022.

[M. Rossetto] FS35 Security Gate Enhancement:

- 1/6/25. The contractor mobilized on Monday Jan 6, 2025.
- Punch list items completed 6/13/25 & SF Port inspection is the final construction requirement prior to close-out.

Focused Scope Program (Michael Rossetto, San Francisco Public Works):

Total Funding allocated for the Focused Scope Program is \$21,407,279, approved by SFFD on 8/17/17. Work is complete in 8 of 9 of the Focused Scope categories comprising Roofing, Apparatus Bay Door Replacements, Exterior Envelope Improvements, Windows, Showers, HVAC/Mechanical, Sidewalk/Slabs, and Security Access Control. Work continues to progress through the last scope category, Generator Replacements.

Emergency Generators:

- **FS 2** – Scope of work: replace existing rooftop generator set, structurally strengthen roof structure to support new fuel tank with capacity for 72-hour run time and provide new fuel fill port and piping to generator.
This project is complete.
- **FS 19** – Scope of work: replace existing generator at grade and replace main electrical panel.
 - The generator load bank lead time has increased, causing a generator delivery date into 2026. Deletion of the load bank was considered, which would have eliminated approximately 6 months of delay. SFFD has opted to retain the load bank due to the minimal cost savings that would have been provided.
- **FS 14** – Scope of work: Redesign of the previous replacement of the existing generator with new rooftop generator, new subgrade fuel fill port at the sidewalk in front of the station, and new fuel piping from sidewalk to generator is underway.
 - BOA is nearing completion of the redesign as of May 2025. Final review meeting will be scheduled with SFFD prior to submitting for permit.

Exterior Envelope:

- **Package 1 (FS 8, 20, 23, 29)** – FS 8, 20, and 29 are complete; On 1/15/21, SFFD requested a hold on FS 23 painting due to other priorities.

o **Package 2 (FS 24, 34)** – This project remains on HOLD initially placed at the request of Capital Planning to provide supplemental funding to the Police TC&FSD project. It is now expected that those funds will be returned to the SFFD for allocation to a priority project, possibly FS24 and/or FS34.

o **FS 17 & 31** Exterior Envelopes were requested as new projects by SFFD in August 2023, both as lower priorities. These were approved by the Capital Planning Committee for use of ESER 2014 interest. A waterproofing consultant is recommended to determine corrective measures and potential costs.

Miscellaneous:

FS35 Security Fence Enhancements, FS17 Boiler Replacement & FS 29 Apparatus Bay Door Replacement were requested as new projects by SFFD in August 2023. These are ranked as the highest priority (most urgent) projects after the Network Modernization project.

- o **FS 35** – See Fireboat Station 35 description.
- o **FS 17** – Boiler Replacement. Requested to reinitiate previously on hold, per SFFD 5/5/25 email. Budget is in progress pending BSSR hazmat analysis scope.
- o **FS 29** – Apparatus Bay Door Replacement: completed and is in close-out
- o **DOT/FS 7 Railings**: completed and in close-out
- o **FS 19 Window Replacement** budget was requested by SFFD, per email from 5/5/25. Historic classification will require review with Planning to determine requirements that will affect the budget.

Network Modernization Project (Michael Rossetto, San Francisco Public Works):

As of June 2025, all fire stations have been completed and inspected, excluding station 51 which is under the Jurisdiction of The Presidio Trust who is requiring agreement modification with SFFD to allow the work to proceed.

E.S.E.R. BOND 2020 NFS – Updates through June 2025

Division of Training (Scott Moran, San Francisco Public Works)

Civic Design Review Ph. 2 Rendering, DLR Group, 4/21/25

Budget: \$275M

Phase: Design (Design Development)

Schedule:

- Estimated Start of Construction – Fall 2025
- Estimated Substantial Completion – Fall 2028

Highlights:

