San Francisco Fire Stations hold Open House Day

In recognition of *National Fire Prevention Week*, every fire station in San Francisco will be open to the public on Saturday, October 15, 2011, from 1:00PM through 5:00PM

Visitors and residents of San Francisco are encouraged to stop by a local fire station where the members will be providing fire safety and prevention information, giving tours of the public areas of the fire stations and performing community blood pressure screening.
