

VOLUNTEER OPPORTUNITY – TRAINING EXERCISE 2018 SFO WATER CRASH EXERCISE

San Francisco International Airport will conduct an emergency full-scale training exercise on Wednesday, 19 September 2018 from 10:00am to 3:00pm simulating an air crash that has occurred in the water. Airlines, their business partners, tenants, SFO airport divisions, CERT/NERT volunteers and members of the community at large are invited to participate. All volunteers must be 18 years or older and will be required to sign a waiver form. Participants are needed for the following roles:

Exercise role players simulating passengers of an aircraft that has crashed in the water

- Participants must report to the airport as early as 7:30am on the day of the exercise for briefing and preparation for the exercise
- Be willing to have moulage (simulated injuries) applied (limited availability)
- Be prepared to be handled and treated by emergency response personnel simulating rescue, evacuation and treatment
- Be good actors simulating injury, concern, shock, etc.
- All exercise activities will conclude by 3:00pm with lunch provided
- (Note: volunteer role-players will not be in the water)

Exercise role players simulating family members and friends of passengers

- Be prepared to report to a pre-designated location at the airport by 9:30am
- Participants must be flexible, follow directions and be good actors simulating concern and emotion
- All exercise activities will conclude by 3:00pm with lunch provided

To register as a participant role-player or for more information e-mail SFO-AEMExercise@flysfo.com no later than Friday, 7 September 2018. Further instructions including reporting locations will be sent later. Space is limited – register now!
