**San Francisco Fire Department  
Conducting Public Tours of Twin Peaks Reservoir  
and Fire Pump Station 2**

The San Francisco Fire Department is conducting public tours of two of San Francisco's Auxiliary Water Supply System (AWSS) core facilities. The AWSS, a dedicated firefighting water supply system that was built following the Great Earthquake and Fire of 1906, is a unique and brilliantly engineered firefighting system.

**WHERE:** Twin Peaks Reservoir  
Farview Ct and Marview Way

**WHEN:** Saturday, April 17, 2010  
9 AM & 10 AM

**WHERE:** Pump Station 2  
McDowell Ave. at the  
Foot of Van Ness Avenue

**WHEN:** Saturday, April 17, 2010  
1 PM & 2 PM
