

Operations Report

June 1, 2017 – June 30, 2017

Mark Gonzales
Deputy Chief of Operations

OPERATIONS REPORT

June 1, 2017 – June 30, 2017

GREATER ALARMS:

There was 1 greater alarm fire during this reporting period at the following location:

4th Alarm – (6/16/17) 1306 hours, 1300 Donner Avenue came in for a reported warehouse building on fire. Units arrived on scene to a one story, type 2 building. Staging occurred at Ingalls Street/Carroll Avenue. Assistant Chief William Storti was the Chief in Command. This fire was contained to the building of origin (1300 Donner). It resulted in a “shelter-in-place” order being given for the surrounding area. A challenge at this fire was arcing electrical wires. No injuries were reported as a result of this fire. The fire was determined to be accidental, caused by overloaded electrical.

Public Information Officer **Lieutenant Jonathan Baxter**

Social Media Responses

- 06-01-17, in response to a Working Fire response at 819 Geary, Annieb wrote: Glad to see SFFD ladder trucks on scene of my favorite building.
- 06-01-17, a visitor to SF wrote: “Thanks SFFD and station 7 for the tour.”
- 06-04-2017 in response to the twitter account, Monicah wrote: SFFD, your safety messages and incident updates are invaluable...Thank you.”
- 06-16-2017 Fred wrote: “Your Headquarters paint job looks great!”

Functions

- 06-20-2017 FF/Keith Baraka and BC/Juratovac were acknowledged by the SF BOS for their efforts in promoting LGBTQ awareness within the Department.
- FS 7 Conducted a number of community events for the Latino community over the month, including community outreach, fire station tours, and prevention education materials.
- FS8 Promoted LGBTQ month with a rainbow lighted display on the front of FS 8.
- On the 24-25 of June, the 47th ANNUAL PRIDE PARADE and festival took place.

Drills

- On 06-03-2017, the Department collaborated with the Bay Area Association of Disabled Sailors (BAADS) and held a series of water rescue drills allowing both entities to experience how to rescue an individual with adaptive needs. Lessons learned included the need to be vocal with those who are blind, to be tactile with those who are deaf, and how to secure and rescue someone who does not have use of their arms or legs. The Department's PIO worked with the DEM PIO and members of BAADS on learning how to put out emergency messages for these events. We are now better prepared to respond to emergencies involving persons with adaptive needs. Special thanks to BC Kircher and BC McGee for spearheading this collaborative effort.
- On 06-18-2017, the Department trained with the National Park Service, VA Hospital Helipad staff, and the California Highway Patrol Air Division on HELO-CASTING. This is training that allowed our members first-hand experience and training on how to conduct an air based water rescue. SFFD Members were picked up by the helicopter and taken to a mock rescue off china beach. Simulated water conditions prevented a traditional boat or shore rescue. Members deployed from the helicopter into the water and successfully rescued the mock victim. We are now better prepared to respond to these types of incidents, and plan on doing more collaborative training with our partners at the CHP.
- On 06-20-2017, the Department along with members from the National Park Service (NPS), United States Coast guard (USCG), National Weather Service (NWS/NOAA), Emergency Management Department (DEM), and the San Francisco Police Department Marine Unit gave a Media presentation on the following topics, which included two MOCK rescue drills:
 - Ocean Safety
 - Cliff Safety
 - Rock Safety
 - RIPCURRENT awareness
 - SNEAKERWAVE awareness
 - HEAT issues and prevention tips
 - Boat Safety and tips
 - Animal safety and rules around cliffs and the Ocean
 - Options for safer Protected beaches such as Stinson Beach

Outreach

- Multiple Public Safety announcements have been made throughout the month covering items from Surf Safety to How to Use a Fire Extinguisher. For more real-time announcements, we encourage you to monitor our Twitter account at: @sffdpio
- Engine companies continue to pass out fire prevention and education materials while on calls, or out in the public. This material is now available on our website to download at: www.sf-fire.org (Multiple languages coming soon).
- Coastal Rescue companies continue to hand out Surf Hazard educational materials to the community while on calls, or while out in public, in collaboration with the NPS.
- Cliff Rescue units provided cliff rescue and animal safety COMMUNITY OUTREACH in areas such as Fort Funston, Ocean Beach, and Lands End.
- Public messaging on how to use a fire extinguisher was posted on social media.
- Sign-up for emergency notifications by texting "ALERTSF" to this number: 888777

- Public messaging on how to get rid of old fire extinguishers was posted on social media: www.Sfenvironnement.org
- Earthquake safety tips such as DROP, COVER, HOLD ON, were promoted on social media sites this month.
- On 06-22-2017, in anticipation of increased heat and the pride festivities, the Department reached out to Bay area Fire and Police agencies to promote our Ocean and Heat safety messages. Special thanks to the Sacramento, Modesto, and Rocklin Fire Departments for sharing this important message.
- 06-22-2017 the BATTALION 5 SAFETY FAIR was held at FS10 from 0900-1300 hours. More than 150 people stopped by to learn how to use a fire extinguisher, Hands-only CPR, and other safety prevention tips. A special thanks to Commissioner Nakajo who joined us for this event.
- 06-30-2017 a joint PRESS CONFERENCE with SFFD, SFPD and DEM was held regarding 4th of July events, how and when to call 911, or to report fireworks, and safety precautions to be taken.
- The Department entered into an agreement with rebuilding Together SF, a non-profit organization, to supply Fire Extinguishers and Smoke Detectors to community members who take our Prevention and Education Class, or attend a Safety fair. Community members must fill out an application for this service, and must meet the financial requirements for this program. This expands our efforts to make ALL members of San Francisco Safer. www.rebuildingtogethersf.org
