*Building Community Through Giving!*

# WORKPLACE GIVING

## WHY GIVE?

Simple. Your gift makes your community and your world a better place. Your gift is needed now more than ever. Thank you for participating and thank you for your generous gift.

### WHY GIVE THROUGH YOUR WORKPLACE CAMPAIGN?

Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

### WHY GIVE THROUGH PAYROLL DEDUCTION?

This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. It's easy for the donor and easy for the charity. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income to the charities throughout the year.

### WHY DONATE THROUGH A FEDERATION?

Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

### WHY ARE THERE ADMINISTRATIVE FEES?

All charities listing with a federation are in agreement with these fees because they are represented in your workplace campaign. Your campaign effectively allows federations to garner donations charities would not be able to receive otherwise. Federations are non-profit organizations as well and rely on these fees to continue providing workplace giving donation opportunities to charities.

***Our Co-Workers. Our Neighbors. Our Friends. Us.***

1 in 5 Bay Area residents lives in poverty. Food or gas. Heat or clothing. Daycare or the doctor. These are choices no one should have to make. Yet one in five of us – 280,000 Bay Area households – struggle to meet our basic needs. And of those struggling, 86% have at least one job.

In the Bay Area, we care and know we can do better. By supporting United Way of the Bay Area's programs, you're joining a movement to cut poverty in half by 2020. When we earn enough to support ourselves, we spend more in local businesses – our neighborhoods are safer – and we're better able to support our children's education.

***So Give! Advocate! Volunteer!  
Let's cut poverty and MAKE IT BE.***
