- SF Ready
- Basic Training
- Advanced Training
- Outreach/Community Education
- Retention
- Neighborhood Team building

Volunteer Participation

- 2017-2018 increase

Summary

Accomplishments

- Public Health Foundation partnership complete for 501c3 donations to NERT
- 17 full NERT training sessions were offered in 2018 to date.
- NERT's Medical Reserve Corps deployed members to Napa and Sonoma Counties to support fire survivors.
- NERT teams in District 7 and 10 received Supervisorial grants to support caches for their Neighborhood team.
- Training implemented every 3rd Saturday for NERT Graduates

Next Steps

- Increase support for Neighborhood team building
- Update Student materials
- Increase instructor pool within SFFD

Asks/Issues

- Better coordination with City and County to increase awareness and marketing of and participation in NERT.
- Streamline participant registration and training records with modern technology and equipment
- Increase staff support in NERT
