A large Canadian flag and an American flag are flying side-by-side on a tall, black, lattice-structured flagpole. The Canadian flag is on the right, featuring its characteristic red and white design with a red maple leaf. The American flag is on the left, showing its stars and stripes. The flagpole is situated on a paved area, possibly a parking lot or a street. In the background, a red fire truck is parked, and other vehicles are visible. The sky is blue with scattered white clouds. The image is presented at a diagonal angle, with a white triangular overlay in the top right corner containing the text 'IAF' and 'ME' in black, bold, sans-serif font.