- Planning published the CEQA Addendum and an update of the Mitigation, Monitoring & Reporting Program on June 4, 2025. This completes the environmental review process.
- In June, Swinerton Builders reconciled their estimate of the 100% Design Development package with the estimates of Cummings and Saylor. Key trade scopes were clarified and re-estimated with the subcontractors. Swinerton's updated estimate is in line with the other two estimates and is within budget.
- Key Project Entitlements Timeline:
 - CEQA Addendum – COMPLETED 6/4/25
 - SF Public Utilities Commission Memorandum of Understanding regarding existing underground wastewater infrastructure – very close to completion, now targeting by end of July 2025
 - Board of Supervisors introduction of legislation for Planning Code Map Amendments and Street Vacations –still targeting July 2025
 - Planning Commission Approvals for Planning Code Map Amendments (zoning & bulk/height changes) –now targeting September 2025
 - Board of Supervisors approval of Planning Code Map Amendments and Street Vacations – now targeting September or October 2025
 - Planning has confirmed that a note can be added to the system to allow the Department of Building Inspections to begin the permit review process in parallel with the legislative process for the Planning Code Map Amendments and Street Vacations.

Fire Station 7 Replacement (San Francisco Public Works)

Budget: Expected budget of the Fire Training Facility does not create funding opportunity for the FS 7 project

Phase: N/A

Schedule: N/A

Highlights: N/A

P.H.S. BOND 2016 NFS – Updates through June 2025

The total funding allocated for Neighborhood Fire Stations is \$9.1M.

Seismic Improvement Program (Michael Rossetto, San Francisco Public Works):

Hose Tower Removal & Roofing (FS 6, 11, 12, 21, 38) – Complete.

Hose Tower Removal & Replacement (FS 15)

December 2023 JOC fee proposal was received and is in excess of the \$1M threshold. Design-bid-build will be pursued, adding approximately 6 months to the start of construction. SFFD has requested minor design changes with the addition of electrical outlets and a ship's ladder in lieu of a vertical ladder to the roof. BOA has met with SFFD to review design changes. An on-site meeting occurred with the radio Shop to determine replacement of antennas currently mounted on the existing tower. BOA will revise the drawings for final draft review with SFFD. BOA is producing a fee proposal inclusive of structural and electrical for the SFFD requested changes.

- 11/27/24: Pre-Bid Phase - BOA (Vito V) to have final signed drawings as of 12/2/24. BOA re-sending 2022 QAQC forms to Reg. Affairs and SAR for their review and sign off.
- Pre-bid preparations underway at DPW PCS.

