

64th Annual Police/Fire Memorial Mass

Sponsored by

The San Francisco Fire Department

and

The San Francisco Police Department

The First Memorial Mass was held in 1947 following the tragic 1946 Herbert Hotel Fire in which four Firefighters perished. The annual Mass commemorates and honors all Firefighters and Police Officers who have lost their lives. This year has even greater significance with the tragic line of duty deaths of Lieutenant Vincent Perez and Firefighter/Paramedic Anthony Valerio.

All members and their families are invited to attend.