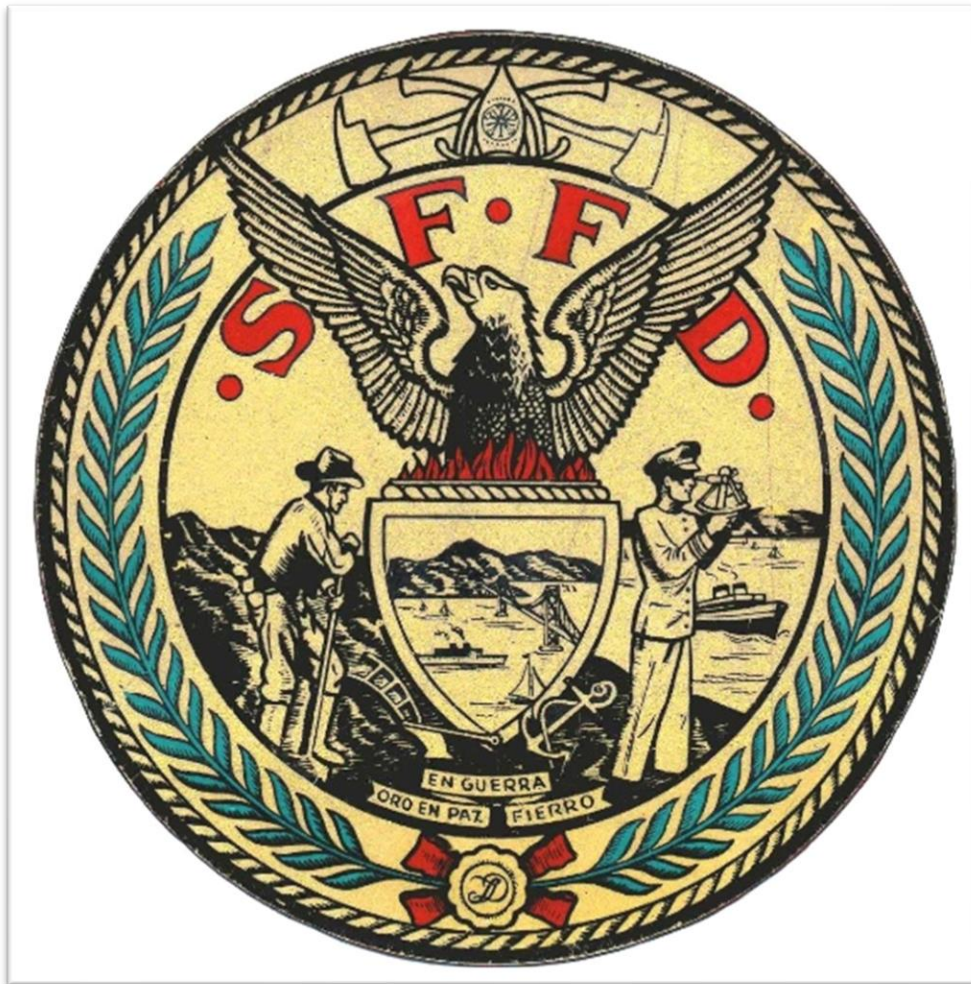

Focused Scope Program (Michael Rossetto, San Francisco Public Works):**Emergency Generators:****• FS 37 & 44:**

- On-site construction activity began the week of April 22, 2024.
- Load bank delay from manufacturer until August 2024. The generators are at a Stockton facility waiting for load bank installation prior to site delivery.
- As of March 2025, fuel oil piping scope is nearing completion.
- 3/30/25: Substantial Completion. Testing and inspections remain to be performed.

• FS 18:

- 12/2/24: J56-14.0 NTP Date is 07/22/24. Duration is 600 Calendar Days. Completion Date 3/13/26. In submittal review & approval phase. Generator lead times pushed out to April 2025 delivery, but similar load bank delays seen at FS 19 will increase the lead time by approximately 6-7 months.

Public Information Office

***Public Information Officer
Captain Jonathan Baxter, Lieutenant Mariano Elias,
Rescue Captain Samuel Menchaca
June 2025***

June PIO Incidents: 202	Interviews: 259	Events: 120
-------------------------	-----------------	-------------

Operations:

The office continues to operate at full capacity, handling major events and responding to emergency scene calls.

The PIO team covered the following events with written, radio, social media, and media coverage: Berkeley Way remembrance, EMS state award for a member, 135 H2 graduation, Juneteenth, South Korea FF visit, PGE large drill, EMSA podcast episode, USCG event, and Pride safety and parade.

PIO Curti-Contreras has been instrumental in completing administrative tasks that enhance public safety and the PIO office's efficiency. Some of these tasks include completing the PIO task book, updating the citywide crisis communication shared document, updating the 2025 PIO handbook, establishing the agency profile CSFA document (spotlight) for media use, and responding to media inquiries as needed. She has also made multiple on-camera statements to media outlets.

The PIO team has drafted an SFO response pattern for approval to support airport operations. This was done after gathering information from FEMA, as well as the Orange County Fire PIO, Miami-Dade Fire PIO, and FDNY Fire PIO.

An announcement for Back-up PIO members has been sent to the field, with many members inquiring. This will help cover multiple events.

All PIO cell phones were downloaded to the MMS main computer (this process will be performed monthly), and nearly 10,000 digital images were downloaded.

Collaboration with allied agencies has reached an all-time high, particularly following the recent suspicious school fires involving the SF EMSA, SF DEM, DHS Federal media affairs, SFPD PIO, DPH PIO, NOAA weather media affairs, and OCFA PIO

Training and Education:

Members of the PIO team continue to pursue training opportunities to advance our ability to serve our community.

This month, members participated in numerous drills and an off-site class related to Media Relations. All PIO members also completed weekly daily drills and target solutions.

Baxter: Media crisis communication, SCBA, Adobe use, De-escalation techniques, developing a budget class, recruitment retention seminar

Elias: Target Solutions

Menchaca: Media crisis communication, SCBA assessment, Intro to AI, Intermediate AI, and STB Instructor

Sukai: ASTL and AFN

Schorr: Target Solutions
